**Robert Creeley, Edward Dorn, and Robert Duncan** Willard Fox, 1989 *The Lost America of Love* Sherman Paul, 1981-01-01 *Robert Duncan and the Pragmatist Sublime* James Maynard, 2018-05 This book examines three historical phases of the poet Robert Duncan's writing within the aesthetic and philosophical context of a pragmatist sublime. The author traces Duncan's poetics of process which like process philosophy is predicated on conditions of change and plenitude to the pragmatist tradition of William James John Dewey and Alfred North Whitehead. Working from this theoretical framework and using the archival resources of the Robert Duncan Collection housed in the University of Buffalo's Poetry Collection James Maynard examines Duncan's understanding of excess in relation to poetry.

**Ed Dorn Live** Edward Dorn, 2007 Collects the commentary of the later years and last days of one of America's most powerful and unique poets.

**Edward Dorn, Charles Olson, and the American West** Paul Varner, 2020-03-12 This book examines the poetics of the 20th century American West depicted by Edward Dorn through the influence and inspiration of his Black Mountain College mentor and fellow poet Charles Olson. It considers some of the most important and challenging poetic representations of the 20th century American West to come out of the Beat Movement and avant garde literary scene.

**The New American Poetry, 1945-1960** Donald Allen, 1999 Donald Allen's prophetic anthology had an electrifying effect on two generations at least of American poets and readers. More than the repetition of familiar names and ideas that most anthologies seem to be about here was the declaration of a collective intelligent and thoroughly visionary work in progress the primary example for its time of the anthology as manifesto. Its republication today complete with poems statements on poetics and autobiographical projections provides us again with a model of how a contemporary anthology can and should be shaped. In these essentials it remains as fresh and useful a guide as it was in 1960. Jerome Rothenberg editor of *Poems for the Millennium*. The New American Poetry is a crucial cultural document central to defining the poetics and the broader cultural dynamics of a particular historical moment.

Alan Golding author of *From Outlaw to Classic* Canons in American Poetry.

*Beyond Maximus* Anne Day Dewey, 2007 *Beyond Maximus* shows how field poetics influenced the construction of the public voices of five Black Mountain poets Charles Olson Robert Creeley Robert Duncan Denise Levertov and Ed Dorn in order to explain their association in the 1950s and 60s as well as their break up as a result of the political and poetic crises of the Vietnam War era.

*A Poet's Revolution* Donna Hollenberg,2013-04-17 This first full length biography of Anglo American poet and activist Denise Levertov 1923 1997 brings to life one of the major voices of the second half of the twentieth century when American poetry was a powerful influence worldwide Drawing on exhaustive archival research and interviews with 75 friends of Levertov as well as on Levertov s entire opus Donna Krolik Hollenberg s authoritative biography captures the full complexity of Levertov as both woman and artist and the dynamic world she inhabited She charts Levertov s early life in England as the daughter of a Russian Hasidic father and a Welsh mother her experience as a nurse in London during WWII her marriage to an American after the war and her move to New York City where she became a major figure in the American poetry scene The author chronicles Levertov s role as a passionate social activist in volatile times and her importance as a teacher of writing Finally Hollenberg shows how the spiritual dimension of Levertov s poetry deepened

toward the end of her life so that her final volumes link lyric perception with political and religious commitment      *Reader's Guide to Literature in English* Mark Hawkins-Dady,2012-12-06 Reader's Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study      **Way More West** Edward Dorn,2007-04-03 An essential anthology of an innovative American poet Edward Dorn was not only one of America's finest poets but a rare critical intelligence and commentator He was a student of Charles Olson who helped him to see the American West as a site for his quest for self knowledge at the core of his work is a deep sense of place and the people who occupy it underpinned by a wry ironic dissent It was Dorn's comic epic masterpiece *Gunslinger* which began appearing in 1968 and had already become an underground classic by the time it was published in its entirety in 1974 that established his reputation in the wider world This new volume brings together poems from Dorn's entire career including previously uncollected work      **The New American Poetry** John R. Woznicki,2013-12-24 The New American Poetry Fifty Years Later is a collection of critical essays on Donald Allen's 1960 seminal anthology *The New American Poetry* an anthology that Marjorie Perloff once called the fountainhead of radical American poetics *The New American Poetry* is referred to in every literary history of post World War II American poetry Allen's anthology has reached its fiftieth anniversary providing a unique time for reflection and reevaluation of this preeminent collection As we know Allen's anthology was groundbreaking it was the first to distribute widely the poetry and theoretical positions of poets such as Charles Olson Allen Ginsberg and the Beats and it was the first to categorize these poets by the schools Black Mountain New York School San Francisco Renaissance and the Beats by which they are known today Over the course of fifty years this categorization of poets into schools has become one of the major if not only way that *The New American Poetry* is remembered or valued one certain goal of this volume as one reviewer invites is to pry *The New American Poetry* out from the hoary platitudes that have encrusted it To this point critics mostly have examined *The New American Poetry* as an anthology former treatments of *The New American Poetry* look at it intently as a whole Though the almost singularly focused study of its construction and less often reception has lent a great deal of documented highly visible and debated material in which to consider we have been left with certain notions about its relevance that have become imbued ultimately in the collective critical consciousness of postmodernity This volume however goes beyond the analysis of construction and reception and achieves something distinctive extending those former treatments by treading on the paths they create This volume aims to discover another sense of radical that Perloff articulated rather than a radical that departs markedly from the usual we invite consideration of *The New American Poetry* that is radical in the sense of root of harboring something fundamental something inherent as we uncover and trace further elements correlated with its widespread influence over the last fifty years      *Encyclopedia of American Poetry: The Twentieth Century* Eric L.

Haralson,2014-01-21 The Encyclopedia of American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author s career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States *The Anthology of Black Mountain College Poetry* Blake Hobby,Alessandro Porco,Joseph Bathanti,2025-02-05 Founded in 1933 near Asheville North Carolina Black Mountain College fostered experimentation and interdisciplinary learning placing the arts at the heart of its curriculum As such the college was home to and served as inspiration for many modern and postmodern American poets Some of them including Charles Olson Robert Creeley and Denise Levertov appeared in Donald Allen s groundbreaking New American Poetry anthology published in 1960 later becoming part of the American poetry canon However many writers affiliated with Black Mountain College have been overlooked The Anthology of Black Mountain College Poetry features over fifty poets selected with an expansive historical and critical lens including those not typically considered as poets such as composer John Cage architect Buckminster Fuller and visual artist Josef Albers Many years in the making this book presents the clearest picture of the poetry and poetics of Black Mountain College yet
