Ottoman Diplomacy Conventional Or Unconventional

Colin P. Mitchell

Ottoman Diplomacy Conventional Or Unconventional:

Ottoman Diplomacy A. Nuri Yurdusev, 2004 **Ottoman Diplomacy** A. Nuri Yurdusev, 2016-01-28 This book provides a general understanding of Ottoman diplomacy in relation to the modern international system The origins of Ottoman diplomacy have been traced back to the Islamic tradition and Byzantine Inner Asian heritage The Ottomans regarded diplomacy as an institution of the modern international system They established resident ambassadors and the basic institutions and structure of diplomacy The book concludes with a review of the legacy of Ottoman diplomacy *Islamic Law and Transnational Diplomatic Law* Muhammad-Basheer .A. Ismail, 2016-04-12 This book in its effort to formulate compatibility between Islamic law and the principles of international diplomatic law argues that the need to harmonize the two legal systems and have a thorough cross cultural understanding amongst nations generally with a view to enhancing unfettered diplomatic cooperation should be of paramount priority **Diplomatic Cultures at the Ottoman Court, c.1500-1630** Tracey A. Sowerby, Christopher Markiewicz, 2021-05-24 In the sixteenth century the Ottoman court in Constantinople emerged as the axial centre of early modern diplomacy in Eurasia Diplomatic Cultures at the Ottoman Court c 1500 1630 takes a unique approach to diplomatic relations by focusing on how diplomacy was conducted and diplomatic cultures forged at a single court the Sublime Porte It unites studies from the perspectives of European and non European diplomats with analyses from the perspective of Ottoman officials involved in diplomatic practices It focuses on a formative period for diplomatic procedure and Ottoman imperial culture by examining the introduction of resident embassies on the one hand and on the other changes in Ottoman policy and protocol that resulted from the territorial expansion and cultural transformations of the empire in the sixteenth century The chapters in this volume approach the practices and processes of diplomacy at the Ottoman court with special attention to ceremonial protocol diplomatic sociability gift giving cultural exchange information gathering and the role of para diplomatic actors **The Treaties of Carlowitz (1699)** , 2020-01-20 The Treaties of Carlowitz 1699 includes recent studies on the Lega Sacra War of 1683 1699 against the Ottoman Empire the Peace treaties of Carlowitz 1699 and on the general impact of the conflict upon Modern Europe and the Balkans With its contributions written by well known international specialists in the field the volume demonstrates that sometimes important conflicts tend to be forgotten with time overshadowed by more spectacular wars peace congresses or diplomatic alliances The Long War of 1683 1699 is a case in point By re thinking and re writing the history of the conflict and the subsequent peacemaking between a Christian alliance and the Ottoman state at the end of the 17th century new perspectives stretching into the present era for the history of Europe the Balkans and the Near East are brought into discussion Contributors are Tatjana Bazarova Maurits van den Boogert John Paul Ghobrial Abdullah G ll o lu Zoltan Gy re Colin Heywood Lothar H belt Erica Ianiro Charles Ingrao Dzheni Ivanova Kirill Kochegarov Dariusz Ko odziejczyk Hans Georg Majer Ivan Parvev Arno Strohmeier **French Revolutionaries in the Ottoman Empire** Pascal Firges, 2016-12-22 The effects of the French

Revolution reached far beyond the confines of France itself The Ottoman Empire ancient ally and major trading partner of France was not immune from the repercussions of the Age of Revolutions especially since it was home to permanent French communities with a certain legal autonomy French Revolutionaries in the Ottoman Empire examines for the first time the political and cultural impact of the French Revolution on Franco Ottoman relations as well as on the French communities of the Ottoman Empire The modern interpretation of revolutionary ideological expansionism is strongly influenced by the famous propaganda decree of 19 November 1792 which promised fraternity and help to all peoples who wish to recover their liberty as well as the well studied efforts to export the Revolution into the territories conquered by the revolutionary armies and to the various Sister Republics Against all expectations however French revolutionaries in the Ottoman Empire exhibited neither a crusading mentality nor a heightened readiness to use force in order to achieve ideological goals Instead as this volume shows in matters of diplomacy as well as in the administration of French expatriate communities revolutionary policies were applied in an extremely circumspect fashion The focus on the effects of the French regime change outside of France offers valuable new insights into the revolutionary process itself which will revise common assumptions about French revolutionary diplomacy In addition Pascal Firges takes a close look at the establishment of the new political culture of the French Revolution within the transcultural context of the French expatriate communities of the Ottoman Empire which serves as a thought provoking point of comparison for the emergence and development of French revolutionary political culture

British-Ottoman Relations, 1661-1807 Michael Talbot, 2017 The British Embassy in Istanbul was unique among other diplomatic missions in the long eighteenth century in being financed by a private commercial monopoly the Levant Company In this detailed study Michael Talbot shows how the intimate relation between commercial interest and diplomatic practice played out across the period from the arrival of an ambassador from the restored British crown in 1661 to the sudden evacuation of his successor and the outbreak of the first Ottoman War in 1807 Using a rich variety of sources in English Ottoman Turkish and Italian some of them never before examined including legal documents financial ledgers and first hand accounts from participants he reconstructs the detail of diplomatic practice in rituals of gift giving and hospitality within the Ottoman court examines the at times very different meanings that they held for the British and Ottoman participants and traces the ways in which the declining fortunes of the Levant company directly affected the ability of the embassy to perform effectively within Ottoman conventions at a time when rising levels of British violence in and around the Ottoman realm marked the journey towards British imperialism in the region MICHAEL TALBOT is Lecturer in History at the University of Greenwich

Negotiating Transcultural Relations in the Early Modern Mediterranean Stephen Ortega, 2016-04-22 *Negotiating Transcultural Relations in the Early Modern Mediterranean* is a study of transcultural relations between Ottoman Muslims Christian subjects of the Venetian Republic and other social groups in the sixteenth and seventeenth centuries Focusing principally on Ottoman Muslims who came to Venice and its outlying territories and using

sources in Italian Turkish and Spanish this study examines the different types of power relations and the social geographies that framed the encounters of Muslim travelers While Stephen Ortega does not dismiss the idea that Venetians and Ottoman Muslims represented two distinct communities he does argue that Christian and Muslim exchange in the pre modern period involved integrated cultural economic political and social practices Ortega s investigation brings to light how merchants trade brokers diplomats informants converts wayward souls and government officials from different communities engaged in similar practices and used comparable negotiation tactics in matters ranging from trade disputes to the rights of male family members to guarantees of protection In relying on sources from archives in Venice Istanbul and Simancas the book demonstrates the importance of viewing Mediterranean history from a variety of perspectives and it emphasizes the importance of understanding cross cultural history as a negotiation between different social cultural and institutional actors

Crisis and Rebellion in the Ottoman Empire Aysel Yildiz,2017-01-30 In 1807 the reformist Sultan Selim III was overthrown in a palace coup enacted by the elite special forces of the day the Janissaries The Ottomans were bankrupt and had been forced to make peace with Napoleon after Austerlitz but it was Selim III s efforts to reform an empire that had suffered successive military defeats and to reform along the lines of modern principles with an end to the privileged feudal position of many in elite Ottoman civil military society which sealed his fate This book seeks to situate Turkey s reactionary revolutions of 1807 into a wider European context that of the French Revolution and the outbreaks of revolutionary activity in the German states Britain and the US The Ottoman Empire was an interconnected and crucial part of this early modern world and therefore Aysel Yildiz argues must be analyzed in relation to its European rivals Focusing on the uprising and the socio economic and political conditions which caused it this book re orientates Ottoman history towards Western Europe and re situates the late Ottoman Empire as a key battle ground of political ideas in the modern era

Ritual Design for the Ballet Stage Hanna Walsdorf,2019-02-28 The Turkish ceremony in Le Bourgeois gentilhomme has been popular with audiences for almost 350 years and remains one of the bestknown scenes of early modern French theatre This newly researched volume spotlights the Turkish ceremony in its original technicolor presenting numerous important discoveries that have never before been published It shows that even in a field as thoroughly investigated as the collaboration between Moli re and Lully at the court of Louis XIV there is still much new source material to be discovered and many new connections to be made As the multidisciplinary essays examine the burlesque Turkish scene from a social political textual and iconographic view point they unearth time and again flaws omissions and errors transmitted in earlier scholarship Ritual Design is a must have volume that sets the record straight

New Perspectives on Safavid Iran Colin P. Mitchell,2011-03-03 Based around the three key themes historiography politics and economy art and architecture this collection examines the latest research on Safavid Iran The book dedicated to the renowned Safavid historian Roger Savory will supplement and re interpret the existing literature on the subject

Formalizing Displacement Umut Özsu,2015 In

this book Umut zsu situates population transfer within the broader history of international law by examining its emergence as a legally formalized mechanism of nation building in the early twentieth century The book s principal focus is the 1922 34 compulsory exchange of minorities between Greece and Turkey a crucially important endeavor whose legal dimensions remain under scrutinized

Languages of Reform in the Eighteenth Century Susan Richter, Thomas Maissen, Manuela Albertone, 2019-10-18 Societies perceive Reform or Reforms as substantial changes and significant breaks which must be well justified The Enlightenment brought forth the idea that the future was uncertain and could be shaped by human beings This gave the concept of reform a new character and new fields of application Those who sought support for their plans and actions needed to reflect develop new arguments and offer new reasons to address an anonymous public This book aims to compile these changes under the heuristic term of languages of reform It analyzes the structures of communication regarding reforms in the 18th century through a wide variety of topics

Inventory of the Lettere e Scritture Turchesche in the Venetian State Archives Maria Pia Pedani, 2009-11-30 As well as the well known inventory written by Maria Pia Pedani Fabris in 1994 I Documenti Turchi dell Archivio di Stato di Venezia this book is based on the work by Alessio Bombaci from the 1940s Pedani s work is an academic inventory of the documents in the archives Lettere e Scritture Turchesche kept in the Venetian State Archives It describes in detail 822 documents from the first half of the 16th century until the first half of the 17th century Part of the documents are Ottoman originals part are Italian translations They deal above all with commercial affairs There are name i h mayuns but also letters of beylerbeyis and sancakbeyis of the Balkan regions and of other lower Ottoman officials

Islam and International Law, 2013-07-15 Islam and International Law explores the complex and multi faceted relationship of international law and Islam both as a religion and a legal order Current debates on Sharia Islam and the West often suffer from prejudice platitudes and stereotypes on both sides The present book seeks to engage such self centrism by providing a plurality of perspectives both in terms of interdisciplinary research and geographic backgrounds The volume thus brings together 20 contributions from scholars who cover pressing issues in fields such as the use of force in Islamic international law Islam s contribution to the development of diplomacy and the rule of law controversies as to the role of the individual human rights and international criminal law as well as Islamic visions of world order in a globalizing world Contributors Awn S Al Khasawneh Asma Afsaruddin Mohd Hisham Mohd Kamal Necmettin Kizilkaya Muhammad Munir Labeeb Ahmed Bsoul Khaled Ramadan Bashir Harriet Rudolph Irmgard Marboe Abdulmumini A Oba Javaid Rehman Lorenz Langer Abdul Ghafur Hamid Khin Maung Sein Mashood A Baderin Markus Beham Matthias Cernusca Maurits S Berger Gregor Novak Muddathir Abdel Rahim

International Society and the Middle East B. Buzan, A. Gonzalez-Pelaez, 2009-03-12 International Society and the Middle East brings together a distinguished cast of theorists and Middle East experts to provide a comprehensive overview of the region s history and how its own traditions have mixed often uncomfortably with the political structures imposed by the expansion of Western international society

Sustainable Diplomacies C. Constantinou, J. Der Derian, James Der Derian, 2010-08-11 *Sustainable Diplomacies* looks at how to create conditions for the reconciliation of rival ways of living the formation of durable relationships and the promotion of global peace and security The authors draw inspiration from the history of diplomatic thought as well as from environmental anthropological religious and postcolonial studies **Shifting Grounds** Burak Kadercan, 2023 In *Shifting Grounds* Burak Kadercan draws upon a wide variety of cases ranging from the Thirty Years War to ISIS to examine the relationship between territorial ideas and armed conflict He argues that states and societies have adhered to different forms of territoriality across time and space and territory as well as territorial control has meant different things in different time periods and regions Ranging broadly across different eras and world regions the book sheds light on the shifting nature of the relationship between territorial ideas and armed conflict not only in the context of the distant the past but also in present day global politics *A Seventeenth-Century Odyssey in East Central Europe* Gábor Kármán, 2015-11-16 In *A Seventeenth Century Odyssey* Gábor Kármán reconstructs the life story of a lesser known Hungarian orientalist Jakab Harsnyi Nagy The discussion of his activities as a school teacher in Transylvania as a diplomat and interpreter at the Sublime Porte as a secretary of a Moldavian voivode in exile as well as a court councillor of Friedrich Wilhelm the Great Elector of Brandenburg not only sheds light upon the extraordinarily versatile career of this individual but also on the variety of circles in which he lived Gábor Kármán also gives the first historical analysis of Harsnyi's contribution to Turkish studies the *Colloquia Familiaria Turcico latina* 1672 *George Strachan of the Mearns* Tom McNally, 2020-07-23 Provides an up to date study of the life of George Strachan 1572-1635 early 17th century Scottish Humanist scholar Orientalist and traveller
