Quest For Cush Imaro II:

Imaro 2 : The Quest for Cush Charles Saunders, 2007-01-01 It begins with the reunion of Imaro and his kidnapped lover Tanisha who has been taken to the ruined City of Madness With the help of their new found friend Pomphis a Pygmy from the eastern forests of Nyumbani they learn of the sorcerous forces that may have been behind the dark wizard that destroyed Imaro's youth The trio goes to Mavindi the port capital of the Eastern Coastal kingdom of Azania in search of the legendary Kingdom of Cush where Imaro hopes to find answers to the questions that have plagued his life Who is he Who was his father and why was he seemingly cursed and hounded from birth by forces beyond his control Like his contemporaries Karl Edward Wagner Kane and Michael Moorcock Elric Charles Saunders brings something new to the traditional heroic fantasy tale A broad knowledge of and passion for the history and myths of Africa led to the creation of a heroic fantasy character the likes of which the world has never seen Imaro is no Tarzan no Conan Imaro is a warrior out of African legend Saunders novel fuses the narrative style of fantasy fiction with a pre colonial alternate Africa Inspired by and directly addresses the alienation of growing up an African American fan of Science Fiction and Fantasy which to this day remains a very ethnically homogenous genre It addresses this both structurally via its unique setting and thematically via its alienated tribeless hero protagonist The tribal tensions and histories presented in this fantasy novel reflect actual African tribal histories and tensions and provide a unique perspective to current and recent conflicts in Africa particularly the Rwandan genocide and the ongoing conflict in The Sudan *QUEST FOR CUSH*. Clarke, 2017-06-22 *Odysseys Home* Mapping African Canadian Literature is a pioneering study of African Canadian literary creativity laying the groundwork for future scholarly work in the field Based on extensive excavations of archives and texts this challenging passage through twelve essays presents a history of the literature and examines its debt to and synthesis with oral cultures George Elliott Clarke identifies African Canadian literature's distinguishing characteristics argues for its relevance to both African Diasporic Black and Canadian Studies and critiques several of its key creators and texts Scholarly and sophisticated the survey cites and interprets the works of several major African Canadian writers including Andr Alexis Dionne Brand Austin Clarke Claire Harris and M Nourbese Philip In so doing Clarke demonstrates that African Canadian writers and critics explore the tensions that exist between notions of universalism and black nationalism liberalism and conservatism These tensions are revealed in the literature in what Clarke argues to be paradoxically uniquely Canadian and proudly apart from a mainstream national identity Clarke has unearthed vital but previously unconsidered authors and charted the relationship between African Canadian literature and that of Africa African America and the Caribbean In addition to the essays Clarke has assembled a seminal and expansive bibliography of texts literature and criticism from both English and French Canada This important resource will inevitably challenge and change future academic consideration of African Canadian literature and its place in the international literary map of the African Diaspora Race in American
