Rushford, 2017-06-29 Now I Lay Me Down to Sleep Helen Bradley ex cop grandmother and travel writer learns that a prominent gerontologist has been murdered When the doctor's widow also dies Helen checks herself into a convalescent home to discover the truth surrounding the mysterious deaths Edgewood Manor is the perfect place for Helen to recover from a gunshot wound and do a little detective work Good plan as long as she doesn't die in her sleep **As Good as Dead** Patricia H. Rushford, 2005 A story of suspense and intrigue this is the exciting and captivating conclusion to the Angel Delaney Mysteries **Deadly Aim (Angel Delaney Mysteries Book #1)** Patricia H. Rushford, 2004-02-01 Patricia Rushford kicks off a thrilling new crime series set in the cozy coastal hamlet of Sunset Cove Oregon Featuring determined police officer Angel Delaney the first episode is sure to have armchair sleuths turning the pages as fast as they can to discover whodunit When a police shootout results in the death of a 12 year old boy Officer Angel Delaney is blamed convicted and condemned by the media and the Sunset Cove community before the case even goes to trial Angel will have her day in court but before she has the chance to defend herself the situation spirals out of control Key evidence is missing evidence that could have verified her claim of firing only one shot in self defense In short order the body count rises and suddenly Angel is a suspect in more than one murder investigation Heartsick about the young boy's death and questioning her judgment as a police officer Angel joins forces with Detective Callen Riley to fight the mounting charges against her **Sins of the Mother** Patricia H. Rushford, 2003-08 Popularity and fame have created a glimmering facade in Shanna O Brian's world but when the spotlight fades even her success fails to penetrate the darkness of reality Faced with the heartrending loss of her mother and the man who fashioned her country music career Shanna must return to the place where her dreams have been both nurtured and shattered Morningsong Estates Upon the death of his father Shanna's ex husband Joshua Morgan is now in control of her record label and proclaims to her that he loves her still This unsettling revelation coupled with Shanna's need to reclaim possession of a life she has too often surrendered to others leads her down a path of self discovery that is cruelly threatened by unseen forces Can the mayhem surrounding Shanna be resolved despite her fledgling faith in herself her God and the man determined to redeem her trust **Contemporary Christian Authors** Janice DeLong, Rachel E. Schwedt, 2000 Finally a summary section provides a brief synopsis of at least one title representative of the author's style and several of the writers have provided personal annotations of their works **BOOK JACKET** *Mystery Women, Volume Three (Revised)* Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to

compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 What Kids Need Most in a Mom Patricia H.
