TRENDS

IN CANADIAN FEDERALISM

Second Edition

edited by François Rocher & Miriam Smith

New Trends In Canadian Federalism

Graham White

New Trends In Canadian Federalism:

New Trends in Canadian Federalism François Rocher, Miriam Catherine Smith, 1995 *New Trends in Canadian Federalism* François Rocher, Miriam Catherine Smith, 2003 ***New Trends in Canadian Federalism*** François Rocher, Miriam Catherine Smith, 2003 This new edition offers a fresh and comprehensive exploration of the complexity of Canadian federal politics ***Canada: The State of the Federation 2017*** Elizabeth Goodyear-Grant, Kyle Hanniman, 2019-10-16 In October 2015 the federal Liberals came to power with sweeping plans to revamp Canada's democratic and federal institutions a modernizing agenda intended to revitalize Canada's democratic architecture The centrepiece of the agenda was the replacement of Canada's first past the post electoral system but they also promised to revitalize relations with the provinces bring Indigenous Peoples into the intergovernmental fold and to change the ways in which senators and Supreme Court justices are appointed How has the reform agenda fared Has it resulted in a more effective and democratic set of political and federal institutions Or has it largely failed to deliver on these objectives What more broadly is the state of Canada's democratic and federal institutions The Queen's Institute of Intergovernmental Relations used the occasion of Canada's 150th birthday to examine these pressing issues The 2017 volume in the State of the Federation series focuses on enduring questions about the functioning of federalism and intergovernmental relations in Canada including how we should evaluate the quality of Canada's institutions and practices in light of our federal structure and how current institutional arrangements and their possible alternatives fare according to these criteria ***The Provinces and Canadian Foreign Trade Policy*** Christopher J. Kukucha, 2009-07-01 During the past thirty years international trade agreements have focused increasingly on areas of provincial jurisdiction In *The Provinces and Canadian Foreign Trade Policy* Kukucha argues that Canadian provinces have maintained a level of autonomy in response to these developments sometimes even influencing Canada's global trade relations and the evolution of international norms and standards The first comprehensive review of provincial foreign trade policy in Canada the book highlights the convergence of debates related to federalism Canadian foreign policy and the global political economy as they are played out in the negotiation and implementation of international trade agreements It will be of interest to students and practitioners of political science public policy and economics ***Canadian Politics, Sixth Edition*** James Bickerton, Alain-G. Gagnon, 2014-03-31 The sixth edition of *Canadian Politics* offers a comprehensive introduction to Canadian government and politics by a highly respected group of political scientists For this edition the editors have organized the book into six parts Part I examines Canadian citizenship and political identities while Parts II and III deal with Canadian political institutions including Aboriginal governments and contain new chapters on the public service and Quebec Parts IV and V shift the focus to the political process discussing issues pertaining to culture and values parties and elections media groups movements gender and diversity The chapters on Parliament bureaucracy political culture political communications social movements

and media are new to this edition Finally three chapters in the last section of the book analyze components of Canadian politics that have been gaining prominence during the last decade the effects of globalization the shifting ground of Canadian American relations and the place of Canada in the changing world order Of the 21 chapters in this edition 9 are new and the remainder have been thoroughly revised and updated

Romanow Papers: The governance of health care in Canada Commission on the Future of Health Care in Canada,2004-01-01 The twelve papers in this third volume of the research program for the Romanow Commission offer a detailed analysis of the governance of health care in Canada from the perspective of constitutionalism intergovernmental relations and societal context In the first section the authors deal with the formal division of powers regarding health care as outlined in the Canadian constitution and the Charter of Rights and Freedoms The second section outlines the strengths and weaknesses of the intergovernmental governance of health care Finally the third section focuses on governance of health care outside of the governmental sphere The theme that resonates throughout the contributions and which is in itself a call for deeper analysis is that health care governance has become locked in a cycle of mutual recrimination blame assigning and blame avoidance from the federal and provincial levels right down to the level of the individual citizen

Intergovernmental Policy Capacity in Canada Gregory J. Inwood,Carolyn Johns,Patricia O'Reilly,2011-11-25 Gregory Inwood Carolyn Johns and Patricia O'Reilly offer unique insights into intergovernmental policy capacity revealing what key decision makers and policy advisors behind the scenes think the barriers are to improved intergovernmental policy capacity and what changes they recommend Senior public servants from all jurisdictions in Canada discuss the ideas institutions actors and relations that assist or impede intergovernmental policy capacity Covering good and bad economic times and comparing insiders concerns and recommendations with those of scholars of federalism public policy and public administration they provide a comparative analysis of major policy areas across fourteen governments Intergovernmental policy capacity while of increasing importance is not well understood By examining how the Canadian federation copes with today s policy challenges the authors provide guideposts for federations and governments around the world working on the major policy issues of our day

The Government Taketh Away Leslie A. Pal,R. Kent Weaver,2003-04-01 Democratic government is about making choices Sometimes those choices involve the distribution of benefits At other times they involve the imposition of some type of loss a program cut increased taxes or new regulatory standards Citizens will resist such impositions if they can or will try to punish governments at election time The dynamics of loss imposition are therefore a universal if unpleasant element of democratic governance The Government Taketh Away examines the repercussions of unpopular government decisions in Canada and the United States the two great democratic nations of North America Pal Weaver and their contributors compare the capacities of the U S presidential system and the Canadian Westminster system to impose different types of losses symbolic losses gun control and abortion geographically concentrated losses military base closings and nuclear waste disposal geographically dispersed losses cuts to

pensions and to health care and losses imposed on business telecommunications deregulation and tobacco control Theory holds that Westminster style systems should all things being equal have a comparative advantage in loss imposition because they concentrate power and authority though this can make it easier to pin blame on politicians too The empirical findings of the cases in this book paint a more complex picture Westminster systems do appear to have some robust abilities to impose losses and US institutions provide more opportunities for loss avoiders to resist government policy in some sectors But in most sectors outcomes in the two countries are strikingly similar The Government Taketh Away is essential for the scholar and students of public policy or comparative policy It is also an important book for the average citizen who wants to know more about the complexities of living in a democratic society where the government can give but how it can also sometimes painfully taketh away

Federal Democracies Michael Burgess, Alain-G. Gagnon, 2010-02-25 *Federal Democracies* examines the evolution of the relationship between federalism and democracy Taking the late 18th century US Federal Experience as its starting point the book uses the contributions of Calhoun Bryce and Proudhon as 19th century conceptual prisms through which we can witness the challenges and changes made to the meaning of this relationship The book then goes on to provide a series of case studies to examine contemporary examples of federalism and includes chapters on Canada USA Russia Germany Spain Belgium Switzerland and the emerging European Union It features two further case studies on Minority Nations and a Federal Europe and concludes with two chapters providing comparative empirical and theoretical perspectives and comparative reflections on federalism and democracy Bringing together international experts in the field this book will be vital reading for students and scholars of federalism comparative politics and government

Parting at the Crossroads Antonia Maioni, 2020-11-10 As almost all newspaper or magazine readers know Canada figured prominently in the turbulent U S debates over health care reform in the early Clinton presidency Furthermore future news analysts and policymakers will undoubtedly again use Canada to cite the good and the bad aspects of single payer national health insurance Beyond the debate about the desirability of Canadian style health care reforms Antonia Maioni sees another question Why did the United States and Canada alike in so many ways part at the crossroads to produce such different systems of health insurance She answers this previously neglected query so interestingly that her book will hold the attention of anyone concerned with health care in either country or both The author explores the development of health insurance in the United States and Canada from the emergence of health care as a political issue in the 1930s to the passage of federal health insurance legislation in the 1960s Focusing on how political institutions influence policy development she shows that Canada's federal structure and its parliamentary institutions encouraged a social democratic third party that became pivotal in demonstrating the feasibility of universal public health insurance Meanwhile the constraints of the U S political system forced health care reformers to temper their own ideas to appeal to a wide coalition within the Democratic party Even readers previously unfamiliar with Canadian politics will find in this book important clues about the realm of the possible in the uncertain future

of U S health care **White Gold** Karl Froschauer,2011-11-01 During the past fifty years Canadians have seen many of their white water rivers dammed or diverted to generate electricity primarily for industry and export The rush to build dams increased utility debts produced adverse consequences for the environment and local communities and ultimately resulted in the layoff of 25 000 employees White Gold looks at what went wrong with hydro development with the predicted industrial transformation with the timing and magnitude of projects and with national and regional initiatives to link these major projects to a trans Canada power grid Karl Froschauer examines five major hydroelectric projects Niagara Falls Ontario Churchill Falls Labrador James Bay Quebec the Nelson River Manitoba and the Peace River British Columbia applying a political economic perspective that unifies his analysis of patterns of hydro development in Canada He points out that in the 1960s and 70s federal and interprovincial conflicts over transmission line ownership hydro plant investments extra provincial authority and export agendas undermined several national and regional power grid initiatives He then argues that if the provinces had chosen to integrate their power project within a national electricity network substantial technical economic and environmental advantages could have resulted Instead of providing the infrastructure for a national power grid and serving as a force for indigenous secondary industry the provincial expansions of Canada s hydro resources have merely fostered continued dependence on branch plant industrial development and staples export and have created vast surpluses of electricity for continental rather than national use Meticulously researched and documented White Gold is the first comprehensive study of hydroelectric power development in Canada Its useful analytical framework and provincial comparisons illuminate and critique the path of development over the last century and offer lessons for the future *Canada 2019-2020* ,2019-10-09 This is an annually updated presentation of Canada past and present continues to provide the reader an in depth look at the country s culture geography people economy politics and future The combination of factual accuracy and up to date detail along with its informed projections make this an outstanding resource for researchers practitioners in international development media professionals government officials potential investors and students Now in its 35th edition the content is thorough yet perfect for a one semester introductory course or general library reference Available in both print and e book formats and priced low to fit student and library budgets Indigenous Empowerment through Co-management Graham White,2020-02-01 Co management boards established under comprehensive land claims agreements with Indigenous peoples have become key players in land use planning wildlife management and environmental regulation across Canada s North This book provides a detailed account of the operation and effectiveness of these new forms of federalism in order to address a central question Have co management boards been successful in ensuring substantial Indigenous involvement in policies affecting the land and wildlife in their traditional territories Graham White tackles this question drawing on decades of research and writing about the politics of Northern Canada He begins with an overview of the boards examining their legal foundations structure and membership decision making processes and independence from government He then presents case

studies of several important boards While White identifies constraints on the role Northern Indigenous peoples play in board processes he finds that overall they exercise extensive decision making influence These findings are provocative and offer valuable insights into our understanding of the importance of land claims boards and the role they play in the evolution of treaty federalism in Canada *Legislative, Executive, and Judicial Governance in Federal Countries* Katy Le Roy, 2006-09-19 Comparative studies examine the constitutional design and actual operation of governments in Argentina Australia Austria Canada Germany India Nigeria Russia South Africa Switzerland and the United States Contributors analyze the structures and workings of legislative executive and judicial institutions in each sphere of government They also explore how the federal nature of the polity affects those institutions and how the institutions in turn affect federalism The book concludes with reflections on possible future trends **Canada: the State of the Federation 1993** Douglas M. Brown, 1993-04

Comparative Federalism Michael Burgess, 2006-09-27 A new examination of contemporary federalism and federation which delivers a detailed theoretical study underpinned by fresh case studies It is grounded in a clear distinction between federations particular kinds of states and federalism the thinking that drives and promotes them It also details the origins formation evolution and operations of federal political interests through an authoritative series of chapters that analyze the conceptual bases of federalism and federation through the evolution of the intellectual debate on federalism the American Federal experience the origins of federal states and the relationship between state building and national integration explore comparative federalism and federation by looking at five main pathways into comparative analysis with empirical studies on the US Canada Australia India Malaysia Belgium Germany Austria Switzerland and the EU explore the pathology of federations looking at failures and successes the impact of globalization The final chapter also presents a definitive assessment of federal theory This book will be of great interest to students and researchers of federalism devolution comparative politics and government **Market Rules** Douglas Brown, 2003 Federalism is about dividing and sharing government often in complex ways that involve some tasks being done jointly Are federal systems capable of effective joint policy making Is this possible in the fast moving context of globalization In *Market Rules* Douglas Brown examines these questions through a comparative study of Australia and Canada looking at recent major reforms to the economic union in the two federations and comparing them with the evolving European Union EU Brown argues that internal barriers to trade and competition in these countries were significant obstacles to competition in the global economy and shows that the old market rules were rooted in longstanding political and regional compromises He describes the process of detailed and difficult intergovernmental collaboration required for the EU and now Canada and Australia to produce new market rules The resulting reforms created new regimes that provide deeper and broader national economic integration in Canada and Australia than in the EU The new rules entrench neo liberal values retaining some room for diversity and flexibility for equity goals Built on a careful analysis of the differences and similarities in political economy constitutional design federal culture

and history of intergovernmental relations in Canada and Australia Market Rules provides fresh evidence that federal states can be strong and autonomous in the global society while underscoring the conditions for effective collaboration that make this sustainable Rich in detail broad in scope Market Rules makes a significant contribution to knowledge about federalism and economic policy making in the era of globalization

The Comparative Turn in Canadian Political Science Linda White, Richard Simeon, Robert Vipond, Jennifer Wallner, 2009-01-01 Over the past decade the study of Canadian politics has changed profoundly The introspective insular and largely atheoretical style that informed Canadian political science for most of the postwar period has given way to a deeper engagement with and integration into the global field of comparative politics This volume is the first sustained attempt to describe analyze and assess the comparative turn in Canadian political science Canada's engagement with comparative politics is examined with a focus on three central questions In what ways and how successfully have Canadian scholars contributed to the study of comparative politics How does study of the Canadian case advance the comparative discipline Finally can Canadian practice and policy be reproduced in other countries

Canadian Politics James Bickerton, Alain-G. Gagnon, 2014-01-01 The sixth edition of Canadian Politics offers a comprehensive introduction to Canadian government and politics by a highly respected group of political scientists For this edition the editors have organized the book into six parts Part I examines Canadian citizenship and political identities while Parts II and III deal with Canadian political institutions including Aboriginal governments and contain new chapters on the public service and Quebec Parts IV and V shift the focus to the political process discussing issues pertaining to culture and values parties and elections media groups movements gender and diversity The chapters on Parliament bureaucracy political culture political communications social movements and media are new to this edition Finally three chapters in the last section of the book analyze components of Canadian politics that have been gaining prominence during the last decade the effects of globalization the shifting ground of Canadian American relations and the place of Canada in the changing world order Of the 21 chapters in this edition 9 are new and the remainder have been thoroughly revised and updated pub desc

Reviewing **New Trends In Canadian Federalism**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is actually astonishing. Within the pages of "**New Trends In Canadian Federalism**," an enthralling opus penned by a highly acclaimed wordsmith, readers set about an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve in to the book is central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.

New Trends In Canadian Federalism Introduction

In today's digital age, the availability of New Trends In Canadian Federalism books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of New Trends In Canadian Federalism books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of New Trends In Canadian Federalism books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing New Trends In Canadian Federalism versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, New Trends In Canadian Federalism books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing New Trends In Canadian Federalism books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for New Trends In Canadian Federalism books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and

contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, New Trends In Canadian Federalism books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of New Trends In Canadian Federalism books and manuals for download and embark on your journey of knowledge?

FAQs About New Trends In Canadian Federalism Books

What is a New Trends In Canadian Federalism PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a New Trends In Canadian Federalism PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a New Trends In Canadian Federalism PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a New Trends In Canadian Federalism PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a New Trends In Canadian Federalism PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing

capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
