Michel Tournier Philosophy And Fiction:

Michel Tournier, Philosophy and Fiction Colin Davis, 1988 This first full length study of the popular French novelist shows that his fiction cannot be understood simply as a literary transposition of philosophical ideas and that despite his opposition to the New Novel he shares its assumptions about the subversive role of literature Davis combines analysis of the major novels with discussions of Tournier's theory of reading his attitudes toward language and his preoccupation with the reconciliation of opposites

Michel Tournier's Metaphysical Fictions Susan Petit, 1991-01-01 This study of the fictional themes and techniques of Michel Tournier reveals his profound radicalism as a social critic and novelist despite the seeming conventionality of his works Guided by Tournier's essays and interviews Petit examines his fiction in light of plot sources philosophical and anthropological training and his belief that fiction should change the world Close study of *Vendredi ou les limbes du Pacifique* *Le Roi des aulnes* *Les Meteoires* *Gaspard Melchior et Balthazar* and *La Goutte d'or* as well as the short fiction in *Le Coq de bruyere* and *Le Medianoche amoureux* shows Tournier's revolutionary conception of plot structuring as he develops key themes whether religion sensuality or prejudice in more than twenty years spent reconceiving the nature of fiction

Michel Tournier and the Metaphor of Fiction David Platten, 1999 Michel Tournier is a writer who explores complex philosophical questions in the guise of concrete imagistic narratives This comprehensive study privileges the notion of literary reference by which the world of text is understood or experienced in metaphorical relation to the world outside of it Metaphor in the context of Tournier's fiction shows how the fantastic merges with the real to provide new perspectives on many diverse aspects of the modern world the Crusoe myth Nazism the value to society of art and religion and the nature of education This book elucidates an aesthetic of Tournier's fiction that encompasses the writer's stated ambition to "go beyond literature"

Michel Tournier Michael Worton, 2014-09-19 This volume of essays brings together critical analysis and commentary on the literary work of Michel Tournier

The Facts on File Companion to the French Novel Karen L. Taylor, 2006 French novels such as *Madame Bovary* and *The Stranger* are staples of high school and college literature courses This work provides coverage of the French novel since its origins in the 16th century with an emphasis on novels most commonly studied in high school and college courses in world literature and in French culture and civilization

Sexuality, Iconography, and Fiction in French Jason James Hartford, 2018-02-19 This book explores the modern cultural history of the queer martyr in France and Belgium By analyzing how popular writers in French responded to Catholic doctrine and the tradition of St Sebastian in art Queering the Martyr shows how religious and secular symbols overlapped to produce not one but two martyr types These are the queer type typified first by Gustave Flaubert which is a philosophical foil and the gay type popularized by Jean Genet but created by the Belgian Georges Eekhoud which is a political and pornographic device Grounded in feminist queer theory and working from a post psychoanalytical point of view the argument explores the potential and limits of these two figures noting especially the persistence of misogyny in religious culture

The Bible and its Rewritings Piero Boitani, 1999-09-16 Piero Boitani discusses how some of the most fascinating scenes of Old and New Testament Genesis Exodus Job the Susanna story the Gospel of John are directly or indirectly rewritten in works ranging from the medieval period to the late twentieth century by Milton and Mann by Chaucer Dryden La Fontaine Orwell and Kafka by Faulkner and Tournier by Shakespeare T S Eliot and Joseph Roth Literature resonates with the mystery of recognition between human beings and between God and humankind The opening and closing chapters of the book examine this theme from Abraham and Yahweh at Mamre to Joseph and his brothers from Helen and Menelaus to Jesus and Mary Magdalene from Pericles and Marina to Mendel Singer and his son Menuchim The three central sections of the book discuss the means by which re scripting interprets the Scriptures through truth or fiction through letter or allegory through liturgy exegesis catacomb frescoes even churches themselves This is an illuminating look at the Bible and its medieval and modern rewritings

Encounters with Alphonso Lingis Alexander E. Hooke, Wolfgang Walter Fuchs, 2003-01-01 Encounters with Alphonso Lingis is the first extensive study of this American philosopher who is gaining an international reputation to augment his national one The distinguished contributors to this volume address most of the central themes found in Lingis s writings including singularity and otherness death and eroticism emotions and rationality embodiment and the face excess and the sacred The book closes with a new essay by Lingis himself

Michel Tournier Mairi Maclean, 2003 **The Cambridge Introduction to French Literature** Brian Nelson, 2015-06-05 In this highly accessible introduction Brian Nelson provides an overview of French literature its themes and forms traditions and transformations from the Middle Ages to the present Major writers including Francophone authors writing from areas other than France are discussed chronologically in the context of their times to provide a sense of the development of the French literary tradition and the strengths of some of the most influential writers within it Nelson offers close readings of exemplary passages from key works presented in English translation and with the original French The exploration of the work of important writers including Villon Racine Moli re Voltaire Balzac Flaubert Zola Proust Sartre and Beckett highlights the richness and diversity of French literature

Alterity, Identity, Image Raymond Corbey, 1991 **Gilles Deleuze: Travels in Literature** M. Bryden, 2006-11-28 Deleuze s writing is permeated with references to literature Despite asserting that he was not a literary

critic Deleuze provides exhilarating and original interactions with texts This study offers in depth encounters between Deleuze s thought and the writers who fascinated him demonstrating the productivity of a Deleuzian frame of reference

Foucault on the Arts and Letters Catherine M. Soussloff,2016-10-06 As one of the most important philosophers of the 20th century Michel Foucault s reputation today rests on his political philosophy in relation to the contemporary subject in a neo liberal and globalized society This book offers insight into the role of the arts in Foucault s thought as a means to better understanding his contribution to larger debates concerning contemporary existence Visual culture literary film and performance studies have all engaged with Foucauldian theories but a full examination of Foucault s significance for aesthetic discourse has been lacking until now This book argues that Foucault s particular approach to philosophy as a way of thinking the self through the work of art provides significant grounds for rethinking his impact today The volume moves across as many disciplinary boundaries as Foucault himself did demonstrating the value of Foucault s approach to aesthetic discourse for our understanding of how the arts and humanities reflect upon contemporary existence in a globalized society

Going to Extremes in Biblical Rewritings Anthony Swindell,2023-03-06 This book sets out to provide a matrix for surveying the literary treatment of biblical tropes It supplies an overview of the literary reception of the Bible from the earliest times right through to contemporary writers such as Jeanette Winterson and Colm T ib n traces the literary reception and treatment of the Book of Job the figure of Uriah in the narrative of David and Bathsheba the figure of Lilith and Angels of Death and of Mercy These are all handled as specimen histories This is followed by an examination of the output of several specific early and later Twentieth Century rewriters of the Bible In the last chapters three sets of other writers under particular headings the Great Disrupters etc are grouped together with a view to finding common characteristics as well as unique features in their approach to biblical tropes and provide conclusions and suggestions for further research The Historical Novel, Transnationalism, and the Postmodern Era Susan Brantly,2017-02-17 This volume explores the genre of the historical novel and the variety of ways in which writers choose to represent the past How does an author s nationality or gender impact their artistic choices To what extent can historical novels appeal to a transnational audience This study demonstrates how histories can communicate across national borders often by invoking or deconstructing the very notion of nationhood Furthermore it traces how the concerns of the postmodern era such as postmodern critiques of historiography colonialism identity and the Enlightenment have impacted the genre of the historical novel and shows this impact has not been uniform throughout Western culture Not all historical novels written during the postmodern era are postmodern The historical novel as a genre occupies a problematic yet significant space in Cold War literary currents torn between claims of authenticity and the impossibility of accessing the past Historical novels from England America Germany and France are compared and contrasted with historical novels from Sweden testing a variety of theoretical perspectives in the process This pitting of a center against a periphery serves to highlight traits that historical novels from the West have in common but also

how they differ The historical novel is not just a local regional phenomenon but has become during the postmodern era a transnational tool for exploring how we should think of nations and nationalism and what a society should or should not look like

French Literature Alison Finch, 2010-07-19 The depth and range of this book are astonishing as it describes the cultural conditions out of which French literature has emerged as a vital component of Western civilization from the Middle Ages to the present day Informative and immensely readable it makes a compelling and humane case for the continued study of literature in a changing world Colin Davis Royal Holloway University of London Written with great panache this book locates French literature in the wider culture of the Western world Finch shows how from Marie de France to MC Solar literature in France has always intertwined with politics history geography money sex language gender class and race Women writers and the new Francophone literatures receive welcome recognition A remarkable achievement Michael Sheringham Oxford University Alison Finch's superbly written book brings the cultural dimension of French literature fully into focus While revealing how the agenda of literary study has changed she demonstrates that we can engage with the great canonical texts of French literature in new and exciting ways The book is to be commended for its clarity its shrewd analyses and its sheer readability Tim Unwin Bristol University This book is the first to offer a cultural history of French literature from its very beginnings analysing the relationship between French literature and France's evolving power structures from the Middle Ages through to the present day It shows the political connections between the elite literature of France and other aspects of its culture from racism misogyny tolerance and liberal reform to song street performance advertising and cinema The nation's literature contributed to these and was shaped by them The book highlights the continuities and the unique fault lines in the society that over a millennium has produced French culture It looks at France's early and continuing struggle for a national identity through both its language and its literature and it shows that this struggle co-exists with openness to other cultures and a bawdy or subtle rebelliousness against the Church and other forms of authority En route it takes in cuisine gardens and the French tradition in mathematics The survey provides an accessible approach to key issues in the history of French culture as well as a wide context for specialists

Twins in Contemporary Literature and Culture Juliana De Nooy, 2005-06-21 Stories of twins are told with astonishing frequency in contemporary culture Films and novels from recent decades repeatedly tell of the stranglehold of brotherly love the evil twin who steals her sister's lover the homicidal mutant twin the reunion of twins separated at birth warring twins and confusion between look-alikes Twins in Contemporary Literature and Culture asks why we keep telling twin tales and how these have been transformed in recent retellings to reflect the preoccupations of the times

The Cambridge History of French Literature William Burgwinkle, Nicholas Hammond, Emma Wilson, 2011-02-24 The most comprehensive history of literature written in French ever produced in English

Myths of Modern Individualism Ian Watt, 1996 In this volume Ian Watt examines the myths of Faust Don Quixote Don Juan and Robinson Crusoe as the distinctive products of modern society He traces the way the

original versions of Faust Don Quixote and Don Juan all written within a forty year period during the Counter Reformation presented unflattering portrayals of the three figures while the Romantic period two centuries later recreated them as admirable and even heroic The twentieth century retained their prestige as mythical figures but with a new note of criticism Robinson Crusoe came much later than the other three but his fate can be seen as representative of the new religious economic and social attitudes which succeeded the Counter Reformation The four figures help to reveal problems of individualism in the modern period solitude narcissism and the claims of the self versus the claims of society They all pursue their own view of what they should be raising strong questions about their heroes character and the societies whose ideals they reflect
