Revelations On Revelation New Sounds From Old Symbols:

Revelations on Revelation Douglas Ezell, 1977 **Sacra Pagina: Revelation** Wilfrid J. Harrington, OP, 2023-06-13

More than any other New Testament writing the Book of Revelation demands commentary Its often bewildering text is easily open to less than scholarly interpretation *Revelation* Wilfrid J. Harrington, 2008 Revelation a prophetic apocalyptic letter is a profoundly Christian text Father Harrington is concerned to open up Revelation and to convey its Christian message After an introduction he provides a new translation of each section of the writing followed by notes which deal with matters of text and content that require clarification He then treats the passage as a whole by discussing its literary character its theological significance and its relevance to our situation Bibliographies direct the reader to important modern studies Father Harrington brings his scholarship to the Book of Revelation and conveys its Christian message He puts the work in its historical and social setting a first century c e province of the Roman Empire and explores its social and religious background and its literary character Through Father Harrington we hear clearly the challenge of John the prophet to the Churches of his time and to ours not to compromise the gospel message Revelation and the Two Witnesses Rob Dalrymple, 2011-06-10

The account of the two witnesses in Revelation 11 has been the subject of much intrigue over the years Popular theologians have attempted to identify them with two individuals perhaps Moses and Elijah In *Revelation and the Two Witnesses* Rob Dalrymple offers a thorough exegesis of Revelation 11 and concludes that the account of the two witnesses is the primary account in Revelation that depicts the people of God Who are they What is their commission What was John s message to seven churches and to us Whoever they are we know this they have a commission they will suffer for it and in the end they are resurrected **After the Thousand Years** J. Webb Mealy, 1992-01-01 A fresh and highly illuminating approach to what is perhaps the most difficult chapter in the most difficult book of the New Testament Mealy employs a carefully developed methodology which draws fully on the special literary techniques of Revelation particularly its extensive use of internal cross references multivalent images and symbols and complex Old Testament reminiscences With its central thesis that Revelation 20 7 10 and 20 11 15 offer parallel representations of the resurrection and final judgment of the unrepentant this study is destined to become a benchmark for future discussions not only of the millennium but of the literary workings of Revelation as a whole Catalog of Copyright Entries. Leben“ of the Apocalypse with Particular Reference to the Role of the Church’s Enemies Alan J. Beagley, 2013-03-01 No detailed description available for *The Sitz im Leben of the Apocalypse with Particular Reference to the Role of the Church s Enemies* Follow the Lamb Rob Dalrymple, 2018-08-28 The book of Revelation is one of the most rewarding books to study in all Scripture But the problem for many today is that they have no idea what the book means or how to determine what it means *Follow the Lamb* goes a long way in helping the student of Revelation grasp its richness and heed its exhortations Dalrymple s guide provides key principles in reading Revelation responsibly The first key is that the book is

about Jesus his supremacy and sovereignty The second key is that the language and images used in the book of Revelation derive from the Old Testament Though many readers get caught up in the mire of John s imagery and efforts to discern what the symbols mean this principle simplifies the search for meaning Each chapter in Follow the Lamb concludes with an important For Further Study section making it an ideal resource for individual or group study These questions and exercises and reflection guides make personal application of Revelation meaningful and rich The book of Revelation contains an important message for the people of God both then and now namely that the people of God must emulate Jesus and faithfully proclaim the kingdom of God even to the point of death This means they are called to follow the Lamb wherever He goes Rev 14 4

The Destroyer and the Lamb Matthias Reinhard Hoffmann,2005 Matthias Reinhard Hoffmann identifies an angelomorphic portrait of Christ in certain passages of Revelation and provides possible reasons for the inclusion of an angelomorphic Christology Angelomorphic Christology is not regarded as an isolated christological concept In turn the author compares angelomorphic Christology with the prominent Lamb Christology of Revelation A comparison of these concepts reveals that both Lamb and angelomorphic Christology serve the purpose of contrasting different functions of Christ The functions correspond with the implied perception of Christ by his followers on the one hand and his opponents on the other Accordingly Christ appears to be an eschatological juridical figure described in angelomorphic patterns to his opposition while he is perceived as salvific redeemer in form of the Lamb by those who believe in him Such a christological perspective draws on traditions from the Exodus narrative namely the features of the Passover Lamb and the Destroying Angel Further equality between God and Christ is established despite an angelomorphic portrait of Christ especially those passages describing Christ as the Lamb put him on par with God But also within visions with an angelomorphic description of Christ his status as superior to angels and as an equal to God is displayed *The Relevance of John's Apocalypse* Donald Guthrie,2011-10-01 In these Didsbury Lectures Donald Guthrie examines the practical relevance of the book of Revelation for the church today With this purpose in view he does not elaborate upon the literary history of the book nor upon theories concerning its relevance for the future However his theme leads him to pay substantial attention to a variety of current theories concerning the interpretation of certain aspects of the book This is essentially a practical book It offers helpful and challenging insights to individuals and to readers who may wish to use it in sermon preparation **The Word of Truth** Dale Moody,1981-01-16 Bringing together the insights of several disciplines biblical theology modern science biblical criticism textual source form redaction historical theology and the history of doctrine Moody develops a systematic theology that is biblically grounded and ecumenically oriented Thoroughly indexed Process Theology and Biblical Interpretation Ronald L. Farmer,2021-03-08 Can one profitably read scripture from a relational or process point of view Can one do so without discarding those portions of scripture that on first read seem problematic to a modern day reader Ronald L Farmer a minister and New Testament scholar thinks it is possible and can in fact be a liberating and stimulating experience His

Beyond the Impasse The Promise of a Process Hermeneutic Mercer UP 1997 was the first book length work describing this exciting interpretative perspective He then wrote a commentary on the book of Revelation Chalice Commentaries for Today 2005 a book that is one of the most challenging for modern interpreters and has been problematic throughout Christian history In the present book Farmer explores the way in which we read scripture and asks us to be conscious of what we bring to the table and the ways in which we use it He then examines various interpretive tools and approaches to help us understand the ways of thinking that contributed to their development Finally he uses Revelation 4 5 to illustrate the impact of how rethinking our approach to scripture can contribute to us receiving and applying scripture in new and dynamic ways This book does not propose new interpretative tools for Bible study but rather focuses on a process perspective that enables us to gain new insights from the tools that have been developed over the centuries This book will be valuable to anyone who wants to study the Bible while being conscious of one s own and others biases and presuppositions *Gregorianum* ,1980
