Malle on Malle Louis Malle, Philip French, 1996 Malle discusses his career and development as an artist reflected in his direction of films and production of many documentaries He talks about the recurrent themes of his work and the people he has worked with

Louis Malle Hugo Frey, 2019-01-11 This is the first monograph on controversial French director Louis Malle to be published in English Hugo Frey introduces Malle's work through a lucid analysis of his many masterpieces including *Le Feu Follet* *Lacombe Lucien* and *Au revoir les enfants* He also traces the director's extended period of work in the USA which resulted in powerful films such as *Pretty Baby* *Atlantic City* USA and *My Dinner with André* The book focuses on the most challenging aspects of Malle's oeuvre his aesthetic vision his youthful attraction to a form of right wing pessimism and his 1970s libertarianism By rethinking Malle's portrayals of Nazi occupied France Frey demonstrates that he is of equal importance to contemporary historians as to film studies This new appraisal is a nuanced study of an important film maker and a critical intervention in the debates which surround Malle's work

The Louis Malle Features Collection Directed by Louis Malle (France 1981), *The Cinema of Louis Malle* Philippe Met, 2018-09-11 Arguably a pioneer of the French New Wave with *Ascenseur pour l'échafaud* 1957 Louis Malle went on to enjoy an acclaimed yet provocative and versatile transatlantic career This collection of original essays proposes to reassess his richly eclectic and boldly subversive oeuvre and redress the surprising critical neglect it has suffered over the years It does so through a combination of transversal and monographic analyses that use a variety of critical lenses and theoretical tools in order to examine Malle's documentaries as well as his fiction features and more importantly the constant shuttling and uniquely persistent cross pollination between those two cinematic approaches illuminate the profound lasting dialogue his films entertained with literature and theater bring to the fore their sustained albeit often oblique autobiographical thrust along with their scathing sociopolitical critique and scrutinize the alternating use of stars and non professional actors In addition the volume features an exclusive interview with the acclaimed playwright John Guare a close friend and collaborator of Louis Malle's who scripted *Atlantic City* and is bookended by a foreword by Volker Schlöndorff and an afterword by Wes Anderson two renowned filmmakers who articulate their admiration for and the seminal influence of their predecessor

The Films of Louis Malle Nathan Southern, Jacques Weissgerber, 2006 This is a critical study of Malle's life's work It is approached non theoretically on a film by film basis each is examined as an individualistic and self reverential exploration of its own subjects and themes
