Werlock, 2000-02-09 Original essays by American and British scholars offer a reader friendly introduction to the work of Angela Carter Doris Lessing and a dozen other British women writers British women in the second half of the 20th century have produced a body of work that is as diverse as it is entertaining This book offers an informal jargon free introduction to the fiction of sixteen contemporary writers either brought up or now living in England from Muriel Spark to Jeanette Winterson British Women Writing Fiction presents a balanced view comprising women writing since the 1950s and 1960s those who attracted critical attention during the 1970s and 1980s and those who have burst upon the literary scene more recently including African Caribbean and African women The essays show how all of these writers treat British subjects and themes sometimes from radically different perspectives and how those who are daughters of immigrants see themselves as

women writing on the margins of society Abby Werlock's introduction explores the historical and aesthetic factors that have contributed to the genre showing how even those writers who began in a traditional vein have created experimental work The contributors provide complete bibliographies of each writer's works and selected bibliographies of criticism Exceptional both in its breadth of subjects covered and critical approaches taken this book provides essential background that will enable readers to appreciate the singular merits of each writer It offers an approach toward better understanding favorite authors and provides a way to become acquainted with new ones

Adapting Detective Fiction Neil McCaw, 2010-11-18 Adapting Detective Fiction is a study of specific instances of adaptation with close readings of both the originating sources and adapted texts But it is also more than this It is a study of the politics of representation in the last decades of the twentieth century and the role television detective fiction plays in this It is about the mutually informing interrelation of cultural texts and political rhetoric about the connection between the popular cultural depiction of crime and criminality and how we come to understand human behaviour and culpability most of all it is a detailed consideration of what the process of adaptation reveals about the shifting nature of the world in which we live With specific reference to television series such as The Adventures of Sherlock Holmes Miss Marple Inspector Morse A Touch of Frost Cadfael and Midsomer Murders Adapting Detective Fiction uses adaptation as the basis for an exercise in later twentieth century cultural history illustrating the fundamental role detective fictions play in popular beliefs about the nature of crime and Englishness

Alain Robbe-Grillet John Fletcher, 2019-10-01 Alain Robbe Grillet had traditionally been seen as an austere experimentalist in fiction addicted to arid and interminable descriptions of objects like coffee pots erasers and pieces of string His own rather bellicose theoretical pronouncements were partly to blame for this unattractive picture belied by the immense popular success of the film Last Year at Marienbad 1961 made by Alain Resnais from Robbe Grillet's script and the high critical esteem in which novels like Jealousy and The Voyeur are held In his original study first published in 1983 John Fletcher attempts to resolve this paradox by offering a new interpretation of Robbe Grillet's work which stresses the subversive qualities of his imagination and the

disturbing power of his vision of a world of labyrinths and bizarre sexual stereotypes haunted by images of love and loss
