Miller, 2016-10-25 Teens make mistakes Sometimes fatal ones In today s

world parents and educators are often baffled about how to impart values and discuss the virtues of conscientiousness rational thinking and empathy into wired stressed and over stimulated teens Through an engaging and relatable story Taming CHAOS teaches a step by step process for making good decisions Taming CHAOS encourages a healthy conversation with teenagers on the process of decision making acknowledging that the decisions and choices they face are valid and

worthy of careful consideration Whether you are a teacher or study group discussion leader Taming CHAOS offers a unique process of decision making to teenagers and young adults To remain grounded as a teenager requires a level of clarity and iron restraint that most teenagers simply don t have thus many times not always making good decisions or choices in their individual best interest This Leader s Discussion Guide Workbook is an excellent resource and compliment for any teacher or study group discussion leader instructing teenagers on the decision making process The Workbook is well organized and formatted for each chapter of Taming Chaos providing a short summary concepts section and discussion questions which encourage students to drill down on the chapter concepts employing a mix of concrete abstract questions We get it Teachers already have to juggle so many balls in the air That s why we created simple succinct and well written lesson plans for each chapter These lesson plans will provide a ready made solution for teaching and growing a student s understanding of decision making
