Cardinal Choices ,2000-09 This book is a history of the complex relations between scientific advisors primarily physicists and U S presidents in their role as decision makers about nuclear weapons and military strategy The story unsurprisingly is one of considerable tension between the experts and the politicians as scientists seek to influence policy and presidents alternate between accepting their advice and resisting or even ignoring it First published in 1992 the book has been brought up to date to include the experiences of science advisors to President Clinton In addition the texts of eleven crucial documents from the Einstein Szilard letter to President Roosevelt 1939 to the announcement of the Strategic Defense Initiative by President Reagan 1983 have been added as appendixes **Refugees in Twentieth-Century Britain** Becky Taylor,2021-05-13 This timely history explores the entry reception and resettlement of refugees across twentieth century Britain Focusing on four cohorts of refugees Jewish and other refugees from Nazism Hungarians in 1956 Ugandan Asians expelled by Idi Amin and Vietnamese boat people who arrived in the wake of the fall of Saigon Becky Taylor deftly integrates refugee history with key themes in the history of modern Britain She thus demonstrates how refugees experiences rather than being marginal were emblematic of some of the principal developments in British society Arguing that Britain s reception of refugees was rarely motivated by humanitarianism this book reveals the role of Britain s international preoccupations anxieties and sense of identity and how refugees reception was shaped by voluntary efforts and the changing nature of the welfare state Based on rich archival sources this study offers a compelling new perspective on changing ideas of Britishness and the place of outsiders in modern Britain The Cultivator & Country Gentleman ,1886 **Ebony** ,2005-11 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **Cue** ,1972
