Fascinating Stories of Forgotten Lives Charles R. Swindoll, 2011-12-21 Join pastor and bestselling author Charles Swindoll as he explores the lives of 13 biblical hidden figures whose stories have remained in the shadows of history for long enough Somehow life has taught us poorly We re trained to think that the most significant people are star athletes actors and musicians the ones we applaud those whose autographs we seek or those who have worldly fame But Swindoll teaches us that most often the people really worth noting are those who turn from a nobody into a somebody but never receive credit Fascinating Stories of Forgotten Lives reminds us of a core truth success in God s kingdom and in the church depends upon faithful people the public rarely knows The Old Testament contains numerous fascinating stories of forgotten lives unsung heroes whose actions sacrifices or battles failed to ascribe them worldly applause These great lives however reveal significant people whom God honors in the pages of His Word and therefore deserve our serious attention and emulation From the misfortunes of Esau to the bravery of Abigail each of these unlikely heroes has four unique elements in common A selfless sense of devotion A mission A love of harmony A contagious joy Join Swindoll in this eighth volume of the bestselling Great Lives from God s Word series as he examines little remembered Bible characters and events helping you discover biblical principles and practical applications for living so that you can be who you already are in God s eyes a person of true significance

Just Choose Happiness Nell W. Mohney, 2010-10-01 Nell W Mohney adapted from the Introduction In seminars I have conducted over a thirty year period I have discovered that the quality most wanted by Americans is happiness Many of those seminar participants drove to the seminars in luxury cars and they looked well fed and well dressed Yet individually they often expressed disappointment with life and admitted to having a feeling of emptiness They wanted and even felt entitled to more happiness I am one of those who truly believe that the basic answer to happiness is a spiritual one We are made for God and as Saint Augustine said Our hearts are restless til they rest in thee All parts of our personalities are drawn to wholeness and happiness when Christ is resident within In studying the life of Christ I remembered that although Jesus was a man of sorrow and acquainted with grief more than anything else he was a person of joy and happiness Even his
