Chall,2003 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers Resources in Education ,2000-10 *Index of Conference Proceedings* British Library. Document Supply Centre,1999 **American Book Publishing Record** ,2006 **Reviews in Public Health Expenditure and Performance** Hai Fang,2025-04-11 Effective allocation and utilization of resources are fundamental to achieving optimal public health outcomes Health economics provides valuable insights into how financial resources are allocated across different healthcare sectors and their subsequent effects on health indicators and health related quality of life By conducting in depth reviews of existing research and policy evaluations on public health expenditure and their performance this Research Topic aims to shed light on best practices challenges and innovative approaches to optimize public health expenditure for maximum impact Potential topics for review articles may include but are not limited to Review of health economic evaluation methods applied to public health interventions including cost effectiveness cost benefit cost utility analyses and budget impacts Assessment of the relationship between public health expenditure and health outcomes including the impact on disease prevention healthcare access and quality of life Evaluation of health financing systems and their influence on healthcare equity and affordability with a focus on vulnerable and marginalized populations Analysis of the role of public private partnerships in healthcare funding and service delivery to enhance overall health system performance Review of healthcare budget allocation strategies and their implications for resource allocation in different public health domains Exploration of innovative financing mechanisms such as social impact bonds and health insurance schemes to improve healthcare accessibility and efficiency Critique of policy interventions aimed at optimizing public health expenditure and enhancing performance in healthcare service delivery The British National Bibliography Arthur James Wells,2009

The Routledge Handbook of Urban Resilience Michael A. Burayidi,Adriana Allen,John Twigg,Christine Wamsler,2019-11-27 This volume provides a comprehensive discussion and overview of urban resilience including socio ecological and economic hazard and disaster resilience It provides a summary of state of the art thinking on resilience the different approaches tools and methodologies for understanding the subject in urban contexts and brings together related reflections and initiatives Throughout the different chapters the handbook critically examines and reviews the resilience concept from various disciplinary and professional perspectives It also discusses major urban crises past and recent and the generic lessons they provide for resilience In this context the authors provide case studies from different places and times including historical material and contemporary examples and studies that offer concrete guidance on how to approach urban

resilience Other chapters focus on how current understanding of urban systems such as shrinking cities green infrastructure disaster volunteerism and urban energy systems are affecting the capacity of urban citizens settlements and nation states to respond to different forms and levels of stressors and shocks The handbook concludes with a synthesis of the state of the art knowledge on resilience and points the way forward in refining the conceptualization and application of urban resilience The book is intended for scholars and graduate students in urban studies environmental and sustainability studies geography planning architecture urban design political science and sociology for whom it will provide an invaluable and up to date guide to current approaches across these disciplines that converge in the study of urban resilience The book also provides important direction to practitioners and civic leaders who are engaged in supporting cities and regions to position themselves for resilience in the face of climate change unpredictable socioenvironmental shocks and incremental risk accumulation

British Qualifications 2014 Kogan Page Editorial Staff,2013-12-03 Now in its 44th edition British Qualifications is the definitive one volume guide to every qualification on offer in the United Kingdom With full details of all institutions and organizations involved in the provision of further and higher education this publication is an essential reference source for careers advisors students and employers It also includes a comprehensive and up to date description of the structure of further and higher education in the UK The book includes information on awards provided by over 350 professional institutions and accrediting bodies details of academic universities and colleges and a full description of the current framework of academic and vocational education It is compiled and checked annually to ensure accuracy of information

Undermined in Coal Country Bill Conlogue,2017-10-15 A study of lives and landscapes in Pennsylvania s Lackawanna Valley and what the region s history of mining reveals about human folly and endeavor The Chronicle of Higher Education Deep mining ended decades ago in Pennsylvania s Lackawanna Valley The barons who made their fortunes have moved on Low wages and high unemployment haunt the area and the people left behind wonder whether to stay or seek their fortunes elsewhere Bill Conlogue explores how two overlapping coal country landscapes Scranton Pennsylvania and Marywood University have coped with the devastating aftermath of mining Examining the far reaching environmental effects of mining this beautifully written book asks bigger questions about what it means to influence a landscape to this extent and then to live in it In prose rivaling that of Annie Dillard and John McPhee Conlogue argues that if we are serious about solving environmental problems if we are serious about knowing where we are and what happens there we need to attend closely to all places that is to attend to the world in a cold dark and disorienting universe Unearthing new ways of thinking about place pedagogy and the environment this meditative text reveals that place is inherently unstable
