Censorship and Ideology Julia Lin Thompson,2024-09-25 This book offers a fascinating picture of how state censorship affected children s literature translation in post Civil War Spain Focusing on the Spanish translations of Mark Twain s children s classics *The Adventures of Tom Sawyer* and *The Adventures of Huckleberry Finn* the author traces the evolution of the censorship system of the Francoist regime and its impact on Spanish children s literature during the years after the Spanish Civil War Drawing on the regime s censorship laws official censors records and textbooks she not only examines the censorship imposed on the translations of Twain s works but also offers insights into the intricate connections between state censorship and the regime s educational aims The book gives a revealing analysis of the ways in which the highly bureaucratic censorship apparatus operated under Franco s dictatorship outlining the flaws and fallacies within it as well as the strategies adopted by publishers and translators to resist the power of the state While centred on Francoist Spain the book also explores broader themes of ideology censorship and translation making it a valuable source for scholars of translation studies and Hispanic studies as well as those with a wider interest in literature history and cultural studies

Private Censorship J. P. Messina,2023-10-13 Private Censorship is about free speech and how corporations and social groups can interfere with it J P Messina asks and variously answers questions like what should we think when employees get fired for things they say When is it appropriate for social media firms to deplatform users and what does it mean for our democracy that those in charge of such decisions are often wealthy Silicon Valley executives Do search engines act as massive gatekeepers to information in troubling ways and how might they be constrained if so Messina argues that while there is much to worry about when it comes to these exercises of private power it would be a mistake to simply do away with them as some have suggested

Abbas Kiarostami and Iranian National Cinema Hossein Khosrowjah,2025-02-20 The films of Abbas Kiarostami 1940 2016 are at once ambiguous and singular challenging easy categorisation in national generic and formal terms In this insightful study Hossein Khosrowjah provides an in depth exploration of Kiarostami s body of work considering how his filmmaking confronts questions of cinematic representation identity and the myth of national unity Challenging prevailing auteurist readings of Kiarostami s work Hossein Khosrowjah

firmly anchors his filmmaking within the historical context of Iranian national cinema Through a close reading of key films including *Close Up* 1990 *Taste of Cherry* 1997 *The Wind Will Carry Us* 1999 and *10* 2002 he explores Kiarostami's radically anti-allegorical representational strategies He goes on to examine the national and global circulation of his films considering the role of censorship within Iran and the intersection of art politics and the complexities of creative freedom He traces the continuing emphasis on partiality and the singularity of representations of subjects time and location across Kiarostami's films arguing that it is through this intentional ambiguity that his cinema reshapes notions of nation and national identity challenges conventions and broadens the scope for cinematic expression *Social Issues in America* James
