More Thai Ways Paperback By Segaller Denis:

Thai Ways Denis Segaller, 2005-04-01 *Thai Ways* is a delightful collection of nearly everything you've ever wanted to know about Thai customs and beliefs engagingly explained in a grandfatherly way by a long time English resident of Thailand. Compiled from a series of articles published in the popular weekly column *Thai Ways* from the 1970s the selections remain as current and informative today as when the author first wrote them. They demystify constructs like the system of royal ranks and the Thai musical scale and customs like the Loi Krathong festival and the Wai Khru ceremony. Test your knowledge of these aspects of Thai cultural consciousness. What color is associated with Tuesday? Why was King Mongkut so important? What is the twelve year cycle? How does one address a Thai? What is the legend of the Buddha's Footprint? If you are stumped by any of these this book is for you. Both tourists and residents alike will find *Thai Ways* to be an enlightening and friendly guide through the perplexities of Thai culture. *Sharing Jesus in the Buddhist World* David Lim, Steve Spaulding, Paul H. de Neui, 2003-06-01 This book on Christian missions to the Buddhist world not only provides understanding of many Buddhist cultures but provides culturally relevant ideas on sharing Jesus with Buddhists around the world. It lives up to the editors goal to provide the global church with knowledge and understanding of the Buddhist world and how to reach it for Christ.

Travelers' Tales Thailand James O'Reilly, Larry Habegger, 2009-11-01 Winner of the Lowell Thomas Award for Best Travel Book this newly designed collection paints a unique portrait of a complex and captivating land. One contributor lives as a monk for a month gaining an inside look at monastic life. Another discovers Bangkok's riverine pleasures a world away from its car choked streets. Yet another finds refuge as the houseguest of an isolated tribesman. Through these engaging personal stories readers witness how Thailand satisfies just about any traveler's hunger for the exotic, the beautiful, the thrillingly different. Writers include Pico Iyer, Norman Lewis, Diane Summers, Simon Winchester, Ian Buruma, Thalia Zepatos and Tim Ward. The breadth and color of the collective portrait the contributors provide of Thailand is remarkable. Los Angeles Times
