Heritage and Horizon Harry A. Renfree, 2007-03-16 In this age of hi tech impersonal living our individual identities are in danger of being submerged and our collective past is easily forgotten History is therefore more important now than it has been in any previous time It is a corrective that insists we are not defined as a number in a data bank but as people who have lived in relation to time and circumstances Our roots lie not in a code but in interactions with other people and in the flow of daily events Canadian Baptists have eagerly awaited the day that someone would produce a comprehensive candid and faithful report of who we are and what major events helped shape our identity This book can only strengthen Canadian Baptist relationships as it brings to mind our common or similar beginnings The author of this history Dr Harry A Renfree has done us an immense service by giving us a history worth reflecting upon and one which ought to spur us on to glorify God in His church's mission Well qualified to share his gifts as writer and interpreter Dr Renfree is a Canadian Baptist who has given lifelong leadership in the cause of Christ in this country My hope is that the readers of this book will come to understand how Canadian Baptists have sought to serve Christ throughout their history and right up to the present day May God's leading in this historic endeavour cause us to grieve over the errors of the past to rejoice in the grace of God that has marked our joyful times and to firmly resolve to go forth in this day in our land to honour the Baptist name through true humility and servanthood R C Coffin General Secretary Treasurer Canadian Baptist Federation *Canadian Evangelicalism in the Twentieth Century* John G. Stackhouse, Jr., 1998-10 In the 1980s evangelical Protestantism emerged as a prominent new force in Canada While political campaigns and sexual scandals among American evangelicals attracted attention north of the border as well Canadian evangelicals were quietly establishing a network of individuals and institutions that reflected their distinctive concerns While the United Anglican and Presbyterian churches continued to enjoy mainline Protestant status in Canadian culture more Canadians who actually practiced Christianity in measurable ways could be counted among the evangelicals than among these dominant Protestant denominations And while most Canadians including experts in religious studies continued to think of Canadian Christianity in traditional denominational terms evangelicalism was coming into focus as a category essential to understanding this new pattern of allegiance and activity Introduction

The Canadian Protestant Experience, 1760 to 1990 George A. Rawlyk, 1994 Five leading Canadian religious historians address the Canadian Protestant experience Each author considers a separate period taking into account the major underlying themes of the time and noting the influence exerted by key personalities As this collection shows Protestantism had its most profound effects on Canadian life in the nineteenth century As the twentieth century unfolded however Canadian Protestantism battered by demographic change profound inner doubt so called modernity and secularization was gradually pushed to the periphery of Canadian experience The contributors are Phyllis D Airhart Nancy Christie Michael Gauvreau John G Stackhouse Jr and Robert A Wright The Holiness Revival of the Nineteenth Century Melvin E. Dieter, 1996-04-09 This new edition expands and updates the only general interpretation of the rise and influence of perfectionist revivalism in America and Europe Fifteen years of expanding research on the holiness movement reinforce this volume s continuing seminal value to cultural and social research The new concluding essay describes the history of the revival through the turn of the century This book expands our understanding of the fragmentation and coalescence of American religion by analyzing the factors which created numerous new holiness denominations Dieter also outlines the historical and theological factors that separate this largely Wesleyan and Methodist wing of evangelicalism from the fundamentalism of Reformed evangelicals The identification of such nuances will prove especially helpful to those struggling with the extreme diversity in American religion especially in evangelicalism For students and scholars of American religious movements as well as students of the feminist temperance abolitionist and populist movements in American society **The Limits of Labour** David Bright, 2011-11-01 In a few short decades before the First World War Calgary was transformed from a frontier outpost into a complex industrial metropolis With industrialization there emerged a diverse and equally complex working class David Bright explores the various levels of class formation and class identity in the city to argue that Calgary s reputation as a prewar centre of labour conservatism is in need of revision Bright also delineates the trials of the Calgary labour movement in the 1920s Internal divisions and dissent prevented the movement from realizing the potential strength of the working class Instead even as local capitalism restructured itself political and industrial labour organizations wilfully fragmented their own base of support In particular they failed to address the concerns and needs of the growing number of unemployed in the city a neglect that foreshadowed events of the 1930s This failure left the labour movement unable to meet the challenge of the Great Depression In part at least the demise of labour as a viable political alternative in Calgary paved the way for the rise of Social Credit Using Calgary as a model The Limits of Labour reasserts the need to place class formation at the heart of the development of western Canada and provides an historical context to the renewed struggle of labour for social justice in the 1990s
