The Theory of Recognition and Multicultural Policies in Colombia and New Zealand Nicolas Pirsoul, 2020-10-31 This book analyses the policies of recognition that were developed and implemented to improve the autonomy and socio economic well being of M ori in New Zealand and of indigenous and Afro descendent people in Colombia It offers a theoretically informed explanation of the reasons why these policies have not yielded the expected results and offers solutions to mitigate the shortcomings of policies of recognition in both countries This in depth analysis enables readers to develop their understanding of the theory of recognition and how it can promote social justice

Multiculturalism and Interculturalism Nasar Meer, 2016-02-02 Both interculturalism and multiculturalism address the question of how states should forge unity from ethnic cultural and religious diversity But what are the dividing lines between interculturalism and multiculturalism This volume brings together some of the most prominent scholars in the field to address these two different approaches With a Foreword by Charles Taylor and an Afterword by Bhikhu Parekh this collection spans European North American and Latin American debates

Ricoeur, Rawls, and Capability Justice Molly Harkirat Mann, 2012-02-09 Contemporary capabilities based approaches to social justice inspired by the Aristotelian emphasis on human well being have tended to separate and even oppose identity based or recognitive justice from resource based or redistributive justice This book demonstrates that such a divorce risks further polarizing capable members of the political community from disabled or vulnerable members In order to prevent this danger of legitimizing the growing stratification between rich and poor or between capability and vulnerability in modern neo liberal societies Molly Harkirat Mann turns to the work of Paul Ricoeur In so doing she develops the argument that our historical and institutionalized practices of sharing articulated by the lexicographical configuration of the Rawlsian principles of justice represent a method for public deliberation or civic Phronesis the ethical aim of which is the non exclusion of our most vulnerable citizens from public institutions of care By developing his political philosophy in relation to class politics in modern liberal societies this book shows how Ricoeur s political thought is more closely aligned to that of John Rawls than has previously been acknowledged

A Scriptural Sculpture of Knowledges Serge Ntamack, 2013 This book is a scriptural sculpture of how the physical dimensions of the earth built and natural and antecedents of history structure knowledges and the physical containers human and non human that embody those knowledges The book deals with universalisms grounded on African

experiences and perspectives A key theme is how in security relates to knowledge creation by drawing a parallel between the proliferation of violent conflict in Africa and the marginal position that the continent occupies in the modern formation of knowledge Also explored is the concept of creativity in relation to art and politics as experienced by the black African elite Bottlenecks to African creativity and the role of space and history in the production and reproduction of knowledge and ways of knowing are critically reviewed The author makes a case for the existence of irreducible forms of knowledge existing in distinct laboratories and traces how particular biological and environment features interact with human cognition to form what passes for knowledge He interrogates the variety of environment cognition in the light of an increasing homogenization of human cognition globally with a particular accent on climate change This is a bold and legitimate voice on an important conversation Transcendental Resistance Johannes Voelz,2010 A timely and engrossing critique of the New Americanists

Global Democracy Daniele Archibugi,Mathias Koenig-Archibugi,Raffaele Marchetti,2011-10-27 Democracy is increasingly seen as the only legitimate form of government but few people would regard international relations as governed according to democratic principles Can this lack of global democracy be justified Which models of global politics should contemporary democrats endorse and which should they reject What are the most promising pathways to global democratic change To what extent does the extension of democracy from the national to the international level require a radical rethinking of what democratic institutions should be This book answers these questions by providing a sustained dialogue between scholars of political theory international law and empirical social science By presenting a broad range of views by prominent scholars it offers an in depth analysis of one of the key challenges of our century globalizing democracy and democratizing globalization

Environmental Justice Steve Vanderheiden,2017-03-02 This collection of scholarly articles takes as its subject matter discourses on environmental justice The concept emerged in recent decades as an important framing concept for a wide variety of environmental movements and objectives and has gained considerable currency due to the scope and normative force that its principles contain whether in legal political or philosophical applications This collection is an invaluable resource for researchers and scholars in this field given that the multiple theories and analyses of environmental justice are likely to remain central to the ongoing development of normative theorizing about the human role in the environment in the foreseeable future

expressions of mixedness Education in Vietnam Martin Hayden, Thi Le Tran, 2024-08-02 Offering insights into the current and projected future state of the education system in Vietnam this edited volume is an authoritative sourcebook for scholars policy analysts academic staff and students Vietnam is well on its way to joining the dress circle of high achieving education nations in Asia International surveys of the academic aptitude and ability of the nation's youth consistently place it well above relevant regional and global averages This accomplishment is remarkable for a country with a gross domestic product per capita of only US 2 785 in 2020 The dynamics of Vietnam's national education system are comprehensively documented in the book Each of the country's education sectors is critically appraised as well as the culture of education in Vietnam Specific issues concerning funding and equity quality and accreditation the teaching of curriculum areas the internationalisation of the system and the provision of educational opportunities for young people with disabilities are carefully analysed against a background of relevant global trends With contributions from well established and highly respected local experts with high aspirations for the future development of the national education system in Vietnam this book will be a must read for academics and students of Southeast Asian studies and comparative education

Encyclopedia of New Populism and Responses in the 21st Century Joseph Chacko Chennattuserry, Madhumati Deshpande, Paul Hong, 2024-12-02 This book mainly seeks to explain define and update the recurring forms of populism in the 21st century Examples used in this Introduction are limited to English speaking countries But populism's existent expressions are ecumenically global Like any long lasting perennial organism it is sturdy and comes in a variety of forms adaptable to environmental changes In political or cultural terms its expression has been neither exclusively left center nor right Populism contains multitudes dates back centuries before it was identified with its modern name Populism has become a hot button issue in the recent times The UK's Sunday heavy The Guardian published about 300 articles in 1998 that used the term populism or populist and by 2016 its use had skyrocketed to over 2 000 And growing Probably the single greatest catalyst to date that injected populism into the world's Internet common discourse that infused it into journalism right left and center and awakened populist political activism was the Great Recession of 2007 08 and the subsequent global deprivations it engendered In today's world populism promises to remain and renew its intensity due to the covid 19 pandemic's deleterious effects on most nations middle and low income groups specially minorities These are some reasons among many why it is time for populism to be relocated identified and given refreshed 21st understandings It has a shifting nature among people events causes that constantly demands fresh studies It is a social and cultural phenomenon both universal and particular In our 21st century world it is a product of our shared cultures and each our own exceptional deep culture This Encyclopedia is unique in its composition as it includes all the major disciplines of Social Sciences and thus will be a one stop source of nine different disciplines looking at new populism Defining Environmental Justice David Schlosberg, 2009 The book uses both environmental movements and political theory to help define what is meant by

environmental and ecological justice It will be useful to anyone interested in environmental politics environmental movements and justice theory Dance and the Quality of Life Karen Bond,2019-03-05 This is the first volume devoted to the topic of dance and quality of life Thirty one chapters illuminate dance in relation to singular and overlapping themes of nature philosophy spirituality religion life span learning love family teaching creativity ability socio cultural identity politics and change sex and gender wellbeing and more With contributions from a multi generational group of artists community workers educators philosophers researchers students and health professionals this volume presents a thoughtful expansive yet focused and nuanced discussion of dance s contribution to human life The volume will interest dance specialists quality of life researchers and anyone interested in exploring dance s contribution to quality of living and being **Automobilities** Mike Featherstone,Nigel Thrift,John Urry,2005-07-12 Mobility flows movement and migration in social life has emerged as a central area of sociological debate yet one of its most dominant forms automobility has remained largely ignored Automobilities presents one of the first examinations of the car and its promise of autonomy and mobility **Translating and Interpreting Justice in a Postmonolingual Age** Esther Monzó-Nebot,Juan Jiménez-Salcedo,2019-01-15 Postmonolingualism as formulated by Yildiz can be understood to be a resistance to the demands of institutions that seek to enforce a monolingual standard Complex identities social practices and cultural products are increasingly required to conform to the expectancies of a norm that for many is no longer considered reasonable Thus in this postmonolingual age it is essential that the approaches and initiatives used to counter these demands aim not only to understand these hyper diverse societies but also to deminoritize underprivileged communities Translating and Interpreting Justice in a Postmonolingual Age is an attempt to expand the limits of postmonolingualism as a framework for exploring the possibilities of translation and interpreting in mediating between the myriad of sociocultural communities that coexist today Challenging assumptions about the role of translation and interpreting the contributions gathered in this volume focus on intercultural and intergroup understanding as a process and as a requisite for social justice and ethical progress From different but complementary approaches practical experiences and existing legal and policy frameworks are scrutinized to highlight the need for translation and interpreting policies in legal and institutional contexts in multicultural societies Researchers and policymakers in the fields of translation and interpreting studies multiculturalism and education and language and diversity policies will find inspiring perspectives on how legal and institutional translation and interpreting can help pursue the goals of democratic societies *Confronting Homophobia in Europe* Luca Trappolin,Alessandro Gasparini,Robert Wintemute,2011-12-22 Homophobia exists in many different forms across Europe Member States offer uneven levels of legal protection for lesbian and gay rights at the same time the social meanings and practices relating to homosexuality are culturally distinct and intersect in complex ways with gender class and ethnicity in different national contexts The essays in this volume illustrate the findings of a European project on homophobia and fundamental rights in which sociologists and

legal experts have analysed the position in four Member States Italy Slovenia Hungary and the UK The first part of the book investigates the sociological dimensions of homophobia through qualitative methods involving both heterosexual and self defined lesbian and gay respondents including those in ethnic communities The aim is to understand how homophobia and homosexuality are defined and experienced in the everyday life of participants The second part is devoted to a legal analysis of how homophobia is reproduced in law and how it is confronted with law The analysis examines statute and case law soft law administrative practices the discussion of bills within parliamentary committees and decisions of public authorities Among the areas discussed are hate crimes and hate speech education at all levels free movement immigration and asylum and cross border reproductive services Please note that this book is also available as a free PDF download For further information please click on the link below www.citidive.eu/en/rapporti_e_prodotti

Globalization, Culture and Inequality in Asia Timothy J. Scrase, Todd Joseph Miles Holden, Scott Baum, 2003 Contemplating globalization from a sociological perspective it is without doubt that a major site for social political economic and cultural change in the new millennium lies in the Asian region The chapters in this book seek to describe and analyze a number of key aspects of social and cultural change wrought by globalization in the Asian region The underlying theme in the book is the multi dimensional way in which globalization in the form of ideas practices and technology have introduced social inequalities in specific contexts In particular the book examines how inequality has been reproduced challenged and theorized in Asia by the advent of globalizing culture Written by experienced and established scholars the study provides both theoretical explanation and discussion and analysis of empirical data from a range of social cultural and political economic perspectives and draws on studies from several countries in the region
