Family educators and clergy employ stories to transmit Jewish culture traditions and values. Some centuries old and others freshly imagined, the tales include animal fables, supernatural yarns, and anecdotes for festivals and holidays. Themes include justice, community, cause and effect, and mitzvahs or good deeds. This second edition nearly doubles the number of stories and expands the guide's global reach with new pieces from Turkey, Morocco, Libya, Tunisia, and Chile. Subject cross references and a glossary complete the volume, a living tool for understanding the ever-evolving world of Jewish folklore.
