Rachels Child:

The Routledge Handbook of the Philosophy of Childhood and Children Anca Gheaus, Gideon Calder, Jurgen De Wispelaere, 2018-07-20 Childhood looms large in our understanding of human life as a phase through which all adults have passed Childhood is foundational to the development of selfhood the formation of interests values and skills and to the lifespan as a whole Understanding what it is like to be a child and what differences childhood makes are thus essential for any broader understanding of the human condition The Routledge Handbook of the Philosophy of Childhood and Children is an outstanding reference source for the key topics problems and debates in this crucial and exciting field and is the first collection of its kind Comprising over thirty chapters by a team of international contributors the Handbook is divided into five parts Being a child Childhood and moral status Parents and children Children in society Children and the state Questions covered include What is a child Is childhood a uniquely valuable state and if so why Can we generalize about the goods of childhood What rights do children have and are they different from adults rights What if anything gives people a right to parent What role if any ought biology to play in determining who has the right to parent a particular child What kind of rights can parents legitimately exercise over their children What roles do relationships with siblings and friends play in the shaping of childhoods How should we think about sexuality and disability in childhood and about racialised children How should society manage the education of children How are children s lives affected by being taken into social care The Routledge Handbook of the Philosophy of Childhood and Children is essential reading for students and researchers in philosophy of childhood political philosophy and ethics as well as those in related disciplines such as education psychology sociology social policy law social work youth work neuroscience and anthropology

Jesus the Radical Raymond Angelo Belliotti, 2013-10-22 Jesus the Radical The Parables and Modern Morality connects the lessons of six parables of the New Testament with philosophical issues structured around contemporary morality and the art of leading a good human life In this manner Raymond Angelo Belliotti highlights just how radical was the historical Jesus moral message and how enormous a challenge he raised to the conventional wisdom of his time More important this book demonstrates how deeply opposed is Jesus moral message to the dominant moral understandings of our time Although our conventional morality is generally profoundly influenced by Judeo Christianity several of Jesus revolutionary insights have been marginalized By imagining how our world would appear if those insights were highlighted we can perceive more clearly the people we are and the people we might become Belliotti s analysis of the parables will be of keen interest to professional philosophers theologians and educated lay people interested in the connections between religion and philosophy

A Radical Green Political Theory Alan B. Carter, 1999 This volume is the first systematic comprehensive and cogent environmental political philosophy It will be of enormous value to all those with an interest in the environment political theory and moral and political philosophy

Procreative Ethics Fritz Oehlschlaeger, 2010-01-01 Procreative Ethics addresses questions at the beginning of life from

a point of view that is alternatively philosophical and christian The author seeks to defend philosophically some positions taken partly on Christian grounds while also trying to make the implications of Christian convictions intelligible to those who do not necessarily share those convictions The author positions himself neither as a moral friend nor moral stranger preferring instead the role of moral acquaintance to his audience From that position the goal is to find areas of fruitful agreement while clarifying differences that may lead to truer reconciliations further on in the conversation The book opens with an attempted natural law defense of artificial contraception devotes four chapters to criticism of current defenses of abortion and then takes up in six remaining chapters such matters as genetic enhancement of children the justice or injustice of genetic revision the harm conundrum or non identity problem designing for disability and reproductive cloning Fritz Oehlschlaeger has written a remarkable book that needs to be read by everyone with a stake in moral questions at life s beginning Displaying theological and philosophical sophistication as well as a profound wisdom these arguments must be taken seriously by those who agree with Oeschlaeger as well as those who do not Joel James Shuman King s College Writing with a modesty that betrays the depth of argument that characterizes Procreative Ethics Fritz Oehlschlaeger has written the most important book in bioethics in recent memory Bioethics has long suffered from a stale imagination Oehlschlaeger an acknowledged outsider to the field brings to his work a fresh imagination shaped by literary texts and a profound humanity Hopefully many will want to emulate his work in other areas of bioethics Stanley Hauerwas Duke University In this new book Fritz Oehlschlaeger has made masterful and persuasive arguments about the moral challenges looming at the beginning of human life And he does this as a highly informed non specialist an English professor no less Robert Benne Roanoke College

Law at the End of Life Carl Schneider,2000 Discusses the issues surrounding physician assisted suicide in light of the Supreme Court s recent decision **Last Rights** Dolores L. Christie,2003 Last Rights examines end of life decisions in the context of the Roman Catholic tradition a heritage rich in its teaching about the human person the value of life and the moral rights and responsibilities inherent to every human being Written for Catholics seeking a better understanding of their own tradition ministers who deal with Catholic patients those who wish to learn more about the Catholic perspective and ordinary decision makers who must face these complex issues Last Rights includes cross references a glossary and an appendix and bibliography that provide resources for further study and helpful tools for end of life decision making [Killing and Letting Die](#) Bonnie Steinbock,Alastair Norcross,2024-10-22 Available in a new digital edition with reflowable text suitable for e readers This collection contains twenty one thought provoking essays on the controversies surrounding the moral and legal distinctions between euthanasia and letting die Since public awareness of this issue has increased this second edition includes nine entirely new essays which bring the treatment of the subject up to date The urgency of this issue can be gauged in recent developments such as the legalization of physician assisted suicide in the Netherlands how to manuals topping the bestseller charts in the United States and the many headlines devoted to Dr Jack Kevorkian who has assisted

dozens of patients to die The essays address the range of questions involved in this issue pertaining especially to the fields of medical ethics public policymaking and social philosophy The discussions consider the decisions facing medical and public policymakers how those decisions will affect the elderly and terminally ill and the medical and legal ramifications for patients in a permanently vegetative state as well as issues of parent infant rights The book is divided into two sections The first Euthanasia and the Termination of Life Prolonging Treatment includes an examination of the 1976 Karen Quinlan Supreme Court decision and selections from the 1990 Supreme Court decision in the case of Nancy Cruzan Featured are articles by law professor George Fletcher and philosophers Michael Tooley James Rachels and Bonnie Steinbock with new articles by Rachels and Thomas Sullivan The second section Philosophical Considerations probes more deeply into the theoretical issues raised by the killing letting die controversy illustrating exceptionally well the dispute between two rival theories of ethics consequentialism and deontology It also includes a corpus of the standard thought on the debate by Jonathan Bennet Daniel Dinello Jeffrie Murphy John Harris Philipa Foot Richard Trammell and N Ann Davis and adds articles new to this edition by Bennett Foot Warren Quinn Jeff McMahan and Judith Lichtenberg

Doing and Allowing Harm Fiona Woollard, 2015 Fiona Woollard presents an original defence of the Doctrine of Doing and Allowing according to which doing harm seems much harder to justify than merely allowing harm She argues that the Doctrine is best understood as a principle that protects us from harmful imposition and offers a moderate account of our obligations to offer aid to others

Introducing Ethics Justin P. McBrayer, Peter J. Markie, 2014 *Introducing Ethics A Critical Thinking Approach with Readings* combines guiding commentary and questions with a rich selection of concise carefully edited and accessible readings on ethical theory and contemporary moral issues This unique introduction shows students how to do philosophy by first analyzing texts identifying ethical positions and the arguments that support them and then evaluating the truth of those positions and the soundness of the arguments In doing so it provides students with a uniquely engaging introduction to ethics that also hones their critical thinking skills

FEATURES A unique Unit 1 gives students the conceptual tools to do philosophy with coverage of logic arguments moral reasoning and reading and writing philosophy Extensive coverage of the three main areas of ethics metaethics normative ethics and applied ethics addresses issues often ignored by other texts including ethics vs science moral responsibility moral vs legal issues torture terrorism and more Unit and chapter introductions outline major themes and issues and explain why they matter Reading questions precede the essays and focus students studying on key points while discussion questions follow the readings and help students move into the evaluation phase Argument Reconstruction Exercises after each reading provide practice in identifying the premises and conclusions in the essays An Instructor's Manual with Test Bank on CD is available to adopters A Companion Website at www.oup.com/us/mcbrayer provides all the material contained on the CD along with student resources

Qualitative Fieldwork with Children Lise Mogensen, Susann Fegter, Lisa Fischer, Jan Mason, Tobia Fattore, 2025-09-02 Drawing on the multinational qualitative study Children's

Understandings of Well being CUWB this unique edited collection offers practical insights into conducting fieldwork across diverse geographical social and cultural contexts using the same basic protocol The book explores the practical ethical and philosophical challenges the researchers faced and the ways in which these issues were dealt with by the different research teams Contributors provide rare insights into the diverse institutional requirements and professional practices highlighting the way research methods are embedded in contexts that are at one and the same time both local and global With contributions from experts in child well being research from Argentina Australia Canada Chile Germany Romania South Africa Switzerland Turkey the UK and the US the book provides valuable perspectives for researchers across a wide range of settings

Ancestral Chronological Record of the William White Family, from 1607-8 to 1895 Thomas White, Samuel White, 1895

The Roots of Bioethics Daniel Callahan, 2012-10-03 Daniel Callahan whose cofounding of The Hastings Center in 1969 was one of the most important milestones in the history of bioethics has written on an uncommonly wide range of issues over a long career They have moved back and forth between clinical care of individual patients and the ethical problems of health care research and delivery Through his many writings four core problems have recurred in all of his work and influence each of the others What is health and how has its understanding been shaped by medical progress and the culture of medicine and society What is progress a deep value in modern health care and how should we judge it What kinds of technological innovations that come out of the drive for progress are really good for us and what do we do when there is a clash between individual good and social good in the use of expensive technologies a problem now evident in the unsustainable high costs of health care How should our understanding of the place of an inevitable death in all our lives and its place in medicine help us to better think of the goals of medicine and the goals of our life in seeking a good death Those four questions have been with bioethics from its beginning and will remain with it for the indefinite future They are the roots of bioethics

Ethics and Law for Australian Nurses Kim Atkins, Sheryl de Lacey, Rebecca Ripperger, Bonnie Britton, 2017-09-01 The third edition of Ethics and Law for Australian Nurses develops an innovative practical framework for understanding the ethical and legal dimensions of nursing practice in Australia Taking a relational approach to practice the text foregrounds the concepts of personhood vulnerability and the nurse patient relationship as the source of a nurse's moral and legal obligations This approach is central to the book's discussion of key ethical and legal concepts throughout the text including consent and autonomy negligence and liability confidentiality and trust and culturally safe practice This edition has been thoroughly revised to include the latest research and methods updated legislation and links to professional documentation along with a new chapter on aged care Student learning is supported by case studies legal case extracts and learning exercises A new instructor companion website features a curated suite of multimedia resources and extension questions

Terminal Sedation: Euthanasia in Disguise? Torbjörn Tännsjö, 2004-06-01 TERMINAL SEDATION DURING THE 1990s During the 1990s a discussion took place in scholarly journals concerning a measure within

palliative care that had earlier attracted little attention to wit the sedation of dying patients There seem to have been two main reasons why the practice came under debate On the one hand some people felt that when palliative medicine had advanced and methods to control symptoms had improved it was no longer justified to sedate the patients in a manner that had often been done in the past The system of 1 terminal sedation had turned into euthanasia in disguise or slow euthanasia On the other hand there were people sympathetic to the recently established Dutch system of euthanasia people who agreed that terminal sedation was euthanasia in disguise but who felt that if it is not objectionable to sedate dying patients at their request then why should it not be permitted for doctors to kill dying patients at 2 request From these two motives a discussion about terminal sedation gained momentum The intention behind this anthology is to continue and deepen this discussion The anthology starts off with a chapter where an influential article from the 1990s has been reprinted

Medical Law and Ethics Jonathan Herring,2025 **The Book of Jewish Sacred Practices** Irwin Kula,Vanessa L. Ochs,2001 Drawing from decades of experience in connecting spirituality with daily life offers traditional and contemporary ways to mark all sorts of important events in people s lives For each of more than one hundred everyday events and holidays it offers a meditation a blessing a profound Jewish teaching and a ritual *Bioethics* Helga Kuhse,Udo Schüklenk,Peter Singer,2015-12-21 Now fully revised and updated *Bioethics An Anthology* 3rd edition contains a wealth of new material reflecting the latest developments This definitive text brings together writings on an unparalleled range of key ethical issues compellingly presented by internationally renowned scholars The latest edition of this definitive one volume collection now updated to reflect the latest developments in the field Includes several new additions including important historical readings and new contemporary material published since the release of the last edition in 2006 Thematically organized around an unparalleled range of issues including discussion of the moral status of embryos and fetuses new genetics neuroethics life and death resource allocation organ donations public health AIDS human and animal experimentation genetic screening and issues facing nurses Subjects are clearly and captivatingly discussed by globally distinguished bioethicists A detailed index allows the reader to find terms and topics not listed in the titles of the essays themselves **Biomedicine and Beatitude** Nicanor Pier Giorgio Austriaco,2021-06-25 This timely and up to date new edition of *Biomedicine and Beatitude* features an entirely new chapter on the ethics of bodily modification It is also updated throughout to reflect the pontificate of Pope Francis recent concerns including ethical issues raised by the COVID 19 pandemic and feedback from the many instructors who used the first edition in the classroom **End-of-Life Decisions in Medical Care** Stephen W. Smith,2012-02-23 Stephen W Smith explores the legal and ethical issues involved in end of life decision making *A Digest of the Decisions of the Supreme Court of Indiana* James Buckley Black,1889

Rachels Child Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rachels Child has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rachels Child has opened up a world of possibilities. Downloading Rachels Child provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rachels Child has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rachels Child. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rachels Child. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rachels Child, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed

and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rachels Child has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rachels Child Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rachels Child is one of the best book in our library for free trial. We provide copy of Rachels Child in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rachels Child. Where to download Rachels Child online for free? Are you looking for Rachels Child PDF? This is definitely going to save you time and cash in something you should think about.
