Pioneer Sisters Laura Ingalls Wilder, Melissa A. Peterson, 1997 Laura Ingalls and her sisters share many adventures while growing up on the American frontier *Pioneer Sisters* Laura Ingalls Wilder, 2000 Laura Ingalls and her sisters share many adventures while growing up on the American frontier *Pioneer Sisters* Laura Ingalls Wilder, 1997-02 Laura Ingalls and her sisters share many adventures while growing up on the American frontier **Pioneer Sisters** Melissa A. Peterson, 1997 Laura Ingalls and her sisters share many adventures while growing up on the American frontier *Pioneer Sisters*, 1997 Laura Ingalls and her sisters share many adventures while growing up on the American frontier *The New Orleans Sisters of the Holy Family* Edward T. Brett, 2012-04-15 The Sisters of the Holy Family founded in New Orleans in 1842 were the first African American Catholics to serve as missionaries This story of their little known missionary efforts in Belize from 1898 to 2008 builds upon their already distinguished work through the Archdiocese of New Orleans of teaching slaves and free people of color caring for orphans and the elderly and tending to the poor and needy Utilizing previously unpublished archival documents along with extensive personal correspondence and interviews Edward T Brett has produced a fascinating account of the 110 year mission of the Sisters of the Holy Family to the Garifuna people of Belize Brett discusses the foundation and growth of the struggling order in New Orleans up to the sisters decision in 1898 to accept a teaching commitment in the Stann Creek District of what was then British Honduras The early history of the British Honduras mission concentrates especially on Mother Austin Jones the superior responsible for expanding the order s work into the mission field In examining the Belizean mission from the eve of the Second Vatican Council through the post Vatican II years Brett sensitively chronicles the sisters efforts to conform to the spirit of the council and describes the creative innovations that the Holy Family community introduced into the Belizean educational system In the final chapter he looks at the congregation s efforts to sustain its missionary work in the face of the shortage of new religious vocations Brett s study is more than just a chronicle of the Holy Family Sisters accomplishments in Belize He treats the issues of racism and gender discrimination that the African American congregation encountered both within the church and in society demonstrating how the sisters survived and even thrived by learning how to skillfully negotiate with the white dominant power structure

Pioneer Spirit Mary Ellen Doyle, 2021-12-14 Mother Catherine Spalding 1793 1858 was the cofounder and first leader of one of the most significant American religious communities for women the Sisters of Charity of Nazareth near Bardstown Kentucky Elected at age nineteen to lead the order Spalding also founded several educational institutions Louisville s first private hospital and the first social service agency for children in Kentucky *Pioneer Spirit* is the first biography of Catherine Spalding a woman who made it her life s work to serve the citizens of the Kentucky frontier Catherine who lost her mother at a young age and was raised in many different homes before she was ten years old eventually came to be raised in a colony of Catholic families These formative years taught her independence the value of hard work and an enduring spirit and the

importance of education all of which would figure prominently in her later career Spalding became increasingly interested in health care services for orphans and education and her business skills and strong sense of purpose allowed her to achieve her goals with little interference from outsiders She showed a natural gift for administration and the scope and services of the Sisters of Charity expanded under her leadership In the midst of this ministerial work however Spalding always maintained the connection of her ministry to spiritual and communal life ascribing great importance to all three facets of her calling Author Mary Ellen Doyle notes that in Spalding s correspondence with the Sisters she repeatedly emphasized the heart of charity genuine interest in each other and sisterly affection free of personal ambition or jealousy By the time of Catherine Spalding s death the Sisters of Charity of Nazareth extended beyond Nazareth to more than one hundred sisters in sixteen convents Spalding s legacy of service continues today with more than six hundred members worldwide and her story of progressive and compassionate leadership offers unique insights into the growth of a religious order and the struggles of developing America s frontier communities

Mountain Sisters Helen M. Lewis, Monica Apple, 2021-12-14 Monica Appleby and Helen Lewis reveal the largely untold story of women who stood up to the Church and joined Appalachians in their struggle for social justice Their poignant story of how faith compassion and persistence overcame obstacles to progress in Appalachia is a fascinating example of how a collaborative and creative learning community fosters strong voices Mountain Sisters is a prophetic first person account of the history of American Catholicism the war on poverty and the influence of the turbulent 1960s on the cultural and religious communities of Appalachia Founded in 1941 The Glenmary Sisters embraced a calling to serve rural Appalachian communities where few Catholics resided The sisters many of them seeking alternatives to the choices available to most women during this time zealously pursued their duties but soon became frustrated with the rules and restrictions of the Church Outmoded doctrine even styles of dress made it difficult for them to interact with the very people they hoped to help In 1967 after many unsuccessful attempts to persuade the Church to ease its requirements some seventy Sisters left the security of convent life Over forty of these women formed a secular service group FOCIS Federation of Communities in Service Mountain Sisters is their story
