Malta and the Mediterranean Race (Classic Reprint) R. N. Bradley, 2016-09-14 Excerpt from Malta and the Mediterranean Race I have tried to make it clear that this Semitic language spoken by the Maltese and of which traces are found in Aryan speech by no means argues a Semitic people but that such a language was and is spoken by Hamites also Whether it developed naturally out of Hamitic arose from it by accidental modification or superseded it is not clear but it is generally held that the two are ultimately the same About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the
