mind **Fit at Last** Ken Blanchard, Tim Kearin, 2014-01-06 If you're like a lot of us for years you've been making resolutions and promises about becoming physically fit. Despite all your good intentions though somehow it never quite goes according to plan. But you can break that cycle. In *Fit at Last* bestselling business author Ken Blanchard and fitness authority Tim Kearin show how Ken at age seventy-three finally was able to make lasting improvements in his health and fitness including dropping over thirty pounds in a year. In each chapter Ken shares the very personal story of his ups and downs involving among other things a puppy, a Hawaiian tour, a bus full of widows and a fifty-year college reunion while Tim offers expert advice and wisdom gained from over forty years in the fitness industry. Following through on your efforts to get fit requires leadership, personal leadership. Early on Ken realized the same concepts he'd been using for years to help people lead organizations also could help him stick to his program. Here you'll learn how Ken and Tim applied the Situational Leadership II approach to set SMART goals, diagnose Ken's progress in each of the six core areas of fitness and match them with the leadership styles necessary to get Ken to the next level in each area. Certainly there is a wealth of excellent fitness advice here but ultimately this is a book about commitment. People don't fail because they don't know what to do; they fail because they just don't do it. Using the tools in this book you'll be able to move from simply being interested in fitness to making a lasting commitment, one that will add a spring to your step, a smile to your face and years to your life. *The On-Time, On-Target Manager* Ken Blanchard, Steve Gottry, 2009-03-17 The author of the phenomenal New York Times bestselling classic *The One Minute Manager* explores one of the most common and insidious problems plaguing the workplace: procrastination. In every workplace in every industry lurks a diabolical career killer: Procrastination. In this latest addition to his bestselling series Ken Blanchard tackles this problem head-on, offering practical strategies any professional can immediately put into practice to improve his or her performance. In *The On-Time Manager* he tells the story of Bob, a typical middle manager who tends to put things off until the last minute. As a result he misses deadlines because his lack of focus causes him to accomplish all the meaningless tasks before he can get to the important things. Like many professionals Bob rationalizes, justifies and tries to explain. With his trademark clarity and vision Blanchard shows how Bob learns to overcome his problem, transforming himself from a Last Minute manager into a productive On-Time manager. *The Leadership Pill* Kenneth Blanchard, Marc Muchnick, 2012-12-11 How can you become a more successful manager, a stronger team leader and a motivator who gets the best results from a group? Ken Blanchard's inspiring new book provides the answer. In a beguiling, sometimes humorous fashion *THE LEADERSHIP PILL* conjures up a tantalizing possibility: What if there was a pill that could stimulate the natural powers of the mind and body to provide leadership? In the story an amazing new pill heightens one leader's powers but contains the wrong ingredients, stimulating him in a short-sighted direction. He is coercive, obsessed with immediate results and drives his team relentlessly until, after a brief spike in performance, they suffer early burnout. In contrast the Effective Leader, working without a pill, inspires and supports his team. He supplies the right ingredients, earning

the respect and trust of his team with a blend of integrity partnership and affirmation Ultimately it is recognised that there is more to effective leadership than a wonder pill Destined to be a transforming experience for thousands of readers THE LEADERSHIP PILL shows how to apply the right techniques no matter how pressured a business situation Who Killed Change?
