Made According to the Pattern Charles William Slemming, 1964 Made According to Pattern Charles William The Tabernacle in the Wilderness Willie J. Murphy Jr., 2022-11-03 The Tabernacle is the greatest of all Slemming, 1974 the Old Testament types of Christ As we look closely at its furniture its priesthood and its feast observances we are afforded a glimpse of God's glory His grace and His love for His chosen people The sacrifices and rituals performed in the Tabernacle in the wilderness only pointed ahead to the time that God would reconcile His people to himself It is in this study of the Tabernacle that tangibles become teachable It is where Old Testament realities that could be touched become New Testament principles that must be put into practice It is through this study of the Tabernacle that we more fully understand the principle of the actuality of the old depicts the spirituality of the new In this study we get to see Jesus Christ His purpose and process of redemption His plan of salvation and His role as Savior The Tabernacle is a study of God's masterpiece of typography To come away from a study of the Tabernacle as an expert in the Tabernacle and still not understand how to approach and worship the Creator and having not experienced Jesus during your study will basically have been an exercise in futility The purpose of this study is not to acquire knowledge for the sake of having more knowledge It is not to make one a Bible scholar on the Tabernacle Instead the purpose of this study is to reveal Jesus throughout the Tabernacle and to enhance both one's corporate and individual worship experiences. It is my sincerest hope and prayer that this book will give you a fresh perspective of worship a better understanding of His holiness and a renewed respect for the presence of God
