discovering no meaningful application of God's eternal truth. This one volume commentary on the entire Bible from one of America's foremost Bible expositors offers instead a minilibrary of understandable resources designed to convey the Bible's overarching message with historical and theological clarity. Pastor and teacher John MacArthur covers the complete Bible every passage of the Old and New Testaments phrase by phrase in this valuable one volume resource. Hundreds of additional study tools complement the commentary such as Word studies, Charts, graphs, and brief articles. Overviews of each major division of the Bible. Introductions to each biblical book. A summary of essential Christian theology. Special sections on Jesus's life and ministry. Harmonies of historical writings. Guidance in studying, applying, and teaching God's Word. Readers benefit from the coherence a single commentator provides, finding faithful, understandable, and relevant resources for any passage from the entire Bible. Consistent elements include exploring God's character, seeing Christ in all Scripture, and identifying key doctrines, vital people, and touchstone Scripture passages. The MacArthur Bible Commentary offers pastors, Bible teachers, serious Bible readers, and anyone seeking to read and understand the Scriptures a way to focus their studies while still seeing the entire Bible's application to the Christian life.
