Under the orders of French Emperor Napoleon III French troops arrive in Mexico in 1861 with a dual purpose to help the Confederacy win the war against the United States and to conquer Mexico As President Benito Juarez suspends payment of Mexico's foreign debts the French drop their facade of debt negotiations and head for Puebla where they are soundly defeated in their attempt to capture the city The French withdraw from their stunning setback and spend the summer of

1862 nursing their wounds and awaiting reinforcements in Orizaba This gives the Mexicans ample time to highly fortify Puebla against a future attack During spring of 1863 French troops head for Puebla and Mexico City in what they hope will be a pair of easy victories Ju rez and his government flee Mexico City rather than trying to defend the capital against overwhelming odds The French make their grand entrance and immediately encounter problems with the Catholic Church Austrian Archduke Ferdinand Maximilian asked by the French to become emperor of Mexico will not accept the throne without a popular vote from the people When the American Civil War ends in 1865 out of work soldiers generals and high ranking officials from the former Confederate government drift into Mexico General Ulysses S Grant s U S Army is now free to stage maneuvers along the border setting off panic in Mexico City and Paris Grant s move prompts Napoleon III to cut his losses and pull his troops out Now it s only a matter of time before Mexican forces retake the country

overarching framework and using a wealth of specific examples Nevaer shows how to develop Hispanic friendly approaches in every aspect of the modern workplace from recruitment retention and evaluation to training mentoring and labor relations As Hispanics become an ever larger segment of the workforce organizations who fail to make them feel welcome and valued risk losing access to a significant source of talent and innovation not to mention a connection to a major evolving market Managing Hispanic and Latino Employees is an invaluable resource for creating an environment where Hispanic workers feel comfortable recognized and rewarded      *Subject Guide to Books in Print* ,1971      **Prelude to Tragedy** Carl H.
