Understanding the lexicon Werner Hüllen, Rainer Schulze, 2011-05-02 Over the past few decades the book series Linguistische Arbeiten Linguistic Studies comprising over 500 volumes has made a significant contribution to the development of linguistic theory both in Germany

and internationally The series will continue to deliver new impulses for research and maintain the central insight of linguistics that progress can only be made in acquiring new knowledge about human languages both synchronically and diachronically by closely combining empirical and theoretical analyses To this end we invite submission of high quality linguistic studies from all the central areas of general linguistics and the linguistics of individual languages which address topical questions discuss new data and advance the development of linguistic theory *Defending Hope* Justin

Langford,2013-02-01 Most of the current scholarly literature on biblical intertextuality or the use of the Old Testament in the New Testament exhibits a high degree of variance regarding methodological approach The variety of methods employed naturally yields a variety of results Semiotics or the study of signs and how they communicate offers an avenue for approaching intertextual references that focuses on communication theory and meaning In addition semiotic theory provides an overarching methodological framework for examining intertextual references As such a semiotic approach can assist in creating greater methodological consistency and clarity for this nuanced area of New Testament study The purpose of this book is to explore the use of semiotics as a viable approach to biblical intertextuality The intertextual references to Isaiah in 1 Peter will serve as the test case for an application of the method A semiotic approach is promising because it offers a solution to the pervasive problem of methodology in intertextual studies Moreover the investigation of 1 Peter s use of Isaiah provides a fresh perspective on how Peter utilizes this important source in the construction of his epistle and the communication of his message
