Place in Mind Sydney Lea, 2025-04-15 The unlikely friendship between professor Brant Healey and Louis an unlettered superstitious woodsman is at the heart of A Place in Mind These two men love fishing and hunting the rural Maine landscape whiskey from tin cups and the stories that emerge around campfires by cold rivers **The Mind and its Place in Nature** C.D. Priyanshu Shekhar, Literature is the mirror of society that reflects the true picture and says it all the reflection of what and how the society and its people live and interact with each other Priyanshu Shekhar A book isn't just a book or a collection of pages bound together with a cover on top nor it is a book containing words and phrases The words phrases and sentences are the expression of the inner consciousness of the author expressed through the soul of the pen This book is in itself a reflection of the inner voice of the author in the expression of the magic of words in the form of poetry acting as a mirror of society through the emancipated soul of the pen
