More Than Friend The Letters Of Robert Browning To Katherine De Kay Bronson:

More Than Friend Robert Browning, 1985 **Robert Browning** John Woolford, Daniel Karlin, 2014-09-11 Robert Browning 1812-89 rivals Tennyson as the major Victorian poet with such important works as *Dramatic Lyrics*, *Dramatic Romances and Lyrics*, *Men and Women*, *Dramatic Personae* and the monumental *The Ring and the Book*. He is known for his development of the dramatic monologue in which he recreated the world of Renaissance Italy and provided subtle and complex explorations of character. Here Daniel Karlin and John Woolford provide a thematic survey of Browning's often difficult work using key poems as a common point of reference. The themes covered include styles, genres, the mind, the world, interaction and criticism. This excellent survey will be of value to students of Victorian literature and modernism. **Robert Browning** Stefan Hawlin, 2012-09-10 Accessibly written throughout, this guidebook covers biographical details, information on the historical and social contexts of Browning's work, an overview of the full range of his work and a survey of the major critical debates surrounding him and his work. **The Correspondence and Journals of the Thackeray Family Vol 4** John Aplin, 2024-10-28 Marking the bicentenary of the birth of William Makepeace Thackeray in 1811, this five-volume set presents a collection of materials relating to the novelist and to his gifted family. **Selected Poems** Robert Browning, 2004-06-24 Robert Browning was one of the greatest of English poets whose intense and original imagination enabled him to transform any subject he chose, whether everyday or sublime, into startling, memorable verse. In his work he brought to life the personalities of a diverse range of characters and introduced a new immediacy, colloquial energy and psychological complexity to the poetry of his day. This selection brings together verse ranging from early dramatic monologues such as the chilling *My Last Duchess* and the ribald *Fra Lippo Lippi*, which show his gift for inhabiting the mind of another, to the popular children's poem *The Pied Piper of Hamelin* and many lesser-known works. All display his innovative techniques of diction, rhythm and symbol which transformed Victorian poetry and influenced major poets of the twentieth century such as Ezra Pound, T. S. Eliot and Robert Frost. *Lives of Victorian Literary Figures, Part II, Volume 1* Simon Avery, 2024-05-17 The three volumes that comprise this set are facsimile reproductions of contemporary biographical material. They include letters, memoirs, poems and articles on three outstanding Victorian literary partnerships. These are the Brownings, the Brontës and the Rossettis. *Letters From the Palazzo Barbaro* Henry James, 2013-01-29 The novelist Henry James arrived in Venice as a tourist and instantly fell in love with the city, particularly with the splendid Palazzo Barbaro, home of the expatriate American Curtis family. This selection of letters covers the period 1869-1907 and provides a unique record of the life and work of this great writer. Includes historical photographs and a foreword by Leon Edel. Henry James's biographer. *Emma Lazarus in Her World* Bette Roth Young, 1997-08-01 The biography and selected letters of this literary great includes over 60 newly discovered letters written to many other literary giants of the time, including Robert Browning and William Morris. *Aurora Leigh and Other Poems* Elizabeth Browning, 2006-01-26 *Aurora Leigh* 1856 Elizabeth Barrett

Browning's epic novel in blank verse tells the story of the making of a woman poet exploring the woman question art and its relation to politics and social oppression The texts in this selection are based in the main on the earliest printed versions of the poems What Edgar Allan Poe called her wild and magnificent genius is abundantly in evidence In addition to Aurora Leigh this volume contains poetry from the several volumes of Elizabeth Barrett Browning's published poetry from 1826 to 1862 including Casa Guidi Windows 1851 Songs for the Ragged Schools of London 1854 and the British Library manuscript text of the Sonnets from the Portuguese 1846 which records her courtship with Robert Browning The Collected (Almost) Works of Michael Timko Michael Timko,2007-10-30 The Collected Almost Works of Michael Timko Volume II consists of a number of essays written over the past 50 or so years These essays some scholarly some not so scholarly reflect his interests in various subjects some scholarly some not so Their publication in this volume is chiefly for the benefit of immediate family and dear friends The author hopes that those who dip into the book will immerse themselves completely in other words get wet In the words of that famous philosopher Enjoy Trollope Victoria Glendinning,2011-04-30 Victoria Glendinning provides a woman's view of Anthony Trollope placing emphasis on family particularly on his relationship with his mother But it is Anthony as a husband and lover that intrigues her most She looks at the nature of his love for his wife Rose and at his love for Kate Field *Julia Wedgwood, The Unexpected Victorian* Sue Brown,2022-03-08 Though Julia Wedgwood is still remembered as a commentator on the work of her uncle Charles Darwin and for her brief but intense friendship with Browning her contemporary standing as a writer the thoughtful woman par excellence has been obscured as has her role in the pioneering days of women's higher education and the first campaigns for female suffrage Based on her extensive correspondence and unusually wide ranging work this biography unites the private person and the public writer It also looks at her many relationships with leading Victorian cultural figures including not only Darwin and Browning but George Eliot Mrs Gaskell Harriet Martineau Frances Power Cobbe F D Maurice Richard Hutton Arthur Munby and the young E M Forster It considers the challenges facing a single deaf Victorian woman in establishing her own independent but unconventional life

Paradise of Cities John Julius Norwich,2007-12-18 John Julius Norwich's A History of Venice has been dubbed indispensable by none other than Jan Morris Now in his second book on the city once known as La Serenissima Norwich advances the story in this elegant chronicle of a hundred years of Venice's highs and lows from its ignominious capture by Napoleon in 1797 to the dawn of the 20th century An obligatory stop on the Grand Tour for any cultured Englishman and later Americans Venice limped into the 19th century first under the yoke of France then as an outpost of the Austrian Hapsburgs stripped of riches yet indelibly the most ravishing city in Italy Even when subsumed into a unified Italy in 1866 it remained a magnet for aesthetes of all stripes subject or setting of books by Ruskin and James a muse to poets and musicians in its way the most gracious courtesan of all European cities By refracting images of Venice through the visits of such extravagant and sometimes debauched artists as Lord Byron Richard Wagner and the inimitable Baron Corvo Norwich
