See What Im Saying:

The Mysterious Mr. Miller William Le Queux, 2021-04-26 In *The Mysterious Mr. Miller* William Le Queux weaves a tantalizing tale of intrigue and espionage set against the backdrop of early 20th century Europe. Known for his vivid prose and intricate plotting, Le Queux captures the era's paranoia and political tensions, interspersing his narrative with suspenseful twists that keep the reader on edge. The book delves into themes of identity and deception, expertly reflecting the societal anxieties of its time while employing a literary style characterized by sharp dialogue and atmospheric descriptions that transport the reader into a world of shadowy figures and covert operations. William Le Queux was a prolific writer and journalist whose experiences as a war correspondent and spy inform his narrative. Born in 1864 in London, he developed a keen interest in issues of national security and international conflict, which pervades his work. His understanding of espionage, along with a fascination for the arcane and the uncanny, serves not only as the foundation for this novel but as a testament to the pre-World War I milieu that often played a pivotal role in shaping his writing. Readers who seek a compelling blend of mystery and historical drama will find *The Mysterious Mr. Miller* an enthralling read. It not only showcases Le Queux's mastery of suspense but also invites reflection on the interplay of truth and illusion in a tumultuous world. This book is a must-read for anyone interested in early detective fiction and the complexities of human motives. *Reflections on the Battlefield*

Robert J. Rider, 2001-01-01 When Robert J. Rider died in 1961, he left to his descendants a typescript text tentatively entitled *Flashbacks*, which would eventually become *Reflections on the Battlefield*. Broadly autobiographical, this text offers a unique account of its author, who fought as an infantryman while also serving as a chaplain, thus exposing himself in peculiar directness to the ambiguities of chaplaincy service on the battlefield. A further particularity is that Rider was in a minority among chaplains, being a Methodist chaplain. In August 1914, Rider, aged twenty-five, was about to begin his third year of training for the ministry of the Wesleyan Methodist church at Handsworth Theological College in Birmingham. Two months later, he had enlisted with the First Birmingham Battalion, later termed the 14th Battalion of the Royal Warwickshire Regiment. Rider's first-hand accounts of Ypres, the Somme, and Arras reveal a man morally opposed to war and yet adamant that Germany and her allies needed to be defeated. *Reflections on the Battlefield* provides us with a personal and valuable contribution to the present-day debate about the contemporary understanding of the ethics of war as expressed on the World War I battlefield. **Seems Like Murder Here**

Adam Gussow, 2010-03-15 Winner of the 2004 C. Hugh Holman Award from the Society for the Study of Southern Literature, *Seems Like Murder Here* offers a revealing new account of the blues tradition. Far from mere laments about lost loves and hard times, the blues emerge in this provocative study as vital responses to spectacle lynchings and the violent realities of African American life in the Jim Crow South. With brilliant interpretations of both classic songs and literary works from the autobiographies of W. C. Handy, David Honeyboy Edwards, and B. B. King to the poetry of Langston Hughes and the novels of Zora Neale Hurston, *Seems Like Murder Here* will transform our understanding
