River Of Compassion A Christian Commentary On The Bhagavad Gita:

River of Compassion Bede Griffiths, 1995 River of Compassion is a reflection on one of the most sacred texts of Hinduism Father Bede Griffiths shows how the Gita can be a practical spiritual guide to a Christian on the spiritual path This commentary has been written for the benefit of people who have little or no knowledge of the background to these texts need a sense of direction to help understand the bearing that these works could have on their own lives and want to use the Gita as a practical guide in their spiritual life BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *River of Compassion* Bede Griffiths, 2001 Written for those who want to use the Gita as a practical spiritual guide but who have no knowledge of the background to these texts River of Compassion provides a line by line reflection on this key Hindu text and is certain to become a classic of contemporary spirituality Interpretations of the Bhagavad-Gita and Images of the Hindu Tradition Catherine A. Robinson, 2014-02-04 This book investigates the relationship between the various interpretations of the Bhagavad Gita and the Hindu tradition **Bede Griffiths' Images of God** Beatrice Green, 2022-08-19 This book reveals how the images Bede Griffiths OSB Cam used for God are richly embedded with concepts ancient and new making them especially relevant for our current times It prompts insight into the great deposit of wisdom and scholarship that was his source and will benefit those interested in religious imagery gender equality monastic life interfaith dialogue evolution of consciousness practical theology and spirituality and integral thought Led by Christ the Golden String Griffiths made the sea change from Great Britain to India promoting the marriage of East and West the essential value of the feminine contemplative prayer interreligious dialogue and integral life His initiation to Christian sannyasa and faith in the evolutionary process reflect his openness to change and to grow and highlight this great sage s masterful use of images grounded in his motto to always go beyond Christian Ashrams, Hindu Caves and Sacred Rivers Mario I. Aguilar, 2016-07-01 The history of the Shantivanam ashram and the five figures of Christian Hindu dialogue in India is the backdrop for this exploration of dialogue and collaboration between the two faiths The lives of these men and their situation within both religions is used by the author to propose a continuation and development of this dialogue today *Eric Voegelin's Asian Political Thought* Lee Trepanier, 2020-06-22 The rise of Asia in global affairs has forced western thinkers to rethink their assumptions theories and conclusions about the region Eric Voegelin s Asian Political Thought brings together a mixture of established and rising scholars from both Asia and the West to reflect upon the political philosopher s thought about China Japan Korea Central Asia and India From Voegelin s writings readers will not only understand how Voegelin s approach can illuminate the fundamental principles and issues about Asia but also what are the challenges and possibilities that Asia offers in the twentieth first century For those who want to move past the superficial commentary and clichés about Asia Eric Voegelin s Asian Political Thought is the book for you **The Other Half of My Soul** Beatrice Bruteau, Bede Griffiths, 1996-05-01 Every age has its visionaries Bede Griffiths the gentle Benedictine monk

who traveled to India to seek the other half of his soul was one such spiritual giant Like Mother Teresa and Thich Nhat Hanh Father Bede's spirituality transcends sectarian labels His Shantivanam Forest of Peace monastery in India is Christian in faith but Hindu in lifestyle The essays and stories in the moving tribute to Father Bede by such luminaries as Thomas Berry dissolve the boundaries between Christian belief and Eastern practice Foreword by the Dalai Lama **God at Play** Daniel Soars,2025-07-01 The first comparative treatment of the topic of l l in Hindu and Christian traditions this volume explores what it means to consider divine and human action under the categories of play wit drama grace and compassion God at Play presents a theological exploration of the multifaceted motif of l l across diverse Hindu and Christian landscapes and its wide ranging connections to divine and human creativity Given its ubiquity in Hindu theologies and life forms l l offers a rich comparative framework for exploring certain ways of understanding divine and human action as expressed in Hindu and Christian sacred texts philosophical theology and ritual practices Though l l is often interpreted simply as play the essays in this volume reflect a far richer semantic and conceptual field ranging from spontaneity and gratuitousness through joy and humor to mercy and compassion By focusing on the different contexts in which l l is found in Hindu traditions and resisting any uniform translation of the term the contributors to this volume avoid the risk of using predominantly western or Christian categories to understand the Hindu other The volume thus explores how l l functions in a variety of distinctive philosophical theological and devotional ways across Hindu traditions and listens for echoes in Christian understandings of the gratuitousness of the created order in relation to God God at Play is a genuine experiment in deep learning across traditions Each chapter reflects on what is learned by taking l l as the category of comparison and invites the reader to think about what these conversations add confirm or change in relation to earlier twentieth century scholarship on play not least in terms of what difference it might make to understand human life as an imitation and a participation in the divine life of a playful deity *Prayer in the Cave of the Heart* Cyprian Consiglio,2010-01-01 Prayer is an art that cannot just be taught It must be experienced lived and practiced In *Prayer in the Cave of the Heart* Cyprian Consiglio draws on his experience as a Camaldolese monk to give readers an accessible reflection on prayer that is based on Bede Griffiths's universal call to contemplation In this text the contemplative traditions of East and West intersect to invite readers into prayer that makes them present to the Spirit who is already present to us From Big Bang to Big Mystery Brendan M. Purcell,2012 Everyone knows about the mystery of the Big Bang what started it This book is about the other creation mystery where did human beings in particular come from It traces the material part of our origins from the Big Bang through evolution including the almost 7 million year hominid sequence up to the first humans in Africa over 150 000 years ago That data doesn't seem to explain what paleontologists and archaeologists call the Big Bang of Human Consciousness In his fascinating accessible and thorough study renowned priest and academic Brendan Purcell shows the complementarity that scientists theologians and philosophers bring to a deeper understanding of the mystery of human existence and human consciousness Sustainable

Development: The Spiritual Dimension Krishan Saigal, 2008 The concept of sustainable development was accepted by the world leaders in Rio de Janeiro in 1992 The concept was vague and this is natural when an international consensus has to be achieved It was also based implicitly on the dominant Western paradigm with its stress on science and technology its stress on management of technology and the meshing of economics and ecology as the answer to the environmental crisis Value systems were not included in the concept of sustainable development The book studies the Eastern paradigm base on the concepts and values of Hinduism Buddhism and Islam and suggests that for a truly global ethic the Western and Eastern paradigms need to be integrated This can be done through the mediation of modern science easily for the best of the propriety

The Bhagavad Gita, 2014-05-01 Part of the ancient Hindu epic The Mahabharata The Bhagavad Gita is one of the enduring religious texts of the world The Bhagavad Gita is an early poem that recounts the conversation between Arjuna the warrior and his charioteer Krishna a manifestation of God In the moments before a great battle Krishna sets out the important lessons Arjuna must learn to understand his own role in the war he is about to fight Krishna reveals to Arjuna his true cosmic form and counsels the warrior to act according to his sacred obligations Ranging from instructions on yoga to moral discussion the Gita has served for centuries as an everyday practical guide to living well Translated with an introduction by Laurie L Patton

Cistercian Studies Quarterly, 1998 The Privilege of Love Peter-Damian Belisle, 2002 The Privilege of Love Camaldolese Benedictine Spirituality is a collection of essays by Camaldolese monks nuns and oblates After an introduction by Michael Downey and an overview chapter on Camaldolese Benedictine history and spirituality three chapters center on the Benedictine aspects of spirituality such as liturgy lectio divina and Word Wisdom of God The book focuses on Camaldolese sources eremitical cenobitical dialectic and solitude followed by chapters on Camaldolese ecumenical and

interreligious involvement as well as oblate spirituality The concluding chapter comments on Camaldolese Benedictine spirituality in a post Vatican II context *Krsna and Christ* Steven Tsoukalas, 2011-09-01 This work compares the Krsnavatara Krsna in his avatara doctrines of Sankara and Ramanuja and the incarnation of Christ as represented by classical Christian orthodoxy and draws out comparative theological and soteriological implications It does so first by examining the epistemologies theologies and world views of Sankara and Ramanuja and the theology and world view of classical Christian orthodoxy so that second an adequate foundation and subsequent thorough representation of avatara and incarnation might be accomplished in order that third accurate comparisons may be drawn between avatara and incarnation The result of this study is a demonstration that many of the popularly held similarities between avatara and incarnation are superficial and that therefore careful consideration of epistemologies and ontologies should be undertaken when comparing theologies and soteriologies pertinent to avatara and incarnation *The Oxford Handbook of Christianity in Asia* Felix Wilfred, 2014-05-23 Named by the International Bulletin of Missionary Studies as an Outstanding Book of 2014 for Mission Studies Despite the ongoing global expansion of Christianity there remains a lack of comprehensive scholarship on its development in Asia This volume fills the gap by exploring the world of Asian Christianity and its manifold expressions including worship theology spirituality inter religious relations interventions in society and mission The contributors from over twenty countries deconstruct many of the widespread misconceptions and interpretations of Christianity in Asia They analyze how the growth of Christian beliefs throughout the continent is linked with the socio political and cultural processes of colonization decolonization modernization democratization identity construction of social groups and various social movements With a particular focus on inter religious encounters and emerging theological and spiritual paradigms the volume provides alternative frames for understanding the phenomenon of conversion and studies how the scriptures of other religious traditions are used in the practice of Christianity within Asia **By Faith and Hospitality** Pierre-Francois De Bethune, 2002 Today more than ever it is important that our faith be linked to hospitality to welcome the stranger in our midst This book testifies to the fruitfulness of the process when applied to interfaith dialogue and shares the spiritual insights of experience gained in the Zen Buddhist monasteries in Japan The author is Secretary General of the Commission for Monastic Interfaith Dialogue **Christians Meeting Hindus** Bob Robinson, 2011-06-16 With rare exceptions serious intentional reflective and sustained interfaith encounter is a novel and recent enterprise This book looks in detail at one such encounter the intentional recent Hindu Christian dialog in India and asks why and how the practice of dialog came to replace previous attitudes of confrontation and monologue especially on the part of Christians Part I sets the encounter in its global context Part II offers a comprehensive and critical analysis of the actual encounter Part III draws on aspects of the Christian tradition as it critically examines the ways in which the dialog has been justified in Christological categories A final chapter discusses the future of the encounter Unlike many other works in the area of interfaith studies this work combines both

descriptive detail of the actual encounter and critical theological analysis of the strengths and weakness of the dialog model
