Corruption, Mafia Power and Italian Soccer Alberto Testa,Anna Sergi,2018-07-06 Whilst corruption and organized crime have been widely researched they have not yet been specifically linked to sport Corruption Mafia Power and Italian Soccer offers an original insight into this new research area Adopting a psycho social approach based mainly on Pierre Bourdieu s praxeology the book demonstrates that corruption and the mafia presence in Italian soccer reflect the Italian socio political and economic system itself Supported by interviews with security agency officials anticorruption organisations and antimafia organisations and analysing empirical data obtained from a case study of Operation Dirty Soccer this important study explains why mafia groups are involved in soccer what the links are to political corruption and what might be done to control the problem It also examines the mechanisms that make it possible for mafia groups and affiliates to enter the football industry and discusses how mafia groups exploit and corrupt Italian football This is important reading for undergraduate and postgraduate students researchers and academics working in the areas of sociology criminology policing anthropology the sociology of sport sport deviance sport management and organised crime It is also a valuable resource for practitioners in the football industry

**Martin Scorsese** Vincent LoBrutto,2007-11-30 Martin Scorsese s current position in the international film community is unrivaled and his name has become synonymous with the highest standards of filmmaking excellence He is widely considered America s best living film director and his Taxi Driver and Raging Bull appear frequently on worldwide surveys of the best films of all time Here in the first biographical account of this artist s life Vincent LoBrutto traces Scorsese s Italian American heritage his strict Catholic upbringing the continuing role of religion in his life and art his obsessive love of cinema history and the powerful impact that the streets of New York City had on his personal life and his professional career Meanwhile the filmmaker s humble soft spoken public persona tells only part of the story and LoBrutto will delve into the other side of a complex and often tortured personality Scorsese s intense passion his private relationships his stormy marriages and his battles with drugs and depression are all chronicled here and in many cases for the first time In addition the book includes an interview with the director as well as filmographies cataloging his work as a

director producer actor and presenter As his Best Director award at the 2007 Oscars clearly demonstrated Scorsese has become something like Hollywood royalty in recent years finally enjoying the insider status and favor that eluded him for most of his career But these recent developments aside Scorsese is also notable as a distinctly American type of artist one whose work created in a medium largely controlled by commercialism and marketing has always been unmistakably his own and who thus remains a touchstone of artistic integrity in American cinema In *Martin Scorsese A Biography* readers can examine not only the work of one of the form's genuine artists but also the forces that have propelled the man behind it

*Godfather Marketing* Gianluigi Guido, 2024-09-25 In a landscape marked by uncertainties stemming from global instability societal fragmentation and rapid technological advancements consumers will be seeking immediate satisfaction for their vital needs and desires To address this issue firms will be called upon to grant favors even before selling products offering solutions to consumers in exchange for their unwavering loyalty This compelling book presents a unique and provocative new vision of future markets where firms evolve into organizations reminiscent of mafia families stripped of criminal connotations establishing relationships with their customers based on satisfaction reciprocity recognition of merit and punishment of wrongdoing In a Credibility Economy where the quality of information supersedes its quantity especially with the development of AI this approach gives firms a competitive edge through the creation of a trusted network grounded in a code of honor *Godfather Marketing* offers an engaging accessible and fresh perspective on marketing where readers will discover unique insights on consumer behavior and market dynamics highlighting how they can benefit the broader community provided appropriate measures are taken to safeguard personal freedom

**Borgata: Rise of Empire** Louis Ferrante, 2023-11-09 The American mafia has long held powerful sway over our collective cultural imagination But how many of us truly understand how a clandestine Sicilian criminal organisation came to exert its influence over nearly every level of American society In *BORGATA RISE OF EMPIRE* former mafia member Louis Ferrante pulls back the curtain on the criminal organisation that transformed America From the potent political cauldron of nineteenth century Sicily to American cities such as New Orleans New York and the gangster's paradise of Las Vegas Ferrante traces the social economic and political forces that powered the mafia's unstoppable rise We follow the early mob as they provide alcohol to the American public during prohibition aid U S Naval Intelligence during the Second World War establish a gambling mecca in the Nevada desert and unofficially take control of the island of Cuba Ferrante's vivid portrayal of early American mobsters among them Lucky Luciano Vito Genovese Frank Costello and Meyer Lansky fills in crucial gaps of mafia history to deliver the most comprehensive account yet of the world's most famous criminal fraternity This volume is the first in a groundbreaking new trilogy from a man who has seen it all from the inside Ferrante's masterful account journeys from the group's inauspicious beginnings to the height of their power as the most influential organised criminal network in America

**Reversible Destiny** Peter T. Schneider,Jane Schneider,2003-03-13 *Reversible Destiny* traces the history of the Sicilian mafia to its nineteenth century roots and examines its late twentieth century involvement in urban real estate and construction as well as drugs Based on research in the regional capital of Palermo this book suggests lessons regarding secretive organized crime its capacity to reproduce a subculture of violence through time its acquisition of a dense connective web of political and financial protectors during the Cold War era and the

sad reality that repressing it easily risks harming vulnerable people and communities Charting the efforts of both the judiciary and a citizen s social movement to reverse the mafia s economic political and cultural power the authors establish a framework for understanding both the difficulties and the accomplishments of Sicily s multifaceted antimafia efforts

**Organizing Crime in Chinatown** Jeffrey Scott McIlwain,2014-10-01 More than a century ago organized criminals were intrinsically involved with the political social and economic life of the Chinese American community In the face of virulent racism and substantial linguistic and cultural differences they also integrated themselves successfully into the extensive underworlds and corrupt urban politics of the Progressive Era United States The process of organizing crime in Chinese American communities can be attributed in part to the larger politics that created opportunities for professional criminals For example the illegal traffic in women laborers and opium was an unintended consequence of yellow peril laws meant to provide social control over Chinese Americans Despite this hostile climate Chinese professional criminals were able to form extensive multiethnic social networks and purchase protection and some semblance of entrepreneurial equality from corrupt politicians police officers and bureaucrats While other Chinese Americans worked diligently to remove racist laws and regulations Chinatown gangsters saw opportunity for profit and power at the expense of their own community Academics the media and the government have claimed that Chinese organized crime is a new and emerging threat to the United States Focusing on events and personalities and drawing on intensive archival research in newspapers police and court documents district attorney papers and municipal reports as well as from contemporary histories and sociological treatments this study tests that claim against the historical record

Organized Crime Klaus von Lampe,2015-07-16 2016 Outstanding Publication Award The International Association for the Study of Organized Crime Organized Crime Analyzing Illegal Activities Criminal Structures and Extra legal Governance provides a systematic overview of the processes and structures commonly labeled organized crime drawing on the pertinent empirical and theoretical literature primarily from North America Europe and Australia The main emphasis is placed on a comprehensive classificatory scheme that highlights underlying patterns and dynamics rather than particular historical manifestations of organized crime Esteemed author Klaus von Lampe strategically breaks the book down into three key dimensions 1 illegal activities 2 patterns of interpersonal relations that are directly or indirectly supporting these illegal activities and 3 overarching illegal power structures that regulate and control these illegal activities and also extend their influence into the legal spheres of society Within this framework numerous case studies and topical issues from a variety of countries illustrate meaningful application of the conceptual and theoretical discussion

**Encyclopedia of Race and Crime** Helen Taylor Greene,Shaun L. Gabbidon,2009-04-14 The organization of the reader s guide especially the groupings of landmark cases race riots and criminology theories is impressive Other related titles lack the breadth detail and accessibility of this work Recommended for all libraries essential for comprehensive social studies collections Library Journal As seen almost daily on local and national news race historically and presently figures prominently

in crime and justice reporting within the United States in the areas of hate crimes racial profiling sentencing disparities wrongful convictions felon disenfranchisement political prisoners juveniles and the death penalty and culturally specific delinquency prevention programs The Encyclopedia of Race and Crime covers issues in both historical and contemporary context with information on race and ethnicity and their impact on crime and the administration of justice These two volumes offer a greater appreciation for the similar historical experiences of varied racial and ethnic groups and illustrate how race and ethnicity has mattered and continues to matter in the administration of American criminal justice Key Features Covers a number of broad thematic areas basic concepts and theories of criminal justice the police courts and corrections juvenile justice public policy the media organizations specific groups and populations and specific cases and biographies Addresses such topics as gender hate bias crimes immigrant experiences international and cross cultural issues race and gangs and race and law Presents experiences of all major racial and ethnic groups in the U S including Asians Blacks Latinos Native Americans and Ethnic Whites as well as religious minorities such as Muslims Includes coverage of recent incidents like the alleged rape of a black female North Carolina Central University student by white male members of the Duke University Lacrosse Team the Jena 6 incident the Tulia Texas drug arrests the Rodney King beating the O J Simpson trials in the 1990s and more recent racial profiling incidents Two appendices provide information on locating and interpreting statistical data on race and crime as well as detailed instructions on how to access statistical data on the web for such specific areas as arrests drugs gang membership hate crimes homicide trends juvenile justice prison populations racial profiling the death penalty and victimization Because the topic of race and crime is of wide interest and relevance entries in this Encyclopedia are written in an accessible style to appeal to a broad audience making it a welcome addition to academic and public libraries alike
