On The Grace And Humanity Of Jesus:

On the Grace and Humanity of Jesus Jacques Maritain, 1969 **On the Grace and Humanity of Jesus. Translated by Joseph W. Evans** Jacques Maritain, **How Did Jesus Know He Was God?** William Chami, 2020-04-02 The self consciousness and human knowledge of Christ is a contemporary christological issue which seeks to understand the awareness that the God man Jesus Christ possessed of himself during his life on earth The present question primarily concerns itself with exploring how the Son knows that he is the Son in his human mind Traditionally this question has been asked and answered that through the beatific vision the Son knew himself as divine in his human mind However recent theories advanced by scholars seem to preclude any notion of beatific knowledge in the Incarnate Son This book explores the perspectives of three main authors Jacques Maritain Karl Rahner and Thomas Weinandy in relation to the present question and attempts to provide an answer for how the Incarnate Son apprehended his divine identity through his human operations Considered also is the scope of Christ's human knowledge with regard to two specific objects of knowledge These concern whether the Son as man had an awareness of those for whom he gave his life Gal 2 20 and whether the Son was really ignorant of the eschatological final day and hour Mark 13 32 Matt 24 36 **The Analogy of Signs** Rory Misiewicz, 2021-02-12 The longstanding debate over how God talk is intelligible gravitates around how we should understand the putative answer by analogy For some contemporary Christian theologians analogy involves an ontological claim about creaturely and divine being i e an analogy of being For others it involves a semantic or syntactical structure that legitimates the linguistic performances associated with analogy i e a grammatical analogy Still others appeal to faith in God's self disclosure in Jesus Christ i e an analogy of faith Rory Misiewicz argues that all of these approaches fall flat in their explanatory efforts He draws upon the work of American philosopher Charles Sanders Peirce to rethink the relation between God and human beings He argues that Christian theologians may view that relation as being established by an analogy of signs both God and human beings are univocally involved in semiosis or sign process and the confirmation of God's semiotic identity is found in the revelation of God in the person of Jesus the incarnate Son of God Therefore ordinary analogical language is intelligible for divine signs are commensurate with human signs **Thomas Aquinas** Nicholas Healy, 2021-11-18 The work of Thomas Aquinas 1224 1275 has become increasingly influential in recent doctrinal theology and theological ethics aside from his extraordinary historical significance Thomas has been read ever since his death today as much as ever What is it that distinguishes his work and can his theological judgments and proposals still be brought to bear in contemporary theological inquiry This book presents a new study of Thomas Aquinas focusing on the evangelical pastoral and theocentric character of his premodern theology Healy presents Thomas as first and foremost a theologian of the Christian life who when he used philosophical concepts did so in order to fulfill the task of theology which he conceived as an ecclesial discipline dedicated above all to helping Christians follow Jesus Christ Thomas's interpretation of Scripture

and his theological method his Trinitarian ontology his Christology and his Christological anthropology conception of the church and sacramental theology are all examined from this perspective The richness and complexity yet profound simplicity of the Christian way of life Thomas reveals is shown to make a valuable contribution to the thought of contemporary readers and the significance of Thomas s writings for contemporary theological questions and concerns is revealed

The Mystery of Jesus Christ Fernando Ocáriz Braña, Fernando Ocáriz, Lucas F. Learning Jesus Christ through the Heidelberg Catechism Karl Barth, 2020-08-07 The Heidelberg Catechism does not represent a different theological orientation here the Reformed Church confesses the good news of Jesus Christ in a joyful thankful free personal way Barth has caught this spirit in his commentary To read it is to become acquainted with a side of Reformed Protestantism which all too often has remained hidden from the Preface The two short studies by renowned theologian Karl Barth included here were first published in 1964 the 400th anniversary of the Heidelberg Catechism a classical document of the Reformation Period Students ministers laypersons and theologians continue to find these essays helpful for they provide not only an introduction to the Heidelberg Catechism but also a brief systematic presentation of Reformed theology in the 16th century and a glimpse of Barth s own theology on the 20th century The first essay Christian Doctrine According to the Heidelberg Catechism is a question by question interpretation commentary and evaluation of the catechism Introduction to the Heidelberg Catechism the second essay examines the three basic questions of the document Who is the Comforter Who is comforted and How is comfort given and in what does it consist

Trinitarian Doxology Kevin J. Navarro, 2020-10-29 Most approaches to liturgical theology are anthropocentric the study of liturgy is primarily focused on what we the worshipers do Thomas F Torrance and James B Torrance offer a trinitarian and christocentric approach This informs not only the why of worship and not simply the what or how of worship but centers on the One whom we worship Most significantly it fully recognizes the key role of the humanity of Christ as the ascended High Priest who alone offers the perfect worship and through whom alone we are enabled by the Spirit to worship God

History of Dogma Adolf von Harnack, 1899 The Eucharist: Mystery of Presence, Sacrifice, and Communion Lawrence Feingold, 2018-04-01 The Eucharist Mystery of Presence Sacrifice and Communion explores the three ends of the Sacrament of Sacraments God s true presence His redemptive sacrifice and spiritual nourishment through communion with Him In this follow up to his groundbreaking work Faith Comes From What Is Heard Lawrence Feingold constructs a biblical vision of the Eucharist from its prefigurement in the Old Testament to its fulfillment in the New and presents the Eucharistic theology of the Church Fathers St Thomas Aquinas and magisterial teaching from centuries past through today The Eucharist

Glorify in Romans and the Unified Purpose of God in Redemptive History Donald L. Berry, 2016-02-19

Eschatological glory is a significant motif in Romans that has failed to garner the attention it deserves Donald Berry argues that glory lies at the heart of Paul's redemptive historical framework and is an integral part of the gospel Paul proclaims in Romans For Paul eschatological glory is the realization of God's purpose for Adam and for Israel to see and to show forth the glory of God This divine purpose finds fulfillment in Christ and in the new humanity he creates those who now have hope of the glory of God Rom 5:2 Paul's letter to the Romans provides stunning glimpses into the nature of this eschatological glory and the hope that believers have in Christ Through careful and compelling exegesis Berry brings to light Paul's conception of glory and its place at the center of God's purposes in redemptive history While providing crucial insights into Romans this study also contributes more broadly to Pauline theology and to the field of biblical theology It highlights Paul's understanding of a unified divine purpose that runs through creation and redemption God's desire to display his nature and character in all of creation through image bearers who share in and reflect his glory

History of the Development of the Doctrine of the Person of Christ Isaak August Dorner, 1865

A Passion for Christ Thomas F. Torrance, James B. Torrance, David W. Torrance, 2010-05-01

In a culture increasingly secular in its pursuits and indifferent to the voice of the church how may we ignite the fire for ministry that will bring the gospel to the world How can weary pastors be sustained amidst a climate of doubt and resistance For more than half a century three remarkable brothers have offered a vision that has inspired thousands in churches and seminaries Today their message remains fresh and relevant as we enter a new millennium And for one reason The Brothers Torrance share a passion for Christ the Christ of the Scriptures the Christ of the historic Nicene faith These essays distill the essence of their thought and shine with the clarity of their shared vision A Passion for Christ is a light of encouragement for ministers and lay people elsewhere

Fully Human in Christ Todd H. Speidell, 2016-11-08

Thomas F Torrance's theology included a thoroughgoing albeit implicit ethic of reconciliation It focused on the personalizing and humanizing mediation of Christ in all realms of life including not only a supposed private dimension of human life but also the social historical and political structures of human society and even of the cosmos itself This book builds upon that vision of a Christian ethic radically rooted in God's grace which encompasses sustains and transforms the entire human and created order A trinitarian incarnational social ethic does not begin with our human causes projects and agendas however noble they might be but with witness to the reconciling person and work of Jesus Christ for us

Forgiving Judas William Harmening, 2007-05

In this critical assessment of the modern day Church William Harmening deconstructs many of its longest held beliefs and practices against the backdrop of our contemporary social milieu He approaches the subject head on peeling away the layers of archaic dogma to rediscover the core teachings of Jesus that have been lost through the centuries in the fog of institutionalized religion and ceremonial worship No area of the modern Church escapes his critique the clergy

the Bible the structure and practice of the Church and even our popular conceptions of the Holy Trinity He ends with a final chapter in which he offers a model for a new kind of Church one that is socially relevant passionately ecumenical and empowered by the simple message of love and tolerance found in the story of the Cross Not since the writings of the radical theologians who came to the forefront during the 1960s has such an honest and thought provoking critique of the contemporary Church been offered

How to Read Karl Barth George Hunsinger,1993-04-29 This critical study decodes the most cryptic and elusive patterns of Karl Barth's dialectic Hunsinger not only offers a new and authoritative interpretation of Barth's mature theology but also places Barth's work in relation to contemporary discussions of truth justified belief double agency and religious pluralism Through a fresh and compelling reading of Church Dogmatics Hunsinger offers a new account of the coherence of that work as a whole

Jesus and Salvation Robin Ryan,2015-04-08 How does the Christian proclamation of salvation in Jesus Christ relate to the lives of the people who suffer most Does salvation consist entirely of the hope for eternal life with God How might the church effectively preach the message of salvation in Christ today In *Jesus and Salvation* Robin Ryan adopts a historical approach to these questions discussing key themes and classic authors in the developing tradition about Christ the Savior He examines modern soteriology by engaging the thought of Karl Rahner Edward Schillebeeckx Gustavo Guti rrez and Elizabeth Johnson He also discusses contemporary conceptions of salvation within an evolutionary view of the cosmos as well as issues related to the Christian confession of Jesus as universal savior in a religiously pluralistic world Ryan concludes by offering his own reflections on the meaning of salvation from God in Jesus Christ By understanding salvation in Christ as both gift and call Ryan invites readers to recognize in the saving grace of God a responsibility for the well being of the human family and the rest of creation

Partakers of the Divine Nature Michael J. Christensen,Jeffery A. Wittung,2007 This critical volume focuses on the issue of continuity and discontinuity of the Christian concept of theosis or deification in the intellectual history of ideas It addresses the origin development and function of theosis from its antecedents in ancient Greek philosophy to its nuanced use in contemporary theological thought Often seen as a heresy in the Protestant West the revival of interest in deification in both lay and scholastic circles heralds a return to foundational understandings of salvation in the Christian church before the divisions of East and West Catholic and Protestant

Christian Ethics as Witness David Haddorff,2011-05-26 Christian ethics is less a system of principles rules or even virtues and more of a free and open ended responsible witness to God's gracious action to be with and for others and the world Postmodernity has left us with the risky uncertainty of knowing and doing the good It also leaves us with the global risks of political violence and terrorism economic globalization and financial crisis and environmental destruction and global climate change How should Christians respond to these problems Thisbook creatively explores how Christian ethics is best understood as a witness to God's action thereby providing the ethical framework for addressing the various problematic social issues that put our world at risk Haddorff develops the notion of witness through a

detailed study of Karl Barth's theological ethics Barth he argues provides a language enabling us to know what a Christian ethics of witness actually looks like in both theory and in practice In correspondence to God's gracious action Christians remain free to think and act in faith hope and love in response to their unique circumstances even in a world at risk In their witness Christians remain confident that God has not abandoned the world but loves and cares for its future

Bread from Heaven Bernhard Blankenhorn, 2021-08-07 Bread from Heaven offers a contemporary theological synthesis on the Eucharist that brings together classical and critical biblical exegesis debates on the early history of the Christian liturgy patristic doctrine the teachings offered by the Councils of Florence Trent and Vatican II and the Church's lex orandi all within a framework provided by the Eucharistic theology of Thomas Aquinas The volume begins with Christ's Bread of Life discourse in John 6 in light of the Old Testament theme of the manna and the Synoptic accounts of the Last Supper These biblical texts offer solid foundation for a theology of Eucharistic sacrifice presence and Communion It then continues with a historical and systematic study of the institution of the Eucharist by Christ with special attention given to the emergence of the first Eucharistic prayers Then follows a survey of key Christological and ecclesiological themes which undergird Eucharistic theology The chapters on Eucharistic sacrifice and presence form the heart of the work Here the focus moves to key conciliar patristic and Thomistic insights on these themes Bread from Heaven clarifies misunderstandings of Eucharistic sacrifice and renders transubstantiation accessible to beginners Blankenhorn concludes with a study of the consecration the minister of the Eucharist and the fruits of communion The chapter on the debate over the words of institution and the epiclesis gives a fresh perspective that integrates both eastern and western tradition The study of the Eucharistic celebrant strikes a balance between a spirituality of the priest as acting in persona Christi and of the priest as praying in persona ecclesiae The concluding chapter centers on the Eucharist's unitive mystical fruits in the Church This textbook is ideal for an advanced undergraduate or graduate course on Eucharistic theology It also seeks to advance the debate on several controversial historical and speculative issues in sacramental theology
