Before I Was CEO Peter Vanham, 2016-11-14 Have you always known what you wanted to be in life What are some watershed moments that made you who you are When did you get on track to become a successful CEO It started with three questions at Davos The younger Peter Vanham looked to the answers from the elite leaders he asked to validate his own

career choice and the rich private wisdom he received revealed more about building a career than he'd found anywhere else. He shares it all with you in *Before I Was CEO*. For everyone who lays awake at night wondering if they're heading up or down the corporate ladder, this collection of personal stories from a remarkable group of the most accomplished men and women in business today proves everyone can put themselves in the C-suite by taking a variety of different paths. It's all how you do it. Some found opportunity through adversity and others came by their big break moments through serendipity. A group of them walked away from corporate life and lived in other ways, and all of them made calculated moves to advance their careers. In their own words, read how it all unfolded, the tough decisions they wrestled, the risks and rewards they saw, and how it all came together. You don't need a royal pedigree or Ivy League education to reach the top as long as you value family, leave home, and make informed decisions based on your dreams. Take the first thirty-five years of your life to discover what you're interested in, and don't rush to be a CEO. Strategically deal with failure, remember the lessons you learned, and adapt to situations you can't change. You aren't the first person to be at the crossroads you're standing in, and with the motivating and instructive stories in *Before I Was CEO*, you may be answering a young journalist's questions at Davos one day.

[Crisis Management Strategy](#) Simon A. Booth, 2015-09-25. *Crisis Management Strategy* first published in 1993 is an excellent introduction to the theory and practice of crisis management in modern enterprises. Simon Booth examines the conventional approaches followed by many firms in the face of change and crisis. He warns of the dangers of theories which oversimplify the causes of crisis and their possible solutions, and which overlook the individual nature of each firm and its environment. Instead, a dynamic new vision of crisis management is offered which takes into account different kinds of crisis demanding diverse solutions. The key role of leadership is also evaluated in relation to both internally and externally generated crises. Drawing on case studies of leading firms facing crisis solutions in a variety of environments, this truly international volume will provide valuable insight into the experience of crisis, risk, and uncertainty. This title will be of interest to students of business.

[Proceedings, American Philosophical Society \(vol. 149, no. 1, 2005\)](#), **Get Funded Now: Find Out How** Nalin Singh, 2017-12-22. The world is captivated by a startup frenzy, yet ninety percent fail in the first few years. Entrepreneurs start businesses in a daze of enthusiasm, only to realize that running the business and scaling it requires the continuous lubricant of money. The close-knit investor world is brutal with its own code and language. Entrepreneurs could spend years receiving encouragement, smiles, and handshakes, but no cheques. Nothing has trained or prepared them for this world where one misstep could prove fatal for the future of their business. You could spend years wandering or pause and master this seemingly impossible task of raising timely finance. The book demystifies the world of funding and provides actionable insights on how to prepare for it and engage with investors in a successful and timely manner. Tips on everything from preparing oneself, planning one's own business, crafting materials for investors, and engaging with investors for long-term funding are covered in an easy and comprehensive manner in this book. Give yourself and your business the best shot.
