**Knitting Words** Prachita Arora, 2022-02-26 Knitting Words is an anthology compiled by Prachita Arora. It is a collection of beautiful write ups from 15 different authors. Knitting generally means joining something closely together with immense love and efforts. Hence knitting words describes joining words to make a beautiful piece of art from Love. Hopefully the beautiful anthology must find its way to get home in everyone's heart.

**The Protector** Alexis Winter, She might have control over my body but she'll never have my heart. I've been to hell and back during my time in the Special Forces. But only one woman has brought me to my knees and I was just hired to protect her. Billionaire heiress Blaire Hanson. A blonde walking pilates ad with perfect skin, a designer wardrobe and a fierce desire to prove herself. Not to mention my little sister's best friend. She and I got off on the wrong foot the first time we met and the day after we both woke up on the wrong side of the bed, her bed. But now that she's my client, those days are behind us. No matter how much my body aches to remember her. I thought babysitting the princess was going to be the hardest part of this job until her father is taken hostage, leaving her to take control of the company and my security firm to negotiate with the kidnappers. There's one problem in order to gain control of the board and the finances she has to be married. With time running out and her father's life and legacy on the line, I step up to the altar. But the moment I start to see hope in her eyes, I'm reminded that in this game, falling in love with your client can end in a deadly tragedy. Something I learned the hard way. At the end of the day, only one thing is going to keep her alive, reminding myself that she is just a job. Not happily ever after.

**Olympica** Cyreen Audel, 2009-01-15 Seven unusual, distinctive, sometimes passionate stories appearing unrelated will give you a new perspective of the modern Olympics. From the views of the athletes, the spectators, the reporters, the coaches or the administrators, discover what the Olympics could be in the future. Dare to jump into a new life with novel perspectives and hopes or lack thereof. Will our lives be so different? Will our goals and ambitions be altered? What will we live for? What will be driving us? Is the Olympics then of any value, protecting us from complacency, boredom? Or does it prevent us from moving to a higher consciousness level and to progress further? These are all questions that we dare not ask ourselves today. But the time might come. Through these short fictional stories, you will be challenging your mind for an answer. Is there a purpose for the Olympics today and in the future? Maybe. But is there also an answer to the purpose of life in the near future when we hope current conflicts, social differences will somewhat disappear and when new technologies will truly help us live better lives?

**The Hotel Years** Joseph Roth, 2015-09-03 The first overview of all Joseph Roth's journalism traveling across a Europe in crisis, he declares, "I am a hotel citizen, a hotel patriot." The Hotel Years gathers sixty-four feuilletons on hotels, pains and pleasures, personalities and the deteriorating international situation of the 1930s. Never before translated into English, these pieces begin in Vienna just at the end of the First World War and end in Paris near the outbreak of the Second World War. Roth, the great journalist of his day, needed journalism to survive. In his six-volume collected works in German, there are three of fiction and three of journalism. Beginning

in 1921 Roth wrote mostly for the liberal Frankfurter Zeitung who sent him on assignments throughout Germany the inflation the occupation political assassinations and abroad to the USSR Italy Poland and Albania And always I celebrate my return to lobby and chandelier porter and chambermaid      **Traded Blood** C.A. Miller,2017-09-26 White lies Every parent tells them Without a second thought every child forgives them Yet what if those same white lies became something bigger Something dangerous Life changing Nyla Stevenss modest life humble dreams and fabricated world are shattered as she comes to find her parents have sold her and her brother as new blood Their immortality now rests upon Nylas betrothal and subsequent fall to darkness      **Carry On, Oh My Soul** Amanda Vittitow,2008-08-01 Morgan Huntley had always considered herself plain kind of a nerd certainly conservative Jeremiah Martin was gorgeous popular outgoing and passionate about baseball How on Earth did the stars of these two polar opposites intertwine No one can say but it was a love like legends are made of When Jeremiah s dream of a professional baseball career rises he risks throwing it all away for her but Morgan sacrifices her own passionate love so he can pursue his dream Morgan marries Will Tomlin whose charm and wit fade quickly to reveal a dark abusive past Will s demons haunt the relationship and Morgan finds herself the victim of emotional and physical abuse that culminates in a tragic and fatal showdown Widowed and alone Morgan must pick up the remnants of her life When Jeremiah returns Morgan wonders if she can ever truly love again Amanda Vittitow presents a dramatic portrayal of the light and dark sides of love in Carry On Oh My Soul      American Revenge Narratives Kyle Wiggins,2018-07-21 American Revenge Narratives critically examines the nation s vengeful storytelling tradition With essays on late twentieth and twenty first century fiction film and television it maps the coordinates of the revenge genre s contemporary reinvention across American culture By surveying American revenge narratives this book measures how contemporary payback plots appraise the nation s political social and economic inequities The volume s essays collectively make the case that retribution is a defining theme of post war American culture and an artistic vehicle for critique In another sense this book presents a scholarly coming to terms with the nation s love for vengeance By investigating recent iterations of an ancient genre contributors explore how the revenge narrative evolves and thrives within American literary and filmic imagination Taken together the book s diverse chapters attempt to understand American culture s seemingly inexhaustible production of vengeful tales      **Vengeful Victims** Ken Havlicek,2011-01-25 This book is about a group of older apartment dwellers whose lives are all about to be turned upside down in a matter of weeks The trouble starts when a much younger crowd begin harassing the old folks on Archer lane Every single day brings more problems as the young punks cross paths with all of the elderly victims in this modern day novel The police just can t seem to do a thing so now all of the old retirees must all come together just to try and beat these thugs at their own game Follow all of the twists and turns as each old couple plan their next move on this crazy roller coaster ride In the end who will prevail Will it be the young hoodlums from down the road or all of the old people just trying to find some peace and quiet in the short time that they still have left      *Book of Dreams: Science Fiction and*

*Speculative Fiction Short Stories* VICTOR D. LOPEZ, 2011-07-11 What price would you pay to revisit a crossroad in your life when you had made a terrible life altering mistake Would you give up an unfulfilled life for the chance of virtual happiness in a computer generated alternate reality Would you sacrifice everything if you could attain absolute knowledge If so could you live with the knowledge you attained It is said that no person is an island but what if even the least among us is a god in his her own right If an alien visitor offered you a lifetime of health and the gift of telepathy in exchange for a small service would you be quick to accept And if consciousness utilizes only a small portion of our brain what function does the larger presumably unused portion actually serve These are some of the questions explored in this collection of science fiction and speculative fiction short stories that probes the interrelationship between dreams and reality the nature of reality itself and the dangers attendant to the single minded pursuit of wish fulfillment with its attendant unexpected and unwanted consequences Most of the short stories published here were written and revised over a period of more than thirty years 1977 2011 and with the exception of *To Sleep Perchance to Dream* have not been previously published The author is an Associate Professor of Legal Studies at Hofstra University s Frank G Zarb School of Business and has previously published seven non fiction books through traditional publishers His business law and legal environment textbooks have been used in colleges and universities throughout the United States since 1993 This is his first fiction collection

*New Year at the Boss's Bidding* Rachael Thomas, 2016-01-01 Moretti s by midnight Jilted bride Tilly Rogers hopes her luck is changing when she s offered a prestigious catering contract for billionaire businessman Xavier Moretti s New Year s Eve party But then she ends up snowbound alone with her boss and at his bidding It s the end of the year and the end of Tilly s contract which leaves Xavier free to seduce her at his will Hardly shy of a challenge this notorious playboy makes it his resolution to have virgin Tilly crumbling by his experienced touch Before the snow settles Xavier is determined to have Tilly under a brand new set of tantalizing terms

**Zamalek** Chafika Soliman Hamamsy, 2005 Between the reign of Muhammad Ali Pasha 1805 48 and the end of the Second World War a dramatic transformation of the Egyptian sociopolitical scene took place particularly within the confines of the ruling class During that period and owing in large measure to Muhammad Ali s reforms a new class system emerged with its revised gradations from lower to upper strata The central concern of this book is the change that took place in upper class Egyptian society from a staunch conservatism toward more westernized liberal norms in the hundred years spanning the turn of the nineteenth century The district of Zamalek on the Nile island of Gezira became for a variety of reasons the preferred neighborhood for a fast growing rapidly evolving upper middle class and by the mid 1920s it had become the abode of an elite group whose way of life was manifestly more westernized than that of its predecessors Zamalek was the focal point of social change and its elite role models actively engaged in the creation of these new social norms By following the lives of one family this book describes how these people lived interreacted and changed often under the impetus of international events and looks at some of the

beliefs and traditions upon which their life was based As Egypt enters the twenty first century with a noticeable reappearance of the veil and an apparent return to the values of the past this account by someone who grew up within that group is a timely examination of the social westernization of twentieth century Egypt the forces that led to it and the events that made it possible

Thomas Jefferson and William Wilberforce were born at a time of great dangerous challenges where unprecedented revolutions in thought governments worldview and culture swept in Their lives from their beginning tragedies down to their calling and early commitments to end slavery make their stories even more amazing Powerfully formed as leaders by exceptional mentors and lifelong supporters they were sustained in their difficult journeys through several critical forks While each experienced the early failure to abolish slavery eventually one man backed away from his responsibility while the other became a globally recognized leader of mercy to the oppressed Why the so called tyrant monarchy England was led to dissolve slavery peacefully and why the first democracy formed in liberty wasted six hundred thousand lives for the same end remains a conundrum to this day Even more puzzling is why despite fierce opposition Wilberforce persisted to lead this victory while Jefferson failed to do so This even deeper question reveals much about the power of purpose of beliefs worldviews and what constitutes true success In the end their competing stories produce valuable lessons apt for our equally perplexing times Whether an aspiring young leader one who seeks to shape the next generation or a student of history the reader will find here answers to important questions we all share For those interested in further resources for leadership development worldview history finishing well and other themes from this book visit the website at <http://crossedlives.org>

**The Limbo Lounge** Saul Ashes,2024-09-23 In The Limbo Lounge things don't always add up and that's exactly how it likes it The atmosphere is thick with unsaid truths and the drinks They're strong enough to wash down memories you weren't

planning on revisiting Here the quiet moments stretch on just a bit too long and the conversations take you places you weren't prepared to go It's a space suspended in time where nothing needs to make sense yet everything does in its own way This isn't your typical supernatural thriller there's no mad dash to uncover a dark secret or a sudden heart stopping revelation Instead it's a slow burn the kind that makes you question what's real and what's been lurking under the surface all along The mood leans more into the world of dark fantasy mystery pulling you in with every quiet exchange every lingering glance There's a story behind every face but don't expect to get the full picture right away If at all The tension here is built from paranormal suspense the kind that doesn't need loud noises or sudden shocks to unsettle you It's there in the details the flicker of a light the way the air shifts when someone enters the room This is a place where you feel like you've been here before even if you know you haven't And it's that creeping familiarity that keeps you on edge For those who appreciate their mystery novels with a sharp edge and a touch of irony The Limbo Lounge delivers The real mystery isn't in the place itself but in the people you meet there and the parts of yourself that you might be avoiding So take a seat order a drink and see how long you can hold onto the comfortable lies you've been telling yourself
