Pentecost Between Black and White Walter J. Hollenweger, 1974 *Between Babel and Pentecost* Andre Corten, Ruth Marshall-Fratani, 2001-08-22 This text considers the important transnational character of Pentecostal movements in Africa and Latin America and their tendency to foster identities that transcend national and cultural contexts

African-American Holiness Pentecostal Movement Sherry S. DuPree, 2013-09-13 First Published in 1996 Those of us who aspire to know about the black church in the African American experience are never satisfied We know so much more about the Christian and church life of black Americans than we did even a dozen years ago but all the recent discoveries whet our insatiable appetites to know it all That goal will never be attained of course but there do remain many conquerable worlds Sherry Sherrod DuPree set her mind to conquering one of those worlds She has persisted with the results detailed here A huge number of items are available to inform us about Holiness Pentecostal and Charismatic congregations and organizations in the African American Christian community

Pentecostals and Nonviolence Paul Alexander, 2012-11-09 Pentecostals and Nonviolence explores how a distinctly Pentecostal charismatic peace witness might be reinvigorated and sustained in the twenty first century To do so the book examines the nature of the early Pentecostal commitment to nonviolence and investigates the possibilities that might emerge from Pentecostals and Anabaptists entering into conversation and worship with each other Contributors engage the arguments surrounding the heritage of Pentecostal pacifism in the United States and then move toward exploring nonviolence and peacemaking as crucial for contemporary Christianity as a whole Ranging from theology testimony and pastoral ministry to interchurch relations activism and protest this diverse collection of essays challenge and invite the whole church to the task of peacemaking while exploring the distinctive and often neglected contributions from the Pentecostal charismatic tradition

Women in the Church of God in Christ Anthea Butler, 2012-01-01 The Church of God in Christ COGIC an African American Pentecostal denomination founded in 1896 has become the largest Pentecostal denomination in the United States today In this first major study of the church Anthea Butler examines the religious and social lives of the women in the COGIC Women s Department from its founding in 1911 through the mid 1960s She finds that the sanctification or spiritual purity that these women sought earned them social power both in the church and in the black community Offering rich lively accounts of the activities of the Women s Department founders and other members Butler shows that the COGIC women of the early decades were able to challenge gender roles and to transcend the limited responsibilities that otherwise would have been assigned to them both by churchmen and by white dominated society The Great Depression World War II and the civil rights movement brought increased social and political involvement and the Women s Department worked to make the sanctified world of the church interact with the broader American society More than just a community of church mothers says Butler COGIC women utilized their spiritual authority power and agency to further their contestation and negotiation of gender roles in the church and

Pentecostal Formation Cheryl Bridges

Johns,2010-11-01 The Pentecostal movement has been subject to some negative external assumptions In this enlightening and challenging book Cheryl Bridges Johns argues that in fact Pentecostals employ a powerful process of formation of catechesis which has enabled millions of believers to own and articulate the Christian story She engages dialectically with the work of Paulo Freire a specialist in education among the marginalized As well as looking more broadly at the nature of all catechesis there is also an attempt to move beyond the rationalism found in a praxis epistemology *A Plea for British Black Theologies, Volume 2* Roswith I. H. Gerloff,2010-11-01 This volume is the appendix to volume one and includes notes bibliographies and related materials Since the Second World War more than 1 000 black independent congregations in around 300 different organizations have sprung up all over Britain The immigration of Afro Caribbeans and West Africans has led to the emergence and growth of many churches which flourish in the cities and attract a growing number of members They now play an increasingly active role in the social and ecumenical life of the nation which is reflected in cooperation with the New Instrument of the British churches They comprise a rich diversity of theological traditions and cultural inheritance some in an interesting blend some in a struggle with white elements Existence and growth of these communities have often been explained by factors inherent in British society such as social deprivation and English racism The book attempts to prove that as much these factors are a reality they do not account for the dynamics of the movement its proliferation and stability Rather these congregations are carried by strong cultural and theological forces which molded the spiritual experience of the African diaspora They carry a living faith sound contextual theologies and a form of organization which presents a model for other ethnic minorities **Religious Fundamentalism in Developing Countries** Santosh C. Saha,Thomas K. Carr,2001-03-30 Using a variety of methodological approaches this timely book offers a thorough examination of the impact and implications of religious fundamentalism in developing nations The authors explore why and how adherence to fundamentalist principles affects the social political and religious development of such countries as Israel India Pakistan Bangladesh Egypt and the Philippines One of the most significant contributions of this volume is that it challenges the assumption that fundamentalism in developing countries is based solely on religious motivations The authors maintain that fundamentalism of this sort is motivated by both religious and political convictions This combination of religious and political motivations allows fundamentalism to exert a tremendous influence on the public policies of these developing nations As the social fabric of such countries continues to be developed it is clear that fundamentalism will continue to play a significant and potentially dangerous role *The Jesus People Movement* Richard A. Bustraan,2014-02-13 Who would have imagined that the hippies those long haired psychedelia influenced youth of the 1960s would have initiated a spiritual revolution that has transformed American Christianity If you are unfamiliar with the 1960s the counterculture the hippie movement and the Jesus People then this book will transport you to that era and introduce you to the generation and the decade that turned American culture upside down If you have read other books on the Jesus People this account will take

you by surprise A refreshingly different narrative that unveils a storyline and characters not commonly known to have been associated with the movement this book argues that the Jesus People though often trivialized and stigmatized as a group of lost and vulnerable youth who strayed from the Fundamentalism of their childhood helped American Christianity negotiate a way forward in a post 1960s culture It examines the narrative of the Holy Spirit and the phenomenon called Pentecostalism Although utterly central the Jesus People s Pentecostalism has never been examined and their story has been omitted from the historiography of Pentecostalism This account uniquely redresses this omission *Charismatic Christianity as a Global Culture* Karla O. Poewe,1994 In this important work leading scholars in the fields of religion and anthropology discuss the thought patterns and religious traditions of charismatics throughout the world By examining believers throughout the Americas Africa Asia and Europe the contributors provide a comprehensive overview of a charismatic tapestry that appears to transcend national ethnic racial and class boundaries *Bishop Charles H. Mason in the Age of Jim Crow* Elton H. Weaver III,2020-11-17 Bishop Charles H Mason in the Age of Jim Crow profiles the life and career of Charles Harrison Mason Mason was the founder of the Church of God in Christ COGIC which from its Memphis roots grew into the most significant black Pentecostal denomination in the United States with profound theological and political ramifications for poor and working class black Memphians Bishop Charles H Mason in the Age of Jim Crow is grounded in the history of the Jim Crow era The book traces the origins of COGIC in Memphis it reveals just how Mason s new black Pentecostal denomination grew gained social and political power and earned a permanent place in Memphis s black religious pantheon This book tells how a son of slaves transformed a rural migrant movement into an urban phenomenon how unusual religious demonstrations exemplified infrapolitical religious protests and how these rituals of resistance changed black lives and helped strengthen and sustain blacks fighting for freedom in segregated Memphis The author reveals why Charles H Mason was an important pre civil rights religious leader who laid the groundwork for integrated churches *African Americans in the South* Hans A. Baer,Yvonne Jones,1992 This volume reflects a new commitment by American anthropologists to engage in what has been called the anthropology of racism the analysis of systems of inequality based on biological differences Comprising nine papers and related commentary *African Americans in the South* examines racism class stratification and sexism as they bear on the African American struggle for social justice equality and cultural identity in the South The essays fall into three broad categories economic survival strategies health and reproductive problems and religious responses to the larger society Essays in the first category discuss African American teen pregnancy and mutual aid societies The second group focuses on health practices and knowledge among blacks in a Georgia town African American midwifery in North Carolina an AIDS education program in a Tennessee city and eating habits in rural North Carolina The essays in the last category emphasize the diversity of the African American religious experience by focusing on black Pentecostals Jews and Mormons in the South Together these writings constitute an important concerted first engagement of issues crucial to an understanding of the

history and social life of the South *The Study of Spirituality* Cheslyn Jones, Geoffrey Wainwright, Edward Yarnold, 1986-12-11 Written by contributors representing the Anglican Roman Catholic Free Church and Orthodox traditions this collection examines the nature and form of individual Christian devotion throughout the centuries Ethics in the Age of the Spirit Howard N. Kenyon, 2019-10-29 What causes us as a people of faith to think and act the way we think and act Are we motivated by whatever is most practical by a particular understanding of Scripture by the influence of the culture around us or by something more profound On the premise that Pentecostalism does have much to contribute to the study of ethics this book explores how one group the American Assemblies of God has wrestled with issues of racism women in ministry and Christian involvement in war In the process readers are invited to examine the connection or disconnect between what we believe and how we live out our faith Rites in the Spirit Daniel E. Albrecht, 1999-12-01 Rites in the Spirit is a book about spirituality ritual and Pentecostal experience The volume presents a careful and innovative study of Pentecostal practices and experiences Focusing on the very important but often intriguing worship rites that express the spirituality of Pentecostals Albrecht discovers that these Pentecostal charismatic rites and their attending sensibilities also function to shape nurture authenticate and even transform the spiritual lives of these Christians Rites in the Spirit seeks to guide Pentecostals and the charismatically inclined toward self interpretation and a more nuanced conception of and a deeper appreciation for their Pentecostal experience The volume also aims to make a sometimes exotic spirituality more accessible and understandable to those who have had limited contact with Pentecostal charismatic forms and expressions **The Origins and Development of African Theology** Gwinyai H. Muzorewa, 2000-04-05 The Origins and Development of African theology is a very informative survey of African theology over approximately the last twenty years The author is widely read on the subject as far as English publications go and highlights the salient issues with balanced objectivity The literature both as discussed in the substance of the book and in the bibliography is also a valuable source for further study of African theology John Mbiti author of *Prayers of African Religion* *Bishop C.H. Mason and the Roots of the Church of God in Christ* Bishop Ithiel C. Clemmons, Ph.D., 2012-06 The Church of God in Christ COGIC the first major denomination to spring from the fires of the Azusa Street revival profoundly affected the history of the black church Its tremendous influence can be traced to the dynamic spiritual life of its founder Charles Harrison Mason The son of a slave and a leader in the holiness movement of his day Mason traveled to Azusa Street in 1907 where he received the baptism of the Holy Spirit Returning home he discovered that visions spontaneous healing and deliverance followed him A new power accompanied his preaching and he experienced freedom from former limitations Mason's vibrant spiritual life enabled him to lead a fledgling movement from its infancy to a powerful prophetic community over the next fifty years Beginning in the rural South in the decades following the Reconstruction Era the denomination gradually moved into urban areas during the 1900s No matter where its ministers however the COGIC Church holds in tension the dynamics of holiness spiritual encounter and prophetic Christian social

consciousness Facing the challenges of our generation the COGIC Church desires to maintain the legacy of its founder as it prepares for another century of work and witness Our younger generations need to know the rich legacy bequeathed to them by the pioneers of the Church of God in Christ Presiding Bishop Chandler D Owens Every pastor in our denomination and beyond should have a worn and well read copy of this book Bishop Charles E Blake Sr This valuable book should be in the hands of every member of the Church of God in Christ Bishop C L Anderson God gave Bishop C H Mason an anointing to preach powerfully to heal the sick and to sing out in spontaneous worship May we covet the same anointing that transformed thousands in his day Bishop J Neaul Haynes We are the descendants of a mighty move of God that began at Azusa Street This book will help us to pass on an equally dynamic spiritual life to our successors taking the Church of God in Christ into the next century Bishop P A Brooks Church leaders would do well to emulate the dynamic spiritual life of our founder Bishop C H Mason Bishop O T Jones Jr Bishop Clemmons reminds us that our denomination was forged in the fires of a pentecostal revival that continues to impact our society today Bishop Gilbert E Patterson Our roots establish our legacy and provide the springboard for the future This documentation is a must for this generation and the generations to come Mother Emma F Crouch Supervisor Women s Department Church of God in Christ President International Women s Convention This is must reading for every seminary student preparing to minister in the Church of God in Christ This will be extremely valuable to students of church history regardless of denomination Dr H Vinson Synan Ph D Dean of the School of Divinity Regent University Finally a documentary written by a black historian theologian and a lifelong member of the Church of God in Christ Bishop Clemmons perspective is in sightful informative and refreshing Dr William C Turner Ph D Professor of Theology Duke Divinity School Duke University Allow Bishop C H Mason s vision to grip you to challenge you and to change you Raymond C Pierce J D Deputy Assistant Secretary U S Department of Education Office for Civil Rights

The Spirit Poured Out on All Flesh Amos Yong, 2005-07-01 The Pentecostal movement has had an incredible impact on the shape of worldwide Christianity in the past century Estimates are that Pentecostals and charismatics make up approximately one fourth of Christians worldwide and the numbers are only expected to grow With these developments comes the need for thoughtful Christians of all persuasions to better understand Pentecostal theology In fact Amos Yong believes that Pentecostal theology can be a great gift to the church at large Yong presents a thoroughly Pentecostal theology of salvation the church the nature of God and creation He also provides a fascinating survey of the state of worldwide Pentecostalism examining how Pentecostal theology is influencing Christian churches in other countries
