Rights And Regulations Ethical Political And Economic Issues:

Rights and Regulation Tibor R. Machan, M. Bruce Johnson, 1983 Rights and Regulation Johnson, Eric, 1983-08-01

Consumer Safety Regulation Peter Asch, 1988-05-26 Advocates of consumer safety regulation an active and controversial area of public policy in the United States contend that markets do not adequately protect the interests of vulnerable consumers market traditionalists respond that public agencies increasingly make risk safety decisions that individual citizens ought to be making for themselves This book written by an economist critically assesses the rationales for and the effects of our major consumer safety programs Addressed to a general audience and incorporating relevant literature on cognitive psychology as well as economics the author argues that although legitimate reasons for public protection of consumers exist in some markets the particular programs we adopt often produce results that fall far short of what their advocates desire and at least occasionally yield perverse outcomes *Review of Austrian Economics, Volume 5* Murray

Rothbard, 2009 *Seed Policy, Legislation and Law* Neils P Louwaars, 2002-08-23 Learn what it takes to create and implement a truly successful seed policy This unique book brings together international experts on seed policy and law While other books approach the subject from the perspective of seed industry development and privatization Seed Policy

Legislation and Law makes clear that a successful national seed **State, Society, and Corporate Power** Marc R. Tool, Warren J. Samuels, 1989-01-01 This volume of selections from the Journal of Economic Issues carries the institutional economics analysis of the acquisition and use of economic power into new and critically significant subject areas law and economics the public control of economic power and international implications of public and private use of power to influence the flow of real income on a global scale Its particular interest is the possession and use of corporate power especially in relation to the state as a representative of society Crisis and Leviathan Robert Higgs, 2025-10-07 Crisis and Leviathan is Higgs masterwork on how government grows in size scope and power in response to real or imagined crises From war to economic upheavals government overreach endures long after each crisis has passed impinging on civil liberties and fostering extensive corporate welfare Few topics are as timely as the growth of government To understand why government has grown Robert Higgs asserts one must understand how it has grown This book offers a coherent multi causal explanation guided by a novel analytical framework firmly grounded in historical evidence More than a study of trends in governmental spending taxation and employment Crisis and Leviathan is a thorough analysis of the actual occasions when and the specific means by which Big Government developed in the United States More than an abstract account it names names and highlights the actions of significant individuals The author examines how 20th century national emergencies mainly wars depressions and labor disturbances have prompted federal officials to take over previously private rights and activities When the crises passed a residue of new governmental powers remained Even more significantly each great crisis and the subsequent governmental measures went hand in hand with reinforcing shifts in public beliefs and attitudes toward

the government's proper role in American life Integrating the contributions of scholars in diverse disciplines including history law political philosophy and the social sciences *Crisis and Leviathan* makes compelling reading for all those who seek to understand the transformation of America's political economy over the past century **Fact and Value** Judith Jarvis Thomson, 2001 A diverse collection of essays which reflect the breadth of Judith Jarvis Thomson's philosophical work The diversity of topics discussed in this book reflects the breadth of Judith Jarvis Thomson's philosophical work Throughout her long career at MIT Thomson's straightforward approach and emphasis on problem solving have shaped philosophy in significant ways Some of the book's contributions discuss specific moral and political issues such as abortion self defense the rights and obligations of prospective fathers and political campaign finance Other contributions concern the foundations of moral theory focusing on hedonism virtue ethics the nature of nonconsequentialism and the objectivity of moral claims Finally contributions in metaphysics and epistemology discuss the existence of sets the structures reflected in conditional statements and the commitments of testimony Contributors Jonathan Bennett Richard L Cartwright Joshua Cohen N Ann Davis Catherine Z Elgin Gilbert Harman Barbara Herman Frances Myrna Kamm Claudia Mills T M Scanlon Ernest Sosa

Neither Liberty nor Safety Robert Higgs, 2007-04-01 Those who would give up essential Liberty to purchase a little temporary Safety deserve neither Liberty nor Safety wrote Benjamin Franklin Attempting to gain security by sacrificing liberty is also a foolish action because it only increases the potential for harm In *Neither Liberty Nor Safety* Fear Ideology and the Growth of Government economist and historian Robert Higgs illustrates the false trade off between freedom and security by showing how the U S government's economic and military interventions reduced the civil and economic liberties prosperity and genuine security of Americans in the 20th century Extending the theme of Higgs's earlier books *Neither Liberty Nor Safety* stresses the role of misguided ideas in the expansion of government power at the expense of individual liberty Higgs illuminates not only many underappreciated aspects of the Great Depression the two world wars and the postwar era but also the government's manipulation of public opinion and the role that ideologies play in influencing political outcomes and economic performance [Encyclopedia of Government and Politics](#) M.
