 Television Technology Literary Journalism in the United States of America and Slovenia Sonja Merljak Zdovc,2008
 Slovenia is acquiring some volume of literary journalism written by Slovene journalists and writers Author Sonja Merljak
 Zdovc suggests that more Slovene writers should prefer literary journalism because nonfiction is based on truth facts and
 data and appeals more to readers interested in real world stories The honest precise profound and sophisticated voice of
 literary journalism is becoming increasingly good for newspaper circulation as it reaches not just the mind but also the heart
 of the reader Thus the world of Slovene journalism should also take a rapid turn towards the stylized literary journalism seen
 in the United States There journalists and writers realize that through literary journalism they could perhaps end a general
 decline of traditional print media by restoring to readers stories that uncover the universal struggle of the human condition
 BOOK JACKET *American Protestantism in the Age of Psychology* Stephanie Muravchik,2011-07-18 Many have worried
 that the ubiquitous practice of psychology and psychotherapy in America has corrupted religious faith eroded civic virtue and
 weakened community life But an examination of the history of three major psycho spiritual movements since World War II
 Alcoholics Anonymous The Salvation Army s outreach to homeless men and the clinical pastoral education movement reveals
 the opposite These groups developed a practical religious psychology that nurtured faith fellowship and personal
 responsibility They achieved this by including religious traditions and spiritual activities in their definition of therapy and by
 putting clergy and lay believers to work as therapists Under such care spiritual and emotional growth reinforced each other
 Thanks to these innovations the three movements succeeded in reaching millions of socially alienated and religiously
 disenchanted Americans They demonstrated that religion and psychology although antithetical in some eyes could be
 blended effectively to foster community individual responsibility and happier lives Against the Protestant Gnostics Philip
 J. Lee,1993-08-19 In this penetrating and provocative assessment of the current state of religion and its effects on society at
 large Philip J Lee criticizes conservatives and liberals alike as he traces gnostic motifs to the very roots of American
 Protestantism With references to an extraordinary spectrum of writings from sources as diverse as John Calvin Martin Buber
 Tom Wolfe Margaret Atwood and Emily Dickinson he probes the effects of gnostic thinking on a wide range of issues Calling
 for the restoration of a dialectical faith and practice the book points to positive ways of restoring health to endangered
 Protestant churches **American Literature in Transition, 1970-1980** Kirk Curnutt,2018-03-22 American Literature in
 Transition 1970 1980 examines the literary developments of the twentieth century s gaudiest decade For a quarter century
 filmmakers musicians and historians have returned to the era to explore the legacy of Watergate stagflation and Saturday
 Night Fever uncovering the unique confluence of political and economic phenomena that make the period such a baffling
 time Literary historians have never shown much interest in the era however a remarkable omission considering writers as

diverse as Toni Morrison Thomas Pynchon Marilyn French Adrienne Rich Gay Talese Norman Mailer Alice Walker and Octavia E Butler were active Over the course of twenty one essays contributors explore a range of controversial themes these writers tackled from 1960s nostalgia to feminism and the redefinition of masculinity to sexual liberation and rock n roll Other essays address New Journalism the rise of blockbuster culture memoir and self help and crime fiction all demonstrating that the Me Decade was nothing short of mesmerizing

Handmaids, Tributes, and Carers Myrna Santos,2018-12-21 This book is a multi disciplinary anthology about the role of female figures in dystopian narratives Such female figures from all stages of life are often critical to these narratives positing females as particularly powerful heroines or catalysts to action especially in young adult manifestations such as The Hunger Games and Divergent trilogies among others This book explores the totality of these rich and varied roles from fiction to television to film This collection will capture the interest of scholars and students in popular culture literature gender studies and media as well as fan readers and followers of genre fiction television and film

The Nirvana Express Mick Brown,2023-10-30 In 1897 an Indian yogi named Bava Lachman Dass exhibited himself at the Westminster Aquarium in London demonstrating forty eight yoga positions to a bemused audience Four years earlier Hindu philosopher Swami Vivekananda had spoken at the first World Parliament of Religions in Chicago where theosophist Annie Besant rhapsodized about his inborn sense of worth and the exquisite beauty of his spiritual message The Victorians had conflicted views on the religious beliefs and practices of the Indian subcontinent blending fascination and suspicion But within two generations legions of young Westerners would be following the hippie trail to India and the Beatles would be meditating at the feet of the guru Maharishi Mahesh Yogi Journalist Mick Brown s vivid account charts the eccentric history of the West s evolving love affair with Indian religion through a curious cast of scholars seekers charlatans and saints From Edwin Arnold whose epic poem about the life of the Buddha became a best seller in Victorian Britain to the occultist and magician Aleister Crowley and from spiritual teachers Jiddu Krishnamurti Meher Baba and Ramana Maharshi to the controversial guru Rajneesh The Nirvana Express is an exhilarating sometimes troubling journey through the West s search for enlightenment

Exploring Revolution Timothy P. Wickham-Crowley,2019-07-26 This series of essays on insurgency and revolution focuses on events in Latin America since 1956 The contributors discuss revolutionary theory the nature of social movements and models of social action Topics raised include terror guerilla regimes mobilizing peasants and the vulnerability of regimes to revolution

Alternative Healing in American History Michael Shally-Jensen,2019-07-19 This book examines alternative healing practices in American popular culture From traditional folk approaches to more recent developments it discusses the rise and fall of more than 100 popular approaches to addressing both physical ailments and mental health needs Offering insightful accounts of everything from aging prevention to voodoo Santer a Alternative Healing in American History An Encyclopedia from Acupuncture to Yoga situates each popular approach in the history and culture of health and wellness in America Moreover the book shows that orthodox medicine and

unconventional approaches may have more in common than many people think because both are subject to the changing nature of the medical understanding and the strength of their appeal to consumers While the main focus is on remedies lying outside the medical mainstream the book also highlights how many widely accepted therapeutic treatments of the past for example the water cure hydrotherapy or lobotomy psychosurgery fell out of favor and were quickly forgotten Besides examining popular healing techniques the book also explores the changing nature of the medical marketplace and how once standard treatments e g leeching psychoanalysis have had their ups and downs The book comprises five chronological sections covering time periods from pre 1900 to the present

Immersion Ted Conover, 2016-10-24 Over three and a half decades Ted Conover has ridden the rails with hoboes crossed the border with Mexican immigrants guarded prisoners in Sing Sing and inspected meat for the USDA His books and articles chronicling these experiences including the award winning Newjack Guarding Sing Sing have made him one of the premier practitioners of immersion reporting In immersion reporting a literary cousin to ethnography travel writing and memoir the writer fully steps into a new world or culture participating in its trials rites and rituals as a member of the group The end results of these firsthand experiences are familiar to us from bestsellers such as Nickel and Dimed and Behind the Beautiful Forevers But in a world of wary strangers where does one begin Conover distills decades of knowledge into an accessible resource aimed at writers of all levels He covers how to get into a community how to conduct oneself once inside and how to shape and structure the stories that emerge Conover is also forthright about the ethics and consequences of immersion reporting preparing writers for the surprises that often surface when their piece becomes public Throughout Conover shares anecdotes from his own experiences as well as from other well known writers in this genre including Alex Kotlowitz Anne Fadiman and Sebastian Junger It's a deep in the trenches book that all aspiring immersion writers should have in hand as they take that first leap into another world

Early '70s Radio Kim Simpson, 2011-07-21 Early 70s Radio focuses on the emergence of commercial music radio formats which refer to distinct musical genres aimed toward specific audiences This formatting revolution took place in a period rife with heated politics identity anxiety large scale disappointments and seemingly insoluble social problems As industry professionals worked overtime to understand audiences and to generate formats they also laid the groundwork for market segmentation Audiences meanwhile approached these formats as safe havens wherein they could re imagine and redefine key issues of identity A fresh and accessible exercise in audience interpretation Early 70s Radio is organized according to the era's five prominent formats and analyzes each of these in relation to their targeted demographics including Top 40 soft rock album oriented rock soul and country The book closes by making a case for the significance of early 70s formatting in light of commercial radio today

Masterpieces of Beat Literature Michael J. Dittman, 2006-12-30 The writers of the Beat Generation wrote during a particularly chaotic period in modern history They responded to the threat of the nuclear age the anti Communist hysteria that gripped America and the cultural pressure to

conform to social conventions Written for students and general readers this book examines 7 masterpieces of Beat literature Periods of cultural conflict often give birth to remarkably creative literary works The writers of the Beat Generation wrote during a particularly chaotic time in modern American history as they confronted the threat of a nuclear war the rise of anti Communist hysteria and the growing pressure to conform to social conventions They drew upon the works of jazz musicians anarchist poets and others to create an enormously influential and popular body of writing This book is a guide to their achievement

The Essential Ellen Willis Ellen Willis, 2014-04-23 Out of the Vinyl Deeps published in 2011 introduced a new generation to the incisive witty and merciless voice of Ellen Willis through her pioneering rock music criticism In the years that followed Willis s daring insights went beyond popular music taking on such issues as pornography religion feminism war and drugs The Essential Ellen Willis gathers writings that span forty years and are both deeply engaged with the times in which they were first published and yet remain fresh and relevant amid today s seemingly intractable political and cultural battles Whether addressing the women s movement sex and abortion race and class or war and terrorism Willis brought to each a distinctive attitude passionate yet ironic clear sighted yet hopeful Offering a compelling and cohesive narrative of Willis s liberationist transcendence politics the essays among them previously unpublished and uncollected pieces are organized by decade from the 1960s to the 2000s with each section introduced by young writers who share Willis s intellectual bravery curiosity and lucidity Irin Carmon Spencer Ackerman Cord Jefferson Ann Friedman and Sara Marcus The Essential Ellen Willis concludes with excerpts from Willis s unfinished book about politics and the cultural unconscious introduced by her longtime partner Stanley Aronowitz An invaluable reckoning of American society since the 1960s this volume is a testament to an iconoclastic and fiercely original voice

We're Not Here to Entertain Kevin Mattson, 2020 Kevin Mattson offers a history of punk rock in the 1980s He documents how kids growing up in the sedate world of suburbia created their own culture through DIY tactics Punk spread across the continent in the 1980s as it found expression in different media including literature art and poetry Punks dissented against Reagan s presidency accusing the entertainer in chief of being mean and duplicitous especially when it came to nuclear war and his policies in Central America Mattson has dived deep into archives to make his case that this youthful dissent meant something more than just a style of mohawks or purple hair

Cold War Captives Susan L. Carruthers, 2009-10-13 This provocative history of early cold war America recreates a time when World War III seemed imminent Headlines were dominated by stories of Soviet slave laborers brainwashed prisoners in Korea and courageous escapees like Oksana Kasenkina who made a leap for freedom from the Soviet Consulate in New York Full of fascinating and forgotten stories Cold War Captives explores a central dimension of American culture and politics the postwar preoccupation with captivity Meticulous the calculated destruction of individual autonomy struck many Americans as a more immediate danger than nuclear annihilation Drawing upon a rich array of declassified documents movies and reportage from national security directives to films like The Manchurian Candidate his

book explores the ways in which east west disputes over prisoners repatriation and defection shaped popular culture Captivity became a way to understand everything from the anomie of suburban housewives to the slave world of drug addiction Sixty years later this era may seem distant Yet with interrogation techniques derived from America s communist enemies now being used in the war on terror the past remains powerfully present **Crooning** John Gregory Dunne,2013-12-12 Funny outrageous cynical and spellbinding People magazine In this first ever digital edition of John Gregory Dunne s acclaimed collection Crooning readers find evidence from the get go confirming the writer s reputation as one of the most clear seeing incisive observers of the American cultural and political scene In sixteen sharp distinctively voiced essays Dunne profiles a blacklisted Hollywood screenwriter who three decades later passed himself off as a young Chicano novelist considers the Kennedy men and conservative William F Buckley takes us inside California s labyrinthine water politics and criminal justice system details the workings of the Los Angeles county morgue and is on the ground observing in Jerusalem just weeks before the intifada enveloped the West Bank and Gaza Strip in 1987 Here too are superbly entertaining accounts of the Hollywood star system and studio machine Dunne drawing on two decades of experience as an L A based journalist and fiction writer with regular forays into screenwriting He is candid and insightful about the business of writing and life of the dedicated writer as well In Laying Pipe Dunne chronicles the five year experience of writing his epic novel The Red White and Blue And in Critical he focuses on book reviews and reviewers from his perspective as an author who along with manifold strong notices also received the occasional critical knock He names names and takes the opportunity to fire back at one of his critics Early in Crooning Dunne tells us that when he tires of the writing grind he fantasizes about being a Johnny Mercer like crooner then reveals a moment later that he is tone deaf The title then is playful and in more than one way Instead of writing sweet narrative melodies Dunne built his career through work that exposes challenges thrums with opinion and bristles with spiky knowing humor Download Crooning and dive into a book of provocative reportage great stories and witty vigorous prose

Mauve Gloves Madmen Clutter 1st Edition Signed Introduction

In today's digital age, the availability of Mauve Gloves Madmen Clutter 1st Edition Signed books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Mauve Gloves Madmen Clutter 1st Edition Signed books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Mauve Gloves Madmen Clutter 1st Edition Signed books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Mauve Gloves Madmen Clutter 1st Edition Signed versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Mauve Gloves Madmen Clutter 1st Edition Signed books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Mauve Gloves Madmen Clutter 1st Edition Signed books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Mauve Gloves Madmen Clutter 1st Edition Signed books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them

accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Mauve Gloves Madmen Clutter 1st Edition Signed books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Mauve Gloves Madmen Clutter 1st Edition Signed books and manuals for download and embark on your journey of knowledge?
