Quest For The Post Historical Jesus:

A Quest for the Post-historical Jesus William Hamilton, 1993 **A History of the Quests for the Historical Jesus, Volume 2** Colin Brown, Craig A. Evans, 2022-11-08

A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today's biblical and theological scholarship. Jesus' life and teaching is important to every question we ask about what we believe and why we believe it. And yet there has never been common agreement about his identity, intentions, or teachings, even among first century historians and scholars. Throughout history, different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage, creating a labyrinth of conflicting ideas. From the evolution of orthodoxy and quests before Albert Schweitzer's famous Old Quest to today's ongoing questions about criteria, methods, and sources, *A History of the Quests for the Historical Jesus* not only chronicles the developments but lays the groundwork for the way forward. The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject, assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical, sociological, and theological underpinnings. Instead of seeking a bedrock of facts, Brown stresses the role of hermeneutics in formulating questions and seeking answers. Colin Brown was almost finished with the manuscript at the time of his passing in 2019. Brought to its final form by Craig A. Evans, this book promises to become the definitive history and assessment of the quests for the historical Jesus. Volume One, sold separately, covers the period from the beginnings of Christianity to the end of World War II. Volume Two covers the period from the post-war era through contemporary debates.

promises to become the definitive history and assessment of the quests for the historical Jesus Volume One covers the period from the beginnings of Christianity to the end of World War II Volume Two sold separately covers the period from the post War era through contemporary debates Handbook for the Study of the Historical Jesus (4 Vols) Tom Holmén, Stanley E. Porter, 2011 V 1 How to study the historical Jesus v 2 The study of Jesus v 3 The historical Jesus v 4 Individual studies The Quest of the Historical Jesus Albert Schweitzer, 1910 *The Future of Christology* Dong-Kun Kim, 2019-06-28 The Future of Christology addresses the questions that Christology currently faces and or will face in the future in 12 topics The book consists of two parts In the first part Kim deals with five topics related to traditional Christology while in the second part he wrestles with seven topics related to issues of Christology The twenty first century is a challenging time for Christianity Many in our age are asking what Jesus Christ means in various dimensions of history culture nature and even beyond the Earth Changes in values worldviews and views of the universe are forming a new zeitgeist Dong Kun Kim argues that ways of understanding Christ should change accordingly for a Christology that fails to communicate meaningfully with the times is void of vitality Postmodernism dehistoricization and life post ideology multiculturalism multiple religions and above all the rapid development of the natural sciences pose a serious challenge to traditional Christology Who is Christ in the age of an infinite cosmos How do daily human life social devotion and praxis relate to salvation How can we discuss salvation history in an era post history Where does Christ stand in the public sphere Can the Chalcedonian definition of the two natures of Christ true God and true human being encompass nature and the cosmos would a third nature of Christ be necessary Will the cyborg which may appear in the near future be the object of Christ s salvation If scientific determinism becomes popular in the future will the basis of faith in Christ lose ground If intelligent life exists in the universe what does Christ mean to such life This book provides innovative answers to these questions in an academic context Vital Issues in the Inerrancy Debate F. David Farnell, Norman L. Geisler, Joseph M. Holden, William C. Roach, Phil Fernandes, 2016-01-14 The inerrancy of God s Word has been attacked throughout church history Today s assaults are unique since neo evangelicals now surrender to post modernistic ideas of history and historical critical ideologies that assault this vital doctrine They seek to redefine the orthodox meaning of inerrancy Since the signing of the Chicago Statements troubling signs have once again appeared in recent years among many who either did not fight the battles for the inerrancy of Scripture as did the International Council on Biblical Inerrancy or who do not remember the troubling times that caused their development The nature and definition of inerrancy are now being changed to include ideas of fallibility History is forgotten The need arises for sounding the alarm for Vital Issues in Inerrancy Evangelical schools and churches that broke away earlier to defend inerrancy surrender now to academic prestige and scholarly fads instead of faithfulness to God s inerrant Word The contributors pray that the Lord will raise up a new generation with the spiritual fervency of the International Council on Biblical Inerrancy to uphold the inerrancy of God s Word Isaiah 40 8 The grass withers the flower fades But the word of our God stands forever **Science**

and the Study of God Alan G. Padgett, 2003 For many today religion and science are seen as enemies battling for human hearts and minds In this new book Alan Padgett shows that they can and should work together in developing a worldview that is at once spiritually meaningful and scientifically sound Pursuing a perspective that he calls the mutuality model Padgett highlights the contributions that both religion and science make to a full understanding of the world and our place in it He argues convincingly that the natural sciences and theology can rationally influence each other without giving up their important distinctives and methods The book explores the nature of informal reason and worldviews the character of theology as a spiritual and academic discipline and the question of what counts as natural science Along the way Padgett discusses such topics as thermodynamics time resurrection and the historical Jesus as examples of the powerful model that he is developing

Secularization in Contemporary Religious Radicalism Corneliu Simut, 2019-05-21 The concept of secularization has grown to become one of the most important features of contemporary religious thought This book introduces and examines the thinking of sixteen key theologians philosophers and historians of religion to explain a why by the late nineteenth century the traditional concept of God as an ontologically real being came to be considered no longer necessary and how the new perspective on God which accepts him only as an idea turned into the preferred approach of today's religion and philosophy namely religious radicalism

Jesus Christ in History and Scripture Edgar V. McKnight, 1999 *Jesus Christ in History and Scripture* highlights two related bases for the current revolution in Jesus studies 1 a critically chastened world view that is satisfied with provisional results and 2 a creative or poetic use of the sources of study of Jesus The first part of the book shows that precritical critical and postcritical epochs and attitudes all alive today support different sorts of knowledge concerning Jesus historical reconstructions historic memory and appropriations imaginative poetic and artistic creations and theological formulations and that the Gospels themselves Support different sorts of knowledge and approaches The Gospels were composed by Christians who combined historical information and historic memory in imaginative ways to present a Jesus who was relevant to their congregations as he was to the earliest disciples The creative contribution that readers of the Gospels make in their reconstructions of Jesus is a recapitulation of the creative activities of the earliest evangelists The central section of the book provides a philosophical rationale for correlating the historical critical methods of biblical scholars and the rationalist methods of theologians and for correlating these modern Enlightenment modes of knowledge with feeling lived experience and praxis It also traces the attempts to do justice to the historical Jesus with particular attention to the different philosophical and theological presuppositions supporting the different attempts A final section discusses the values of non foundationist hermeneutical approaches for the broader questions of the use and authority of the Bible In the end ecumenical rather than divisive approaches are advocated Different ways of doing church and different ways of discovering and creating truth demand an ecumenical approach

Kierkegaard and the Theology of the Nineteenth Century George Pattison, 2012-11-15 This book situates Kierkegaard in the

nineteenth century debates which influenced him and discusses his relevance to contemporary Christian theology

Introduction to the New Testament Raymond Collins, 2010-06-02 A massive survey of New Testament scholarship its history methodology and findings from a Catholic standpoint Fr Collins Catholic U of Louvain has a masterful grasp of his subject and this book is a model of clarity organization and fair mindedness **Jesus Research** James H.

Charlesworth, Brian Rhea, Petr Pokorny, 2014-01-23 This volume explores nearly every facet of Jesus research from eyewitness criteria to the reliability of memory from archaeology to psychobiography from oral traditions to literary sources and from narrative criticism to Gospel criticism Bringing together a wide variety of topics and perspectives in one volume this ambitious collaborative enterprise casts light on important debates and encourages creative links between ideas new and old This distinguished collection of articles by internationally renowned Jewish and Christian scholars originates with the Princeton Prague Symposium on Jesus Research It summarizes the significant advances in understanding Jesus that scholars have made in recent years chiefly through the development of diverse methodologies Even readers who are already knowledgeable in the field will discover unique angles from well known New Testament scholars and all will be brought up to speed on the current state of play within Jesus studies *An Introduction to the New Testament* M. Eugene

Boring, 2012-10-13 This thoroughly researched textbook from well respected scholar M Eugene Boring presents a user friendly introduction to the New Testament books Boring approaches the New Testament as a historical document one that requires using a hands on critical method Moreover he asserts that the New Testament is the church s book in that it was written selected preserved and transmitted by the church Boring goes on to explore the historical foundation and formation of the New Testament within the context of pre Christian Judaism and the world of Jesus and the early church He then examines the individual books of the New Testament providing helpful background information and methods for interpretation and revealing the narrative substructure found within each of the Gospels and Letters This volume includes helpful illustrations charts notes and suggestions for further reading Sections are laid out in a well organized manner to help students navigate the content more easily *The Dark Side of Church/State Separation* Stephen Strehle, 2017-09-08 The

Dark Side of Church State Separation analyzes the Enlightenment s attack upon the Judeo Christian tradition and its impact upon the development of secular regimes in France Germany and Russia Such regimes followed the anti Semitic anti Christian agenda of the French Enlightenment in blaming the Judeo Christian tradition for all the ills of European society and believing that human beings can develop their own set of values and purposes through rational means apart from any revelation from God or Scripture Stephen Strehle s analysis extends our understanding of church state relations and its history He confirms the spiritual roots of modern anti Semitism within the ideology of the Enlightenment and recognizes the intimate relationship between anti Semitism and anti Christianity Strehle questions the absolute doctrine of church state separation given its background in the bigotries of the philosophes He notes the nefarious motives of subsequent regimes

which used the French doctrine to replace the religious community with the state and its secular ideology This detailed historical analysis of original sources and secondary literature is woven together with special appreciation for the philosophical and theological ideas that contributed to the emergence of political institutions Readers will gain an understanding of the most influential ideas shaping the modern world and present day culture *Inventing Christic Jesuses, Volume 1* Charles A. Wilson, 2017-11-09 *Inventing Christic Jesuses* is the first comprehensive proposal for how revisionist theology can deploy historical Jesus research in a methodologically sophisticated way Rejecting positions that insulate theology from Jesus research the proposal sets out warrants and rules for a quested Christology in dialogue with an analysis of the conduct of historians of Jesus from the period of the Third Quest c 1980 2010 The volume Method analyzes for theology the methods and values of historical research on Jesus It argues that the methodic construction of historical images of Jesus in conversation with sources is simultaneously a retrojective activity of value production First in defining the terms of the inquiry Wilson locates a middle ground between hostility to questing and a too ready application of historical results to Christology He then identifies rules and warrants for the deployment of Jesus research in theology and reconstructs the notion of the retrojection of value in the production of a historical Jesus The volume ends with a case study of retrojective Jesus production an analysis and assessment of the new notion that Jesus is a sage in the tradition of wisdom **The Comical Doctrine** Rosalind Selby, 2006-10-01 In this wide ranging study Rosalind Selby explores the hermeneutical implications of a Barthian epistemology in which givenness of knowledge talk of God and Scripture and the Church is paramount From this she seeks to develop a hermeneutics of service that challenges both liberal and fundamentalist approaches to theological language and biblical interpretation Selby tackles the issues of knowledge and especially knowledge of God the language used to communicate that knowledge and that language as Scriptural textuality Barth wrote of the comical doctrine that the true exegete has no presuppositions In fact he said no one reads the bible directly we all read it through spectacles In the train of his insight Selby examines the role of community as a prerequisite for knowledge and truth claims before examining the different ways that various communities interpret Scripture focusing on St Mark's Gospel The presuppositions of the different starting places are revealed and the appropriateness of various methodologies discussed The Quest for the Historical Jesus and its struggles to handle the resurrection are used as a test case to show the impact of different hermeneutical strategies The insights in this thought provoking study have implications for issues as wide ranging as the genre Gospel the authority of Scripture the Church as a reading community the plurality of interpretations and the possibility of controlling them the relationship between general and special theological hermeneutics as well as epistemological foundationalism and its alternatives *Beyond the Pale* Miguel A. De La Torre, Stacey M. Floyd-Thomas, 2011-01-01 How should Origen Anselm Luther Wesley Kierkegaard Barth and Whitehead be read today in light of postcolonial theory and twenty first century understandings This book offers a reader friendly introduction to liberation

theology by having scholars from the margins explore how questions of race and gender should be brought to bear on thirty classic theologians Each short chapter gives historical background for the thinker describes that thinker s most important contributions then raises issues of concern for women and persons of color Contributors include Rita Nakashima Brock Cheryl A Kirk Duggan Harold J Recinos M Shawn Copeland Kwok Pui Lan Joerg Rieger and many others A Theology of the New Testament George Eldon Ladd,1993-09-02 Ladd s magisterial work on New Testament theology has well served scores of seminary students since 1974 Now this comprehensive standard evangelical text has been carefully revised by Hagner to include an update of Ladd s survey of the history of the field of New Testament theology an augmented bibliography and an entirely new subject index **Resurrecting the Death of God** Daniel J. Peterson,G. Michael Zbaraschuk,2014-05-01 Considers the legacy and future of radical theology In 1966 an infamous Time magazine cover asked Is God Dead and brought the ideas of theologians William Hamilton and Thomas J J Altizer to the wider public In the years that followed both men suffered professionally and there was no notable increase to the small number of thinkers considered death of God theologians Meanwhile Christian fundamentalism staged a striking comeback in the United States Yet death of God or radical theology has had an ongoing influence on contemporary theology and philosophy Contributors to this book explore the origins influence and legacy of radical theology and go on to take it in new directions In a time when fundamentalism is the greatest religious temptation this volume makes the case for the necessity of resurrecting the death of God Resurrecting the Death of God shows why Altizer continues to ride the stream of contemporary conversations in academic theology and continental philosophy without ever losing his luster Carl A Raschke author of Postmodernism and the Revolution in Religious Theory Toward a Semiotics of the Event
