but his Christian admirers anointed him as their political champion believing he would lead America back to God The Gospel of J Edgar Hoover reveals how Hoover and his FBI teamed up with leading white evangelicals and Catholics to bring about a white Christian America by any means necessary Lerone Martin draws on thousands of newly declassified FBI documents and memos to describe how under Hoover s leadership FBI agents attended spiritual retreats and worship services creating an FBI religious culture that fashioned G men into soldiers and ministers of Christian America Martin shows how prominent figures such as Billy Graham Fulton Sheen and countless other ministers from across the country partnered with the FBI and laundered bureau intel in their sermons while the faithful crowned Hoover the adjudicator of true evangelical faith and allegiance These partnerships not only solidified the political norms of modern white evangelicalism they also contributed to the political rise of white Christian nationalism establishing religion and race as the bedrock of the modern national security state and setting the terms for today s domestic terrorism debates Taking readers from the pulpits and pews of small town America to the Oval Office and from the grassroots to denominational boardrooms The Gospel of J Edgar Hoover completely transforms how we understand the FBI white evangelicalism and our nation s entangled history of religion and politics
