Hamilton,2021-06-29 Without exception this is the most revealing commentary of the book of Revelation in decades This fresh and historically researched commentary reveals what early Christians had known so many years ago about the apocalypse After 1 900 years present day Christians finally have a reliable document that explains Christ s prophetic book This commentary contains amazing insights One of the main adversaries in the book of Revelation was a prominent historical figure He was known as the savior of the church People looked up to him and worshipped him The apostle Paul called him the man of sin and the son of perdition 2 Thessalonians 2 3 The apostle John in one of his earlier writings called him the Antichrist 1 John 2 18 Those who failed to get their names written in the Book of Life marveled at his presence in eternal punishment Revelation 17 8 That person is identified by name in this commentary Armageddon is more than a great battle in the book of Revelation It is the one defining event that will affect everyone s life The number of combatants is as the sand of the sea Yet the battle will be over before it ever begins Revelation 20 8 9 The bowls of God s wrath were poured out on a wicked and unsuspecting world Historically a foul and loathsome sore came upon the men who had the mark of the beast and those who worshipped his image Revelation 16 2 This plague was described in detail by writers who lived as it occurred This commentary includes their firsthand accounts The Winepress of God s Wrath depicts God s anger at a wicked society while providing hope and comfort to believers The theme in the book of Revelation is clear the wicked will not escape destruction Only obedient Christians will avoid the winepress of God s wrath **Countdown to Victory** V. Moving Jesus Beyond the Pulpit Dr. Sunday J. I. Etsekhume, 2014-05-29

Moving Jesus beyond the Pulpit Doing It the Community Way Can Help Church Growth describes the challenges facing Christianity and the church Although these challenges are very significant they help to boost the efforts of the present disciples of Christ to be good ambassadors to the world What prompted the writing of this book is that author Sunday J I Etsekhume clamored for a dramatic change in the way some churches do outreach Some churches only prefer to do outreach from the pulpit but ignored the practice in the community where they are situated The book also describes various ways in which the church can show love and care which indicates the various ways that can portray the church healthiness For I was hungry and you gave Me food I was thirsty and you gave Me drink I was a stranger and you took Me in I was naked and you clothed Me I was sick and you visited Me I was in prison and you came to Me Matthew 25 35 36 The book also argues against the idea that church leaders would not compromise their positions as spiritual leaders due to financial insufficiencies in order to become fleshy leaders The arguments further center on how the church can do evangelism without jeopardizing church principles and some of the Christian rules of conduct Finally the book focuses on the pulpit where sermons are preached without the preachers practicing what they preached hypocrisy Dr Etsekhume has written an insightful thoughtful and thought provoking rationale for getting back to basics in terms of the way the Church approaches ministry Moving from pulpit to pew from leadership to follow ship and from minister to member Dr Etsekhume identifies the spiritual organizational and interpersonal challenges facing the Church and recommends Scriptural principles for addressing them By turns compassionate and passionate Moving Jesus Beyond the Pulpit is a wonderful reminder of the restorative renewing and revitalizing power of Christ both in the congregation and in the community at large Minister Sonja A West Associate Minister Mariners Temple Baptist Church New York NY Dr Sunday Etsekhume analyzes some of the issues that address the Church both from inside the institutional church and issues in the context that hinder the mission of the Church In this book one finds thoughtful and pragmatic methods for addressing some of the problems of the church and the larger community Moving Jesus Beyond the Pulpit is an important work that will be beneficial both to the church and the academy I highly recommend this work Dr Cleotha Robertson Ph D Assistant Professor Department of Old Testament at Alliance Theological Seminary New York City and the Senior Pastor Sound View Presbyterian Church Bronx New York

In His Name E. Christopher Reyes, 2014-05-16 Today almost all the major Christian sects tell their followers what they can or cannot read The truth could be disastrous to their faith In 1562 the Vatican established a special censoring office called Index Expurgatorius whose sole purpose was to prohibit the publication of Erroneous Passages of the Early Church Fathers which carried statements opposing their modern day dogma The Word is whatever the Christian Church says it is and when Vatican archivists came across genuine copies of the Church Fathers they corrected edited added abridged condensed and supplemented them according to the Expurgatory Index Index Expurgatorius Vaticanus R Gibbings ed Dublin 1837 The Literary Policy of the Church of Rome Joseph Mendham J Duncan London 1830 2nd ed 1840 The Vatican Censors op cit p 328 But throughout history few but the great thinkers of society understood this symbiotic relationship of politics and religion and those who spoke out became stigmatized by both the powerful priesthood and the ruling oligarchy You sniveling

Clippinger,2006-09-19 Almost 2 000 years ago Jesus offered to Israel not only spiritual salvation but political and physical salvation as well This offer was made with one crucial requirement or condition which Israel failed to meet Just before Jesus second coming Israel will fulfill this condition and The Offer will be received Why did Jesus conceal and try to hush up some of His miracles Why did Jesus command the disciples to tell no one that He was the Christ Why was Jerusalem and its temple destroyed in 70 A D and will the temple be rebuilt Will there be a forerunner like John the Baptist who prepares the way for Jesus second coming In the end times how will the nation of Israel come to believe in Jesus What will it be like for Christians to live and rule with Jesus on the earth These questions and many more are answered in *The Offer* Lance Clippinger demonstrates that if we understand what Jesus offered Israel many of our questions about the Bible Jesus the time we live in and the future of our world will be answered **One Nation without Law** Phil Hotsenpiller,2017-07-04 Dynamic Practical Faith Filled Response to the Evil Rising Around Us It s difficult to hear the growing daily reports of evil in our society without a degree of fear Seen from a human perspective things appear hopeless But as we consider the spiritual perspective of those same events we can and will see what purpose those struggles serve in God s plan In these pages pastor and author Phil Hotsenpiller will help you begin to connect the dots between biblical prophecies about lawlessness with current events As you begin to see God s perspective you will gain a more confident outlook for the future God is trying to get our attention show us how to get past our fears and help us respond with faith to the evil we see all around us Regardless of what we see on the news God is still in control Here are practical everyday ways we can move forward with hope and determination to make our world a better place until the return of Jesus Christ *Rescue from Death* Robert Taylor,2018-01-08 Jesus revealed God s heart toward sinners when He told the story of the father who from a great distance saw his prodigal son coming home and ran to embrace and kiss him But what if the son had not decided to return Is it conceivable that this same father would insist that his son suffer without relief for all eternity The discrepancy between the traditional view of hell and the heart of God displayed in Jesus Christ led Robert Taylor

to investigate the key biblical passages that address the destiny of the unsaved Scripture research and pivotal insights drawn from the consistent application of the literal method of interpretation fill the pages of Rescue from Death In this fresh look at the Bible Robert pays special attention to Matthew s Gospel where most of Jesus teachings on hell can be found as well as the Book of Revelation exploring the truth about Antichrist Satan and the new heaven and earth Jesus sacrifice at Calvary is also closely observed The good news is that Jesus came to rescue humanity from death the penalty for sin established in Eden declared throughout the Old Testament warned of by John the Baptist taught by Jesus and affirmed by the apostles By shining a spotlight on God s true justice Rescue from Death magnifies both the righteousness and the goodness of God Carefully observing what the Bible actually says Rescue from Death tackles the tough issues head on Small group discussion questions are provided for each chapter to stimulate critical thinking and help facilitate much needed conversation within the body of Christ Dig into God s Word and discover a Savior who loves everyone died for the world and rescues from death all who believe in Him
