Pelicans Briefs Revealing Reminisces:

The Pelican's Briefs Mark R Joneschiet,2001-06-24 Come celebrate a town Klamath Falls Oregon official population 18 538 people that is the cows you will have to count yourself Join the author in a homespun journey through the past in a town that is the epitome of all hometowns Located on a route that is the shortest distance between Los Angeles and Seattle this town seems innocuous enough however a peak beneath its exterior reveals enough oddities quirks and interesting characters to fuel the tabloids for centuries This rendering of the author s memoirs offers shameless name dropping of well known personalities recounts of events that have local near legendary status among those involved at least and some actual history that didn t quite make it into the history books Fade into the past to an era devoid of terms such as Duuuude Sweeeeet and Da Bomb Words that will characterize this world are more like Golly Gosh Gee Whiz and Shucky Darn Let a mildly embarrassed pelican guide you on this tongue in cheek and often ironic visit to a place that isn t too far from everyone s growing up experience

Story Behind the Stone, The Robert Jeanfreau,2012-03-14 An illustrated history of New Orleans monuments From the statue of Joan of Arc that stands in the French Quarter to the Bienville Monument and the bust of General Lafayette this guide provides a historical look at more than forty of the city s landmarks Some remain ensconced in gardens or private collections while others exist in public view Descriptions accompany each image providing the legend behind each landmark and a deeper knowledge of New Orleans rich past

Radical Churchman Graham Neville,1998 Historians of the Christian Social movement in the Church of England during the nineteenth and early twentieth centuries have paid little attention to its relation to the Liberal Party But from about 1886 to 1918 there were some socially concerned churchmen who firmly supported the Liberal Party in its new role as an agency of social reform and tried to exercise influence as a group taking Henry Scott Holland as leader and inspirer Edward Lee Hicks who succeeded Edward King as bishop of Lincoln in 1910 was a distinctive churchman associated with this group He was an outstanding classical scholar who combined a long pastoral experience with active support of movements for temperance reform improved housing women s education and enfranchisement and international peace This study shows how he developed these social concerns under the influence of such friends as John Ruskin and C P Scott and how he was drawn from his radical liberalism to the support of the incipient Labour Party without becoming a theoretical socialist
