Russian Americans:

Russian Americans Nichol Bryan, 2010-09-01 Provides information on the history of Russia and on the customs language religion and experiences of Russian Americans **Russians in America** Alison Behnke, 2005-01-01 Traces the history of motivations behind and lives of the many Russians who emigrated to the United States over the last two centuries

Russian Immigrants in the United States Vera Kishinevsky, 2004 Kishinevsky's study surveys the acculturation of and response to American culture by three generations of Russian immigrant women Kishinevsky tells the stories of three generations of women who immigrated to the United States from Russia and satellite states inviting the reader into their reality and presenting their worldviews attitudes and perspectives through powerful and exciting life stories She interviewed five triads of immigrant women retired grandmothers midlife mothers and teenage daughters Her analysis of these powerful pieces yields unexpected conclusions about the strength of family ties and intergenerational influences that continue to shape the worldview of young Russian Americans The book is written from a multicultural perspective exploring such general issues as acculturation assimilation and psychological adjustment of immigrants as it applies to the Russian immigrants

'Russian Americans' in Soviet Film Marina L. Levitina, 2015-09-29 Certain aspects of American popular culture had a formative influence on early Soviet identity and aspirations Traditionally Soviet Russia and the United States between the 1920s and the 1940s are regarded as polar opposites on nearly every front Yet American films and translated adventure fiction were warmly received in 1920s Russia and partly shaped ideals of the New Soviet Person into the 1940s Cinema was crucial in propagating this new social hero While open admiration of American film stars and heroes of literary fiction in the Soviet press was restricted from the late 1920s onwards many positive heroes of Soviet Socialist Realist films in the 1930s and 1940s were partially a product of Soviet Americanism of the previous decade Some of the new Soviet heroes in films of the 1930s and 1940s possessed traits noticeably evocative of the previously popular American film stars such as Douglas Fairbanks Pearl White and Mary Pickford Others cinematically represented the contemporary trope of the Russian American an ideal worker exemplifying the Stalinist marriage of Russian revolutionary sweep with American efficiency *Russian Americans in Soviet Film* analyses the content reception and underlying influences of over 60 Soviet and American films the book explores new territory in Soviet cinema and Soviet American cultural relations It presents groundbreaking archival research encompassing Soviet audience surveys Soviet film journals and reviews memoirs and articles by Soviet filmmakers and scripts among other sources The book reveals that values of optimism technological skill efficiency and self reliance perceived as quintessentially American were incorporated into new Soviet ideals through channels of cross cultural dissemination resulting in cultural synthesis *Russian America* Ilya Vinkovetsky, 2011-04-06 From 1741 until Alaska was sold to the United States in 1867 the Russian empire claimed territory and peoples in North America In this book Ilya Vinkovetsky examines how Russia governed its only overseas colony illustrating how the colony fit into and diverged from the

structures developed in the otherwise contiguous Russian empire Russian America was effectively transformed from a remote extension of Russia's Siberian frontier penetrated mainly by Siberianized Russians into an ostensibly modern overseas colony operated by Europeanized Russians Under the rule of the Russian American Company the colony was governed on different terms than the rest of the empire a hybrid of elements carried over from Siberia and imported from rival colonial systems Its economic labor and social organization reflected Russian hopes for Alaska as well as the numerous limitations such as its vast territory and pressures from its multiethnic residents it imposed This approach was particularly evident in Russian strategies to convert the indigenous peoples of Russian America into loyal subjects of the Russian Empire Vinkovetsky looks closely at Russian efforts to acculturate the native peoples including attempts to predispose them to be more open to the Russian political and cultural influence through trade and Russian Orthodox Christianity Bringing together the history of Russia the history of colonialism and the history of contact between native peoples and Europeans on the American frontier this work highlights how the overseas colony revealed the Russian Empire's adaptability to models of colonialism

Russian America United States. Department of State, 1868

The Russian Americans Paul R. Magocsi, 1996 Presents an overview of the Russian American immigrant experience

New Perspectives on Russian-American Relations William Benton Whisenhunt, Norman E. Saul, 2015-08-14 New Perspectives on Russian American Relations includes eighteen articles on Russian American relations from an international roster of leading historians Covering topics such as trade diplomacy art war public opinion race culture and more the essays show how the two nations related to one another across time from their first interactions as nations in the eighteenth century to now Instead of being dominated by the narrative of the Cold War New Perspectives on Russian American Relations models the exciting new scholarship that covers more than the political and diplomatic worlds of the later twentieth century and provides scholars with a wide array of the newest research in the field

Russian Americans Steven Ferry, 1995-09 Provides a history of Russian immigration to the United States and discusses Russian customs and contributions to American culture

The Tlingit Indians in Russian America, 1741-1867 A. V. Grinev, 2005-12-01 The Tlingits the largest Indian group in Alaska have lived in Alaska's coastal southwestern region for centuries and first met non Natives in 1741 during an encounter with the crew of the Russian explorer Alexei Chirikov The volatile and complex connections between the Tlingits and their Russian neighbors as well as British and American voyagers and traders are the subject of this classic work first published in Russian and now revised and updated for this English language edition Andrei Val terovich Grinev bases his account on hundreds of documents from archives in Russia and the United States he also relies on official reports the notes of travelers the investigations of historians and ethnographers museum collections atlases illustrations and photographs

Transcultural Nursing - E-Book Joyce Newman Giger, Linda Haddad, 2020-03-10 NEW co author Dr Linda Haddad is an internationally recognized cultural scholar who has taught nursing around the globe has acted as an advisor and coordinator for the World Health Organization and has published over 30 scholarly articles on nursing with a focus on understanding the cultural implication to care UPDATED Cultural chapters are completely revised to reflect the shifting experiences of cultural groups in our society

The Catacazy Affair and the Uneasy Path of Russian-American Relations Lee A. Farrow, 2021-09-09 Constantin Catacazy whipped up scandal in Washington after his appointment there as Russian Ambassador in 1869 ignoring diplomatic protocol and defying social mores By 1871 President Grant and his Cabinet requested that he be recalled But the timing of this request overlapped with the visit of the tsar's son to the USA a celebrated diplomatic event symbolising the friendship and good will between the two nations Consequently Catacazy was allowed to travel with the tsar's son but only as a persona non grata This tense resolution led many to worry about the future of the Russian American friendship With a keen sense of the human interest Lee A Farrow demonstrates that this affair was one of the earliest significant complications in the relationship between Russia and the USA Using a lively micro historical approach and fresh materials such as the letters of Catacazy and of Secretary of State Hamilton Fish from archives in the USA UK and Russia Farrow explores 19th century politics and diplomacy and the pre suffrage power of women in the political arena through an investigation of the Washington wives reactions to the controversial figure of Olga Catacazy The result is a cutting edge analysis of this pivotal episode in modern history

The New Americans Mary C. Waters, Reed Ueda, Helen B. Marrow, 2007-01-30 Listen to a short interview with Mary Waters Host Chris Gondek Producer Heron Crane Salsa has replaced ketchup as the most popular condiment A mosque has been erected around the corner The local hospital is staffed by Indian doctors and Philippine nurses and the local grocery store is owned by a Korean family A single elementary school may include students who speak dozens of different languages at home This is a snapshot of America at the turn of the twenty first century The United States has always been a nation of immigrants shaped by successive waves of new arrivals The most recent transformation began when immigration laws and policies changed significantly in 1965 admitting migrants from around the globe in new numbers and with widely varying backgrounds and aspirations This comprehensive guide edited and written by an interdisciplinary group of prominent scholars provides an authoritative account of the most recent surge of immigrants Twenty thematic essays address such topics as immigration law and policy refugees unauthorized migrants racial and ethnic identity assimilation nationalization economy politics religion education and family relations These are followed by comprehensive articles on immigration from the thirty most significant nations or regions of origin Based on

the latest U S Census data and the most recent scholarly research The New Americans is an essential reference for students scholars and anyone curious about the changing face of America **Multicultural America** Carlos E. Cortés,2013-08-15 This comprehensive title is among the first to extensively use newly released 2010 U S Census data to examine multiculturalism today and tomorrow in America This distinction is important considering the following NPR report by Eyder Peralta Based on the first national numbers released by the Census Bureau the AP reports that minorities account for 90 percent of the total U S growth since 2000 due to immigration and higher birth rates for Latinos According to John Logan a Brown University sociologist who has analyzed most of the census figures The futures of most metropolitan areas in the country are contingent on how attractive they are to Hispanic and Asian populations Both non Hispanic whites and blacks are getting older as a group These groups are tending to fade out he added Another demographer William H Frey with the Brookings Institution told The Washington Post that this has been a pivotal decade We re pivoting from a white black dominated American population to one that is multiracial and multicultural Multicultural America A Multimedia Encyclopedia explores this pivotal moment and its ramifications with more than 900 signed entries not just providing a compilation of specific ethnic groups and their histories but also covering the full spectrum of issues flowing from the increasingly multicultural canvas that is America today Pedagogical elements include an introduction a thematic reader s guide a chronology of multicultural milestones a glossary a resource guide to key books journals and Internet sites and an appendix of 2010 U S Census Data Finally the electronic version will be the only reference work on this topic to augment written entries with multimedia for today s students with 100 videos with transcripts from Getty Images and Video Vault the Agence France Press and Sky News as reviewed by the media librarian of the Rutgers University Libraries working in concert with the title s editors **The American Bibliography of Slavic and East European Studies for 1994** Patt Leonard,Rebecca Routh,1997-05-31 This text provides a source of citations to North American scholarships relating specifically to the area of Eastern Europe and the former Soviet Union It indexes fields of scholarship such as the humanities arts technology and life sciences and all kinds of scholarship such as PhDs **The United States, Russia, and Russian-America** Howard I. Kushner,1979

The book delves into Russian Americans. Russian Americans is an essential topic that needs to be grasped by everyone, from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Russian Americans, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to Russian Americans
- Chapter 2: Essential Elements of Russian Americans
- Chapter 3: Russian Americans in Everyday Life
- Chapter 4: Russian Americans in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, this book will provide an overview of Russian Americans. The first chapter will explore what Russian Americans is, why Russian Americans is vital, and how to effectively learn about Russian Americans.
3. In chapter 2, this book will delve into the foundational concepts of Russian Americans. The second chapter will elucidate the essential principles that must be understood to grasp Russian Americans in its entirety.
4. In chapter 3, this book will examine the practical applications of Russian Americans in daily life. This chapter will showcase real-world examples of how Russian Americans can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Russian Americans in specific contexts. This chapter will explore how Russian Americans is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about Russian Americans. This chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Russian Americans.
