Mau Mau And The Kikuyu:

Mau Mau and the Kikuyu Louis Seymour Bazett Leakey, 2004 This widely acclaimed book on a troubled period of Kenyan history summarizes some of the more important Kikuyu customs and a discussion of their break down under the impact of European civilization This discussion illustrates why and how the Mau Mau came into being and how the situation could be improved so that peace could once again come to Kenya

Kikuyu Women, The Mau Mau Rebellion, And Social Change In Kenya Cora Ann Presley, 2019-05-20 Based on rare oral data from women participants in the Mau Mau rebellion this book chronicles changes in women s domestic reproduction legal status and gender roles that took place under colonial rule The book links labour activism cultural nationalism and the more overtly political issues of land alienation judicial control and character

Mau Mau and the Kikuyu [By] L.S.B. Leakey Louis Seymour Bazett Leakey, 1952

Defeating Mau Mau Louis Leakey, 2013-11-05 Many of the issues are still pertinent to other African countries in the 21st century e g clear parallels with Zimbabwe

Kenya, the Kikuyu and Mau Mau David Lovatt Smith, 2005 This title is a brief history of Kenya during the colonial period from the earliest records up to the end of British rule in 1963 The book focuses on the Kikuyu people and includes many eye witness and first hand accounts

Mau Mau Memoirs Marshall S. Clough, 1998 Clough history U of Northern Colorado analyzes 13 personal accounts by Kenyans in order to make a case for not only their historical value but their role in the struggle to define the importance of Mau Mau within Kenyan historiography and politics He argues that the recollections of the authors whose experiences ranged from organizing the secret movement to supplying the guerillas to active fighting to resistance in the British detention camps serve to refute both the British and Kenyan versions of the revolt Annotation copyrighted by Book News Inc Portland OR

Mau Mau from Below Greet Kershaw, 1997 This text is based on the oral evidence of the Kikuyu villagers with whom the author lived as an aid worker during the Mau Mau emergency in the 1950s The data suggests that there was never a single Mau Mau movement and that none of its members ever saw it as such not because they did not have a political aim but because that agenda was contested within different political circles over which they had no control and of which they may scarcely have had any knowledge This importance of this is that almost all the enemies of the Mau Mau did see it as a whole movement in order to try and comprehend it and defeat it

Economic & Social Origins of Mau Mau 1945-53

David Throup, 1988 This story of Kenya in the decade before the outbreak of the Mau Mau emergency presents an integrated view of imperial government as well as examining the social and economic causes of the Kikuyu revolt Dr Throup combines traditional Imperial History with its emphasis on the high politics of The Official Mind in the Colonial Office or in Government House with the new African historiography that concentrates on the people themselves Sir Philip Mitchell was the proconsul chosen to reassert metropolitan authority Under Kenyatta's leadership the Kenya African Union mobilized a popular constituency among the peasantry In Nairobi the Kikuyu street gangs linked up with the militant Kikuyu trade unions led by Fred Kubai and Bildad Kaggia to challenge Kenyatta's leadership The Mau Mau movement as it was called by the government was an alliance between three groups of discontented Kikuyu the urban unemployed and destitute the dispossessed squatters from the White Highlands and the tenants and members of the junior clans in the Kikuyu reserves The revolt was a dominating factor in convincing the conservative imperial government that the cost of repression in the African colonies was not worth the troops and resources

Colonial Psychiatry and the African Mind Jock McCulloch, 1995-01-12 In this first history of psychiatry in colonial Africa Jock McCulloch describes the clinical approaches of well known European practitioners including Frantz Fanon and Wulf Sachs They operated independently of one another Yet despite their differences they shared a coherent set of ideas about the African Mind based on the colonial notion of African inferiority By exploring the association between settler ideology and psychiatric research this study examines colonial science as a system of knowledge and power

Images of Women in Peace and War Sharon Macdonald, Pat Holden, Shirley Ardener, 1988 As warriors freedom fighters and victims as mothers wives and prostitutes and as creators and members of peace movements women are inevitably caught up in the net of war Yet women's participation in warfare and peace campaigns has often been underestimated or ignored Images of Women in Peace and War explores women's relationships to war peace and revolution from the Amazons Inka and Boadicea to women soldiers in South Africa Mau Mau freedom fighters and the protestors at Greenham Common The contributors consider not only the reality of women's participation but also look at how their actions have been perceived and represented across cultures and through history They examine how sexual imagery is constructed how it is used to delineate women's relation to warfare and how these images have sometimes been subverted in order to challenge the status quo The book raises important questions about whether women have a special prerogative to promote peace and considers whether the experience of motherhood leads to a distinctive women's position on war The authors find that their analyses lead them to deal with arguments on the basic nature of the sexes and to reevaluate our concepts of peace war and gender

Mau Mau and Kenya Wunyabari O. Maloba, 1998 Widens the debate about the Mau Mau revolt and adds an African voice to the examination and interpretation of an important event in African history Maloba examines the part played by Mau Mau in Kenyan nationalism and its independence movement Wunyabari Maloba is Associate Professor of History and Coordinator of the African Studies Program University of Delaware North America Indiana U Press **Mau**

The Deadly Ethnic Riot Donald L. Horowitz,2023-11-15 Donald L Horowitz s comprehensive consideration of the structure and dynamics of ethnic violence is the first full scale comparative study of what the author terms the deadly ethnic riot an intense sudden lethal attack by civilian members of one ethnic group on civilian members of another ethnic group Serious frequent and destabilizing these events result in large numbers of casualties Horowitz examines approximately 150 such riots in about fifty countries mainly in Asia Africa and the former Soviet Union as well as fifty control cases With its deep and thorough scholarship incisive analysis and profound insights The Deadly Ethnic Riot will become the definitive work on its subject Furious and sadistic the riot is nevertheless directed against a precisely specified class of targets and conducted with considerable circumspection Horowitz scrutinizes target choices participants and organization the timing and supporting conditions for the violence the nature of the events that precede the riot the prevalence of atrocities during the violence the location and diffusion of riots and the aims and effects of riot behavior He finds that the deadly ethnic riot is a highly patterned but emotional event that tends to occur during times of political uncertainty He also discusses the crucial role of rumor in triggering riots the surprisingly limited role of deliberate organization and the striking lack of remorse exhibited by participants Horowitz writes clearly and eloquently without compromising the complexity of his subject With impressive analytical skill he takes up the important challenge of explaining phenomena that are at once passionate and calculative Donald L Horowitz s comprehensive consideration of the structure and dynamics of ethnic violence is the first full scale comparative study of what the author terms the deadly ethnic riot an intense sudden lethal attack by civilian members of one ethn
