Divine Witness Ryan Seek,2014-03-25 BLURB At first Nick and Trevor believe that solving a thirty year old mystery should be easy even for two twelve year old boys Using Nick s psychic visions of the crime they decide to piece together enough clues to identify the killer and capture the 10 000 reward It soon becomes apparent that the boys are digging up bones that others would prefer remain buried and soon the harassment begins EXCERPT Looks like a girl s shirt alright Nick agreed Probably just an old box of clothes Trevor replied bending down He began pulling at the fabric breaking loose bits of soil He stretched the cloth straight into a shape that was unmistakably a girl s blouse with lacing on the front From the fabric something dropped and hit the ground with a muffled clink What was that Nick asked Trevor reached out and picked up the object brushing at the clinging mud He turned it around in his fingers Looks like a bracelet Let s go wash it off in that puddle back there Moments later Nick watched on as Trevor shook the bracelet in a few inches of standing water He wiped it off on his already soiled shirt and held it up in the sunlight A metal plaque at the center of the jeweled loop glistened with the reflection On either side of the plaque were various small turquoise ruby and agate stones held together by a flexible twisted gold band It s personalized Trevor said WENDY Pretty cool huh Yeah pretty cool For a ladies bracelet anyway Trevor nodded He was staring at the nameplate on the bracelet when his eyes suddenly widened Watching him Nick thought he saw a light bulb go on above his buddy s head Uh oh Nick said Dude I can give this to Wendy Burkhalter I wanna get into her pants so bad Buddy she s so far out of your league it s not funny Hey you never know With a beautiful bracelet like this maybe I could win her heart Well I guess you could give it a shot But even if you do win her heart I wouldn t advise getting in her pants just yet Why not You wouldn t know what to do with what you found in there Nick razzed him I would too How do you know Remember Out in my dad s shed Trevor grinned like a fool his eyebrows dancing up and down on his forehead Nick chuckled at the memory

Pun(k) Deconstruction Jan Jagodzinski, 2018-12-07 In *Postmodern Dilemmas* *Outrageous Essays in Art* *Art Education and Pun(k) Deconstruction* *Experifigural Writings in Art* Jan Jagodzinski presents a series of essays covering a timespan of approximately ten years These essays chart the theory and practice of art education as it relates to issues of postmodernity and poststructuralism concerning representation identity politics consumerism postmodern architecture ecology phallocentrism of the artistic canon pluriculturalism media and technology and AIDS As a former editor of *The Journal of Social Theory in Art Education* and a founding member for the Caucus on Social Theory in Art Education the author attempts to deconstruct the current art education paradigm which is largely based on modernist tenets and to reorient art education practice to social issues as developed in both media education and cultural studies Part of the intent in these two volumes is to undertake a sustained critique of the 1982 *Art in the Mainstream* A I M statement which continues to be considered as the core value for art education The distinct intention of this critique is to put forward a new value base for art education in these postmodern times Many of the essays raise the need to be attentive to sex gender issues in art education and the need to read the artistic discourse otherwise There is a sustained critique of the art programs developed by the Getty Center for the Arts whose arts curriculum presents the paradigm case of late modernist thinking Some essays are written in a provocative form that tries to accommodate such content This is particularly the case in *Pun(k) Deconstruction* where architectural discourse is deconstructed and which includes an artistic performance given by the author in 1987 This singular set of volumes combines scholarship in the areas of gender studies aesthetics art history art

Downey,2022-03-17 Viewers of films and television shows might imagine the dude ranch as something not quite legitimate a place where city dwellers pretend to be cowboys in amusingly inauthentic fashion But the tradition of the dude ranch America s original western vacation is much more interesting and deeply connected with the culture and history of the American West In American Dude Ranch Lynn Downey opens new perspectives on this buckaroo getaway with all its implications for deciphering the American imagination Dude ranching began in the 1880s when cattle ranches ruled the West Men and a few women left the comforts of their eastern lives to experience the world of the cowboy But by the end of the century the cattleman s West was fading and many ranchers turned to wrangling dudes instead of livestock What began as a way for ranching to survive became a new industry and as the twentieth century progressed the dude ranch wove its way into American life and culture Wyoming dude ranches hosted silent picture shoots superstars such as Gene Autry were featured in dude film plots fashion designers and companies like Levi Strauss Co replicated the films western styles and novelists Zane Grey and Mary Roberts Rinehart moved dude ranching into popular literature Downey follows dude ranching across the years tracing its influence on everything from clothing to cooking and showing how ranchers adapted to changing times and vacation trends Her book also offers a rare look at women s place in this story as they found personal and professional satisfaction in running their own dude ranches However contested and complicated western history is one of America s national origin stories that we turn to in times of cultural upheaval Dude ranches provide a tangible link from the real to the imagined past and their persistence and popularity demonstrate how significant this link remains This book tells their story in all its familiar eccentric and often surprising detail **Mono** David Carle,2010-11-11 Between 1934 and 1941 the City of Los Angeles sent 2 000 men to work on aqueducts and an 11 mile tunnel beneath volcanic craters in the Mono Lake Basin of the Eastern Sierra MONO tells the story of fish biologist Justin Hearth as he surveys the waters of the Mono Lake watershed falls in love with that landscape and also with Alisa Stohler Her family had been forced from a farm in the Owens Valley in 1930 and is now caught up in changes brought by the distant city s unending thirst for growth This story explores the minds and hearts of a generation shaped by the Great Depression and facing the threat of world war MONO confronts the question What were they thinking back then as choices were made that endangered Mono Lake and its tributary streams *Location Filming in Arizona* Lili DeBarbieri,2014-03-11 The scenic natural vistas of Arizona s deserts and mountains have made it a favorite backdrop of movies and television shows Westerns such as silent era pictures derived from Zane Grey fiction through the John Ford John Wayne classics Stagecoach and The Searchers benefited from the beautiful and rugged landscapes TV classics such as Gunsmoke and Little House on the Prairie helped define Arizona s allure for Hollywood Oscar winners Jerry Maguire and Little Miss Sunshine took advantage of the infrastructure that accumulated to lure filmmakers to Tucson Yuma

Signals Tim Gautreaux, 2017-01-17 A widely celebrated novelist gives us a generous collection of exhilarating short stories proving that he is a master of this genre as well. Once again he reminds us, wrote The Miami Herald, that great writing is a timeless art. After the stunning historical novels *The Clearing* and *The Missing*, Tim Gautreaux now ranges freely through contemporary life with twelve new stories and eight from previous collections. Most are set in his beloved Louisiana, many hard by or on the Mississippi River, others in North Carolina and even in midwinter Minnesota. But generally it's heat, humidity, and bugs that beset his people as they wrestle with affairs of the heart, matters of faith, and the pros and cons of tight-knit communities. A remarkable cast of characters, primarily of the working class, proud and knowledgeable about the natural or mechanical world, their lives marked by a prized stereo or a magical sewing machine, retrieved from a locked safe, boats and card games, and casinos, grandparents and grandchildren, and those in between, their experiences leading them to the ridiculous or the scarifying or the sublime, most of them striving for what's right and good, others tearing off in the opposite direction.

Reconsidering Regions in an Era of New Nationalism Alexander Finkelstein, Anne Farrar Hyde, 2023 Regions connect and divide us even as global economies weather and germs batter us. Historians, literary scholars, and social scientists use region to ground and challenge ideas about national belonging. In *Reconsidering Regions in an Era of New Nationalism*, Alexander Finkelstein and Anne F. Hyde have assembled leading scholars of regionalism to discuss the relationship of region to nation. The contributors explore how historical forces have changed regional associations and how regional associations have changed culture and history. The themes of culture, space, and institutions organize this volume; contributors historicize how race and racial thinking have evolved as a major force to define region and nation over time; the essays raise questions about the stability and validity of canonical regions in U.S. history; to find new complexity in how these blocs form and how they understand themselves; and they focus on historicist and conjunctural trends in how institutions and ordinary people conceive regions through political and cultural processes over time. Challenging ideas about both national belonging and local association, the contributors emphasize how regional analysis deepens understanding of migration, race, borders, infrastructure, climate, and Native sovereignty.
