Only Begotten Daughter:

Only Begotten Daughter James Morrow, 2013-08-20 The World Fantasy Award winning novel of a female deity trying to save a modern world gone mad Invites comparisons with Vonnegut and even Rushdie The Washington Post Rejoice A new messiah has come and her name is Julie Born to Murray Katz the solitary and celibate keeper of an abandoned lighthouse on the Jersey shore our protagonist arrives on Earth boasting supernatural abilities evocative of her divine half brother Jesus As a child she revels in her talent for walking on water resurrecting dead crabs and treating fireflies as luminous alphabet blocks But after she reaches adolescence her life becomes as challenging and ambiguous as any mortal s Not only is Julie Katz obliged to deal with a silver tongued devil and self righteous neo Christian zealots she must also figure out what sort of mission her mother the female Supreme Being has in mind for her At once outrageous and affirming this Nebula Award finalist is a magnificent work of contemporary satire that holds a mirror up to human nature astutely reflecting our species failings foibles and often misguided affections

The Schism of Unification Church and the Tree of Life Jongsuk Kim, 2024-07-02 This book The Schism of Unification Church and the Tree of Life Part I is a revised version of the 4th volume of the History of the Korean Messianic Movement published in 2016 and contains the core of the extensive data used in the 5th volume A Study of the Canonization the Unification Movement 2017 the 6th volume Unification Church and the Phenomenon of the Only Begotten Daughter 2017 the 7th volume The Veritable Records of Unification Church Schism 2021 and the 8th volume The only begotten daughter phenomenon seen from the Unification Principle 2023 This book also contains content not covered in the first edition and the changed situation of Unification Church since 2016 Nonetheless I put the word part 1 in the title because the detailed story of the schism of Unification Church after the founder s Seunghwa which could not be contained in this book on the page will be covered soon in the other book The reason why I titled this book The Schism of Unification Church and the Tree of Life is that although the division of the Unification Movement caused by the failure of Han Hak ja to do her responsibilities led to tragic results providence and anti providence principle and non principle good and evil were distinguished during the process of division and certainly the Unification Movement will soon be overcome and enter the path of revitalization by the Tree of Life of the heavenly lineage that has risen from the dead This book focused on comparing the identities and deeds of the major figures identified in the process of Unification Church s split namely Han Hak ja Moon Hyung jin and Moon Hyun jin based on the identity of the founder and the Unification Principle which is the core teaching Through this book readers will be able to accurately understand the causes processes and consequences of Unification Church schism and will be able to predict the future In the conclusion of the first edition I mentioned that the phenomenon of Han Hak ja s only begotten daughter is a new religious phenomenon with a different identity from the phenomenon of Unification Church of the founder Although divided I predicted that Unification Church would not collapse but would go the path of revitalization and that the third son of the founder Moon Hyun jin would lead the

revitalization In retrospect my prediction was correct to some extent Han Hak ja who was the cause of the schism in Unification Church became one with the fallen archangel figures who destroyed the providence of the True Family and created a new religion to worship the only begotten daughter Heavenly Parents Holy Community which clashed with the Unification Principle On the other hand Moon Hyun jin who was expelled from the Unification Movement by Han Hak ja and the anti Moon Hyun jin forces who tried to wipe out his providential mission won nearly a decade of persecution and more than 30 lawsuits and declared that he would re establish the ideal of the True Family and True Parents which had been incomplete due to the fall of Han Hak ja and dedicate the original Foundation Day before Heaven As time passes the inner story and truth of Unification Church schism will become clearer I wrote this book from both the perspectives of a new religion researcher an objective observer and an insider a believer The collection and analysis of data to understand the facts and inner story of the incident was done from the perspective of an observer and the internal causes of Unification Church split changes in identity and doctrine and the nature and religious significance of various events and situations that are difficult to understand for a simple observer was described from an insider s point of view **Only Begotten Daughter** James Morrow,1996-02 Morrow explores the difficulties facing God s twentieth century offspring complete with virgin birth Julie Katz is a New Jersey girl the miracle child of a celibate Jewish recluse whose sperm sample donated to an Atlantic City baby bank spontaneously gestates **The Actual Jesus** Tina Pippin,2025-07-29 This book moves away from the traditional historical and theological studies of Jesus to incorporate a variety of theoretical and material approaches across centuries and diverse global cultures Through fiction and film the connections are made with contemporary issues such as borders asylum seekers farmworker activism colonialism violence misogyny civil war and nuclear proliferation with a focus on the appearances of the actual Jesus in these worlds The Jesus in this study is explored in particular connections with the stories of baptism wilderness experience ascension and apocalypse What is found is often confusing challenging surprising and disturbing like the Jesus of the gospels **The Wine of Violence** James Morrow,2013-08-20 On a distant planet two human societies keep an uneasy equilibrium one nonviolent the other ferocious in this triumphant writing performance Atlantic City Press A fact finding mission has crash landed on a harsh world leaving entomologist Francis Lostwax and physicist Burne Newman marooned The scientists are rescued by a mysterious society whose inhabitants are wholly incapable of murder assault rape or any other form of aggression Protected by a river made of liquid hate the descendants of Quetzalia s original human colonists have devised a strange techno religion that has in turn engendered a culture of total pacifism While Burne undertakes to rid the planet of the savage and menacing brain eaters that flourish beyond the utopia s walls Francis cultivates his romantic feelings for Tez Yon the Quetzalian surgeon who saved his life But the entomologist s obsession with Tez s soul leads him down a dark and twisted path in time confronting him with a terrible dilemma Should he murder the woman he loves to save a society he abhors **Meditation** Alexander Soltys Jones,2010-09 Awaken yourself to find the

peace vitality intuition love joy and the presence of God within you through the practice of meditation In Meditation Where East and West Meet author and longtime meditation expert Alexander Soltys Jones details a unique approach to the art of meditation that will touch your life and nurture your soul Utilizing a goal centered approach Jones details an eight step journey to show you how you can awaken your Diamond Essence your soul Blending the Eastern and Western approaches to meditation Meditation Where East and West Meet directs you from the beginning stages to the final realization in order to reap the many physical and spiritual benefits of meditation This complete guide includes a discussion of the varied methods of meditation and provides an opportunity to practice and proceed at your own pace Meditation Where East and West Meet augmented with many quotes and personal illustrations narrates how the daily practice of meditation is the greatest gift you can give yourself It is the golden road that can lead to loving fulfillment and satisfaction Through this guide Jones encourages you to seek the ultimate goal the union of the spirit with that of the Creator The Continent of Lies James

Dale* Henry MELVILL,1840 **Jairus's Daughter and the Female Body in Mark** Janine E. Luttick,2023-11-17 *Jairus's Daughter and the Female Body in Mark* demonstrates that ubiquitous and significant depictions of children in the literature and material culture of the first century CE shaped the mindsets of the Gospel of Mark's original audience Through a detailed analysis of the story of Jairus's daughter in Mark 5 and of the archaeological remains depicting female children Janine E Luttick reveals how ancient hearers of this story encountered an image of a female child that communicated ideas of hope to Jesus's followers and in turn how readers today can understand the authority of Jesus the domestic structures of early Christianity and the suffering and loss experienced by some early Christians *Our Lady of Unity* Her Community,2018-03-15 Help me help you *Our Lady of Unity* is pleading to all God's children to help her in helping us reached the most difficult and demanding journey to our heavenly homeland A hundred years ago at Fatima Portugal she appeared to the three little children and brought the message of repentance prayer penance and fasting and the whole world paid serious attention when thousands saw the miracle of the spinning sun The miraculous event drove millions back to the church However the new age had strayed adopting a new culture of life contrary to the Gospel leading so many to eternal death She revealed to the community that tens of thousands of souls were lost every single day because of gross negligence in taking

great care of their immortal soul with their refusal to believe and embrace the message of the Gospel As the world closes in of its final phase of existence our Lady with the assistance of her community are working fervently and devoutly for the conversion of Gods wayward children to the true church She is calling all to be baptized in the Name of the Father the Son and the Holy Spirit so one can be integrated to the Body of her Son so salvation is possible She repeatedly warns that no one can come to the heavenly Father except through her Son Our Lady reminded us that through her we can be united with Jesus making us truly a real part of Him But her greatest enemy had deceived billions including Christians by ignoring or marginalizing her intercessory powers to the Triune God To ensure ones salvation it is truly wise to have both Jesus and Mary on our side Reluctant Lovers Elizabeth Chadwick,2014-04-01 A Wild West matchmaker loses her own heart in an

enthraling historical romance from the bestselling author of Elusive Lovers A beautiful woman among the overwhelmingly male population of Breckenridge Colorado Kat Fitzgerald is swarmed with men and their marriage proposals But the young widow s fiery independent spirit makes her impossible to woo Instead she becomes a matchmaker for other couples until a man comes along with the charms to capture her heart Will Kat s stubborn nature make her throw Connor away like all the other suitors or will she find herself succumbing to his dominant will **Confession of a Catholic** Michael Novak,1985

Eighteen years after Vatican II this preeminent Catholic author called to account the values and policy of the Catholic church reevaluating some of the changes that he helped to effect and the impact of these changes on American Catholic life He concluded The world and its church looks far different now in 1983 from its reality in 1965 All is not well Originally published by Harper Row in 1983 **The Biblical Antiquities of Philo** Pseudo-Philo,1917 A Bible history reaching in its present

reaching in its present imperfect form from Adam to the death of Saul It has come to us only in a Latin translation made from Greek and that again from a Hebrew original and by an accident the name of the great Jewish philosopher of the first century Philo has been attached to it Let me say at once that the attribution of it to him is wholly unfounded and quite ridiculous

nevertheless I shall use his name in italics Philo as a convenient short title Its importance lies in this that it is a genuine and unadulterated Jewish book of the first century a product of the same school as the Fourth Book of Esdras and the Apocalypse of Baruch and written like them in the years which followed the destruction of Jerusalem in A D 70 It is thus contemporary with some of the New Testament writings and throws light upon them as well as upon the religious thought of the Jews of its time from the Introduction Linda Lambert,2010-02 Cairo Diary is a riveting historical narrative filled with ancient texts
