Hausladen,2010-01-01 From Tony Hillerman s Navajo Southwest to Martin Cruz Smith s Moscow an exotic vividly described locale is one of the great pleasures of many murder mysteries Indeed the sense of place no less than the compelling character of the detective is often what keeps authors writing and readers reading a particular series of mystery novels This book investigates how police procedural murder mysteries have been used to convey a sense of place Gary Hausladen delves into the work of more than thirty authors including Tony Hillerman Martin Cruz Smith James Lee Burke David Lindsey P D James and many others Arranging the authors by their region of choice he discusses police procedurals set in America the United Kingdom and Ireland Europe Moscow Asia and selected locales in other parts of the world as well as in historical places ranging from the Roman Empire to turn of the century Cairo      **The Contemporary Irish Detective Novel** Elizabeth Mannion,2016-05-30 Irish detective fiction has enjoyed an international readership for over a decade appearing on best seller lists across the globe But its breadth of hard boiled and amateur detectives historical fiction and police procedurals has remained somewhat marginalized in academic scholarship Exploring the work of some of its leading writers including Peter Tremayne John Connolly Declan Hughes Ken Bruen Brian McGilloway Stuart Neville Tana French Jane Casey and Benjamin Black **The Contemporary Irish Detective Novel** opens new ground in Irish literary criticism and genre studies It considers the detective genre s position in Irish Studies and the standing of Irish authors within the detective novel tradition Contributors Carol Baraniuk Nancy Marck Cantwell Brian Cliff Fiona Coffey Charlotte J Headrick Andrew Kincaid Audrey McNamara and Shirley Peterson      The Encyclopedia of Murder and Mystery B. s a rare occurrence when Chief Inspector of Detectives Peter McGarr leaves the shores of his beloved Ireland but this time he has little choice The blood of two prominent British subjects both former S I S chiefs both brutally murdered is staining Irish soil And Sir Colin Cummings the current head of Britain s elite secret service and potential third victim en route to Italy with McGarr coming along for the man s protection A macabre conspiracy of murder and revenge is spreading its tentacles across several nations and McGarr s time spent amidst the charm and rustic beauty of Siena promises to be anything but restful Because there are many hidden players in this most deadly game from ex spies to Communist rabble rousers to wealthy Italian industrialists And a single misstep could place one dedicated and inquisitive Chief Inspector of the Garda Soichana directly in the line of killing fire

**Montreal's Irish Mafia** D'Arcy O'Connor,2011-03-18 Their names resonate with organized crime in Montreal the Matticks MacAllisters Johnstons and Griffins and Peter Dunie Ryan They are the Irish equivalent of the infamous Rizzuto and Cotroni families and the Mom Bouchers and Walter Stadnicks of the Hells Angels Award winning producer journalist and author D Arcy O Connor narrates the genesis and rise to power of one of Montreal s most powerful violent and colorful criminal organizations It is the West End Gang whose members controlled the docks and fought the Hells Angels and Mafia for their share of the city s prostitution gambling loan sharking and drug dealing At times they did not disdain forging alliances with rival gangs when huge profits were at stake or when a killing needed to be carried out The West End Gang the Irish Mafia of Montreal is a legendary beast They sprang out of the impoverished southwest of the city some looking for ways to earn enough just to survive some wanting more than a job in an abattoir or on a construction site In that sense they were no different from other immigrants from Italy and other European countries A shortcut to wealth was their common goal And Montreal with its burgeoning post WWII population was ripe for the picking The Irish Mob made headlines with a spectacular Brinks robbery in 1976 using the money to broker a major heroin and cocaine trafficking ring It took over the Port of Montreal controlling the flow of drugs into the city drugs which the Mafia funnelled to New York The West End Gang had connections to the cocaine cartel in Colombia hashish brokers in Morocco and France and marijuana growers in Mexico The gang imported drugs on an enormous scale One bust that took place off the coast of Angola in 2006 involved 22 5 tonnes of hashish destined for Montreal The West End Gang is a ripping tale that unveils yet another chapter in Montreal s colorful criminal underworld

*The Thriller and Northern Ireland since 1969* Aaron Kelly,2017-03-02 For the past 30 years the so called Troubles thriller has been the dominant fictional mode for representing Northern Ireland leading to the charge that the crudity of this popular genre appropriately reflects the social degradation of the North Aaron Kelly challenges both these judgments showing that the historical questions raised by setting a thriller in Northern Ireland disrupt the conventions of the crime novel and allow for a new understanding of both the genre and the country Two essays on crime fiction by Walter Benjamin and Berthold Brecht appear here for the first time in English translation By demonstrating the relevance of these theorists as well as other key European thinkers such as Antonio Gramsci Louis Althusser and Slavoj Zizek to his interdisciplinary study of Irish culture and the crime novel Kelly refutes the idea that Northern Ireland is a stagnate anomaly that has been bypassed by European history and remained impervious to cultural transformation On the contrary Kelly's examination of authors such as Jack Higgins Tom Clancy Gerald Seymour Colin Bateman and Eoin McNamee shows that profound historical change and complexity have characterized both Northern Ireland and the thriller form     Twentieth-century Crime and Mystery Writers

by an expert of the genre      **Vietnam's Year of the Rat** Ronald Bruce Frankum, Jr., 2014-04-10 Vietnam's Year of the Rat explores the lunar New Year 1960 and the dynamic relationship between two competing groups vying for control in the Republic of Vietnam. One group led by United States Ambassador Elbridge Durbrow worked toward directing Vietnam towards an American style democracy that focused on forcing reforms within the Saigon government. The other group headed by Republic of Vietnam President Ngo Dinh Diem attempted to navigate the demands of Durbrow and the State Department and to confront internal opposition and an emerging external threat while trying to further the goals of the Republic. The result was a series of failed opportunities by both sides to resolve the differences of the two complementary if conflicting strategies. Vietnam's Year of the Rat offers an alternative to the now standard historiography for this period of the study in the Vietnam War by providing a Vietnamese viewpoint into the story of that long and tragic war      **Annual Report of the Commissioner of Indian Affairs to the Secretary of the Interior for the Year ...** United States. Office of Indian Affairs, 1906      **Foreign Relations of the United States** United States. Department of State, 1961      **The Right to Self-Determination Under International Law and Politics: the Case of the Baloch People** Hassan Hamdam, 2020-12-14 The emergence of the right to self-determination phenomenon during the twentieth century changed the political map of the world with the liberation of many nations from the yoke of colonialism. This book is an attempt to navigate the right of self-determination through international legal norms and explore its triumph and failure since the Second World War. It elaborates on the role position and the obligations of a modern state in the international law and new emerging relations of people in the world. The book describes briefly the history of British rule in the Indian subcontinent and the creation of the new Muslim state of Pakistan in 1947. The book narrates the events leading to the occupation of Balochistan by Pakistan in 1948. It highlights the long struggle of the Baloch people for the right to self-determination and to explain the right of the Baloch people according to the international principles and provide political and legal methods for the right to self-determination      **Deconstructing India-Pakistan Relations** Sanjeev Kumar H. M., 2023-12-14 This book examines the complex dynamics of India-Pakistan relations by situating the same in the postcolonial setting of the subcontinent. In pursuit of this, the book analyses the impact of the linkages between the postcolonial processes of state making and the structuring of political communities upon the evolution of the problematique of state security in South Asia. For the purpose of undertaking this task, the author deconstructs the countries colonial history with an aim to map its impact on the making of the foreign policy of Pakistan. Drawing primarily from colonial discourse theory and historical sociology, the book links the trajectory of Pakistan's international politics to its domestic politics and weak state inheritances. By doing this, it offers a stimulating treatment of the history of the country's troubled postcolonial relations with India. This has been done in the book by presenting the modes by which the religious, military and politico-bureaucratic classes that constitute the power elite in Pakistan tended to have moulded an India-centred State security problematique. This book will be

of interest to researchers studying South Asian security India Pakistan relations and the defence and foreign policy of Pakistan
