A Concise New Testament Theology I. Howard Marshall, 2008 Concise New Testament Theology

New Testament Theology PB Howard Marshall, 2015-04-17 A 2005 ECPA Gold Medallion winner New Testament theology is essentially missionary theology writes I Howard Marshall Founded on a sure footed mastery of the data and constructed with clear thinking lucidly expressed this long anticipated New Testament theology offers the insights born of a distinguished career of study reflection teaching and writing on the New Testament Marshall's New Testament Theology will speak clearly to a broad audience of students and nonspecialists But even on the most familiar ground where informed readers might lower their expectations of learning something new Marshall offers deft insights that sharpen understanding of the message of the New Testament Here is a New Testament theology that does not succumb to the fashion of settling for an irreconcilable diversity of New Testament voices but argues that a synthetic New Testament theology is a real possibility Beginning with the Gospels and Acts proceeding to each of Paul's letters focusing then on the Johannine literature and finally looking at Hebrews and the remaining general epistles Marshall repeatedly stops to assess the view And gradually he builds up a composite synthesis of the unified theological voice of the New Testament On the way toward this synthesis Marshall highlights clearly the theological voices of the individual New Testament books Thus his New Testament theology serves also as a sort of introduction to the New Testament books making it double as an attractive complement to book by book introductions to the New Testament Here is a New Testament theology that will not only guide students and delight teachers but also reward expositors with a lavish fund of insights for preaching

New Testament Theology and its Quest for Relevance Thomas R. Hatina, 2013-03-14 New Testament theology raises many questions not only within its own boundaries but also in relation to other fields such as history literary criticism sociology psychology history politics philosophy and religious studies But the overarching question concerns the relevance of two thousand year old writings in today's world How does one establish what is and is not relevant in the New Testament How does one communicate the ancient ideas presented in an alien language alien time and alien culture to a contemporary audience This book is intended to serve as a methodological introduction to the field of New Testament theology aimed at a range of readers undergraduate and Seminary students clergy and laypersons interested in the relevance of scripture It is a guide which aims to help readers understand how practitioners of New Testament theology have wrestled with the relationship between historical reconstruction of the New Testament and its interpretation in the modern world

40 Questions About the Historical Jesus C. Marvin Pate, 2015-04-27 Answers to critical questions regarding the study of the Jesus of history and the Christ of faith The conclusions of the quest for the historical Jesus which casts the majority of

Christ's life as a myth are a stark contrast to the orthodox view of Christ as presented in the Bible. Pate demonstrates that a critical analysis of the gospel text along with historical and cultural methods of investigation actually point toward an orthodox view of Christ. This work argues that the canonical Gospels are the most trustworthy information we have about the gospel writers as well as the life and ministry of Jesus including his death, visit to Hades, resurrection, and ascension. Readers will be encouraged by the reliability of the Gospel writers, the reality of Jesus' humanity and deity, and the inferiority of the apocryphal gospels.

Method, Context, and Meaning in New Testament Studies C. Kevin Rowe, 2024-03-21

A masterful collection of essays in New Testament studies connecting Scripture, theology, and human life. What is the purpose of studying the New Testament, and how is it best approached? Esteemed professor C. Kevin Rowe explores these questions in sixteen incisive essays covering a range of topics, including the state of New Testament studies as a field, the relationship between historical criticism and theological reading, interdisciplinary methodology, comparative religion, and New Testament Christianity. Truth claims of the New Testament: What unites these diverse chapters is a holistic approach to the New Testament. Against the modern tendency to separate disciplines, Rowe unites philosophy, theology, history, and biblical studies in fruitful conversation. Most crucially, he emphasizes the essential purpose of this academic work: its implications for human flourishing. With an insightful and bold approach, Rowe's essays should be read by anyone interested in New Testament studies. Scholars and students will find the essays in this critical volume challenging and rewarding.

Least of the Apostles Brendan W. Case, William Glass, 2022-05-19

Least of the Apostles is a study of Paul's relation both in his ministry and through his epistles to the rest of apostolic Christianity. Studies relating Paul to Judaism, the Roman Empire, or Greco-Roman philosophy abound; we adopt the comparatively neglected approach of relating Paul specifically to his fellow apostles. The first three chapters explore the influence on Paul of sources from the

earliest church James and his circle the apostolic decree and proto Synoptic traditions while the final three explore Paul's influence on Hebrews Luke and John and the Petrine Epistles We conclude by considering the implications of these findings for New Testament theology

Images of Salvation in the New Testament Brenda B. Colijn, 2010-10-05 The New Testament does not develop a systematic doctrine of salvation writes Brenda Colijn Instead it presents us with a variety of pictures taken from different perspectives Students of the New Testament and of theology will both find their vision broadened and their understanding deepened by this rich informative study As the author seeks to understand their implications for people of faith she uncovers how New Testament images provide the building blocks of the master story of redemption **Prayer in the Gospels**

Mathias Nygaard, 2012-07-19 In *Prayer in the Gospels* Mathias Nygaard offers a text centred reading of the prayer materials of the Gospels His approach provides for exegesis and theology in a single discussion **Jesus and the Religions** Bob Robinson, 2012-03-23 How should followers of Christ live in a multi religious world This book argues that the example of Jesus has something fresh and helpful to say to those who ponder the question It takes something old the example of Jesus to say something new to our pluralist world Most of the book examines the meetings of Jesus with Gentiles and Samaritans These are found in some of the most poignant and dramatic encounters and teaching passages in the Gospels a synagogue address with near murderous consequences the healing of a pagan centurion's servant the setting free of the afflicted child of a Gentile mother a moving encounter at a Samaritan well the unlikely story of a compassionate Samaritan and more This is a scholarly but accessible discussion of what it might mean to have the same attitude of mind that Christ Jesus had in our contemporary multi religious world **Christ the Center** Tomas Bokedal, 2023-08-23 Scripture is a beautiful mosaic of Christ The earliest Christians expressed their faith with creativity through symbols and summaries In *Christ the Center* Tomas Bokedal explores the relationship of the rule of faith nomina sacra and numerical patterns with Scripture The nomina sacra scribal reverence for divine names within Scripture display remarkable intentionality and theological reflection The nomina sacra in turn directed the emerging rule of faith These scribal practices reveal early devotional and theological preoccupation and guided the text's shape and interpretation in the early centuries after Christ *Christ the Center* showcases early Christian reverence for Scripture and especially for the One of whom Scripture speaks **Dialogue Not Dogma** Raj Nadella, 2011-03-24 Nadella examines the strands of Luke's narrative showing that the many voices in the text should be celebrated as a unique feature of Luke's writing Lukan scholars offer varying responses to the issue of divergent viewpoints in the gospel regarding the identity of Jesus wealth women and the emphasis on doing vis a vis hearing Many forms of criticism attempt to explain or harmonize these apparent contradictions Conversely Raj Nadella argues that there is no dominant viewpoint in Luke and that the divergence in viewpoints is a unique literary feature to be celebrated rather than a problem to be solved Nadella interprets selected Lukan passages in light of Bakhtinian concepts such as dialogism loophole and exotopy to show that the disparate perspectives and interplay between them display Luke's superior literary skills rather than his inability to produce a coherent work Luke emerges as a work akin to Dostoevsky's *Brothers Karamazov* that

accommodates competing views on several issues and allows them to enter into an unfinalizable dialogue as equal partners

The New Testament and the Future of the Cosmos Ryan P. Juza, 2020-11-05 The New Testament and the Future of the Cosmos is an exploration into the cosmic eschatology of the New Testament It invites the reader to grapple with two interrelated questions along with the author 1 What did the writers of the New Testament teach about the fate of the cosmos and 2 can we synthesize their teachings into a coherent New Testament theology By offering a close reading of key texts that inform the topic most notably Matt 24 29 31 Mark 13 24 27 Luke 21 25 28 Rom 8 19 22 Heb 12 25 29 2 Pet 3 4 13 and Rev 21 1 5 it is argued that one can with certain qualifications ascertain a clear and coherent New Testament message pertaining to the future of the cosmos Along the way new exegetical ground is broken in several passages by identifying a previously unnoticed theme that runs throughout the New Testament concerning the future of the cosmos God's judgment of the heavenly powers of evil as a key component to the cosmic transition At present these hostile powers hold the cosmos captive to death but on the Day of the Lord they will be overthrown setting the stage for a materially transformed world to emerge from the hand of God
