The Art of Everyday Ecstasy

Margot Anand,2015-02-18 Ecstasy is about waking up and finding that you are in love with life Most people think of ecstasy in terms of sexual ecstasy which Tantric sex expert Margot Anand wrote about in her bestselling *The Art of Sexual Ecstasy* Now in *The Art of Everyday Ecstasy* Anand expands our definition of ecstasy and shows how we can harness its energy to help us live work and love more passionately joyfully and with true spiritual focus Our modern work obsessed stress filled culture what Anand calls the anti ecstatic conspiracy has dulled our spirits thrown us off balance and alienated us from meaningful everyday experiences In this inspirational journey toward finding the healing nature of ecstasy Anand explains how the two types of ecstatic experiences the moments of epiphany called Ecstatic Awakenings and EveryDay Ecstasy or the Ecstasy of Flow a connection to our power and inner wisdom can help us move beyond pain and doubt to reach our highest potential Based on the spiritual path of Tantra Anand shows how to use the natural energy system of our bodies the seven chakras as a map to ecstasy As she guides us through the chakras she explains how each one plays an important role in

transforming energy into erotic passion healing empowerment compassion creativity insight and gratitude Blocked chakras manifest themselves in surprising ways wholeness can be achieved only when all of the chakras are open with energy flowing freely By transforming negative behavioral patterns into positive ones and strengthening ourselves physically emotionally and spiritually we can improve our health sex life career relationships and find profound meaning in everyday moments With personal anecdotes exercises meditations and rituals *The Art of Everyday Ecstasy* shows us how to bring ecstatic energy into the body mind heart and spirit to embrace every moment in our totality to respond bodily feel from the heart perceive with clarity and be fully present to others and to life *After the Ecstasy, the Laundry* Jack Kornfield, 2001-10-02 Enlightenment does exist internationally renowned author and meditation master Jack Kornfield assures us Unbounded freedom and joy oneness with the divine these experiences are more common than you know and not far away But even after achieving such realization after the ecstasy we are faced with the day to day task of translating that freedom into our imperfect lives We are faced with the laundry Drawing on the experiences and insights of leaders and practitioners within the Buddhist Christian Jewish Hindu and Sufi traditions this book offers a uniquely intimate and honest understanding of how the modern spiritual journey unfolds and how we can prepare our hearts for awakening Through moving personal stories and traditional tales we learn how the enlightened heart navigates the real world of family relationships emotional pain earning a living sickness loss and death Filled with the laughter of the wise alive with compassion *After the Ecstasy the Laundry* is a gift to anyone who is seeking peace wholeness and inner happiness It is sure to take its place next to *A Path with Heart* as a spiritual classic for our time **My Sacred Journey Through a Messy Life: Tantra As You (May not) Know It** Shakti Sundari Padmini, 2019-02-28 The key to woman s authentic power man s enlightenment and on a larger scale planetary transformation is hidden within her womb the sacred temple of sexual energy the holy source of creation Tantra is a spiritual path embracing everything avoiding nothing recognizing sexual energy the creative force of the universe to be the most powerful and direct portal to awakening and illumination Prepare to enter the Tantric universe the dance of Shiva masculine Shakti feminine cosmic principles Through her open sharing of deeply intimate experiences a complex world of female sexuality will be revealed You ll find profound spirit wisdom in places you d surely not look Without her intending to teach you anything you will learn enough to transform your life in a big way if you wish Experience the magical and the mundane Embrace raw sex juicy eroticism and mystical lovemaking *The Maddona and the whore* Enjoy step by step Womb Healing Ritual guidance for couples *Awakening Desire* Irene Alexander, 2018-04-19 The hope of this book is that it awakens desire to know more intimately the God who breaks through our compartmentalization and naming While most in the West have heard God s name as almost exclusively masculine a child growing up in Israel would have experienced the Spirit of God and Lady Wisdom as female This ruach the breath of God brooded over the face of the deep in the creation story like a hovering mother bird The God of the Bible and the early church has been described with both masculine and feminine imagery

referred to by the church fathers and mystics as both Mother and Father In our time we have lost much of this rich feminine imagery This book explores not only this historical knowing of God but also more contemporary writers such as Carl Jung Paul Young The Shack George MacDonald and Thomas Merton Each of these men engaged with the Divine Feminine giving us examples of how we too may find God more deeply and more intimately *New Age Journal* ,1997 **The Call of Spiritual Emergency** Emma Inc.
