Moscow Memoirs:

Moscow Memoirs Emma Gershtein, 2004 In the early 1960s Anna Akhmatova encouraged Emma Gerstein to record her own memories of the renowned Russian poet Osip Mandelstam But Gerstein's vivid and uncompromising account was not at all what she had expected When first published in Moscow in 1998 Gerstein's memoirs provoked responses from condemnation to rapturous praise amongst Russian readers A shrewd observer a close member of the Mandelstam and Akhmatova family circles and a serious literary specialist in her own right Gerstein is uniquely qualified to remove both poets from their pedestals without diminishing them or their work and to bring back to life the Soviet 1930s Part biography part autobiography this book radically alters our view of Russia's two greatest 20th century poets providing memorable glimpses of numerous other figures from that partly forgotten and misunderstood world and offers several unforgettable vignettes of Boris Pasternak Gerstein's integrity and perceptive comment make her account compulsively readable and enables us to re-examine that extraordinary epoch **Moscow Memoirs** Emma Gerstein, Memoirs New York State Museum, 1923

Memoir, 1923 Stories of the Soviet Experience Irina Paperno, 2011-01-15 Beginning with glasnost in the late 1980s and continuing into the present scores of personal accounts of life under Soviet rule written throughout its history have been published in Russia marking the end of an epoch In a major new work on private life and personal writings Irina Paperno explores this massive outpouring of human documents to uncover common themes cultural trends and literary forms The book argues that diverse as they are these narratives memoirs diaries notes blogs assert the historical significance of intimate lives shaped by catastrophic political forces especially the Terror under Stalin and World War II Moreover these published personal documents create a community where those who lived through the Soviet era can gain access to the inner recesses of one another's lives This community strives to forge a link to the tradition of Russia's nineteenth century intelligentsia thus the Russian intelligentsia emerges as an additional implicit subject of this book The book surveys hundreds of personal accounts and focuses on two in particular chosen for their exceptional quality scope and emotional power Notes about Anna Akhmatova is the diary Lidiia Chukovskaia a professional editor kept to document the day to day life of her friend the great Russian poet Anna Akhmatova Evgeniia Kiseleva a barely literate former peasant kept records in notebooks with the thought of crafting a movie script from the story of her life The striking parallels and contrasts between these two documents demonstrate how the Soviet state and the idea of history shaped very different lives and very different life stories The book also analyzes dreams most of them terror dreams recounted in the diaries and memoirs of authors ranging from a peasant to well known writers a Party leader and Stalin himself History Paperno shows invaded their dreams too With a sure grasp of Russian cultural history great sensitivity to the men and women who wrote and a command of European and American scholarship on life writing Paperno places diaries and memoirs of the Soviet experience in a rich historical and conceptual frame An important and lasting contribution to the history of Russian culture at the end of an epoch Stories of the

Soviet Experience also illuminates the general logic and specific uses of personal narratives **Memories of Chekhov**, 2011-10-14 This revelatory documentary biography of Anton Chekhov 1860 1904 one of the world's best playwrights collects more than 100 written recollections of Chekhov's close friends family and colleague writers and artists such as Ivan Bunin Konstantin Stanislavsky and Maxim Gorky Drawn from rare periodicals and obscure archival sources from the 1880s to the 1930s these accounts few of which have ever before been translated to English address his affairs with female admirers his passions and hobbies his visits to shelters for the homeless his support of aspiring writers as well as his advice to theater directors actors and writers A complement to the wealth of scholarly material on Chekhov this work offers new discoveries for both specialists and general enthusiasts *Index-catalogue of the Library of the Surgeon-General's Office, United States Army National Library of Medicine (U.S.)*, 1893 The Collector Natalya Semenova, André Delocque, 2018-09-11 A fascinating life of Sergei Shchukin the great collector who changed the face of Russia's art world Sergei Shchukin was a highly successful textiles merchant in the latter half of the nineteenth century but he also had a great eye for beauty He was one of the first to appreciate the qualities of the Impressionists and Post Impressionists and to acquire works by Cézanne Matisse and Picasso A trailblazer in the Russian art world Shchukin and his collection shocked provoked and inspired awe ridicule and derision among his contemporaries This is the first English language biography of Sergei Shchukin written by art historian Natalya Semenova and adapted by Shchukin's grandson Andr Delocque Featuring personal diary entries correspondence interviews and archival research it brings to light the life of a man who has hitherto remained in the shadows and shows how despite his controversial reputation he opened his collection to the public inspiring a future generation of artists and changing the face of the Russian art world *An Ambassador's Memoirs* Maurice Paléologue, 1925

Index Catalogue of the Library of the Surgeon-general's Office, United States Army Library of the Surgeon-General's Office (U.S.), 1893 Envoy to Moscow Aryeh Levin, 2014-04-08 The personal memoir of Aryeh Levin Israel's first Ambassador to Russia since the severance of relations between the two countries in 1967 Aryeh Levin's four year tenure as Ambassador to Moscow coincided with great upheavals in the life and times of both Israel and Russia He was witness to the momentous events that led to the collapse of the Soviet empire and was instrumental in facilitating the immigration of almost half a million Jews to Israel **A Researcher's Guide to Sources on Soviet Social History in the 1930s** Sheila Fitzpatrick, Lynne Viola, 2016-07-22 The Stalin era has been less accessible to researchers than either the preceding decade or the postwar era The basic problem is that during the Stalin years censorship restricted the collection and dissemination of information and introduced bias and distortion into the statistics that were published while in the post Stalin years access to archives and libraries remained tightly controlled Thus it is not surprising that one of the main manifestations of glasnost has been the effort to open up records of the 1930s In this volume Western and Soviet specialists detail the untapped potential of sources on this period of Soviet social history and also the hidden traps that abound The full

range of sources is covered from memoirs to official documents from city directories to computerized data bases
