A. LENTIN

CAMBRIDGE UNIVERSITY PRESS

# On The Corruption Of Morals In Russia

**David Burrow**

## **On The Corruption Of Morals In Russia:**

**On the Corruption of Morals in Russia** M. M. Shcherbatov, 2009-04-02 On the Corruption of Morals in Russia is the most celebrated work of the Russian historian philosopher and publicist Prince M M Shcherbatov 1733-90 Written towards the close of the reign of Catherine the Great it is half memoir half polemic comprising a survey of Russian history in the eighteenth century from the point of view of a moral censor and an outspoken attack on the decline of morals at the Court of St Petersburg written by an aristocrat of exceptional erudition and strong conservative views who was present at the Court of Catherine II and knew well the persons and events which he describes The work was not published during the author's lifetime not surprisingly since its contents were highly treasonable The text which is collated from the three primary manuscript copies of the original is the first to include all important textual variants

**On the Corruption of Morals in Russia** Mikhail Mikhailovič forme avant 2007 Ščerbačev, 1969 **On the corruption of morals in Russia**, ed Mikhail Mikhailovich Kniaz Shcherbatov, Antony Lentin, On the Corruption of Morals in Russia Mikhail Mikhaïlovich Shcherbatov (knižka), 1969 Russia's Path toward Enlightenment Gary M. Hamburg, 2016-06-28 This book focusing on the history of religious and political thinking in early modern Russia demonstrates that Russia's path toward enlightenment began long before Peter the Great's opening to the West Examining a broad range of writings G M Hamburg shows why Russia's enlightenment constituted a precondition for the explosive emergence of nineteenth century writers such as Fedor Dostoyevsky and Vladimir Soloviev

**Sociability and Cosmopolitanism** David Burrow, 2015-10-06 This collection of essays expands the focus of Enlightenment studies to include countries outside the core nations of France Germany and Britain Notions of sociability and cosmopolitanism are explored as ways in which people sought to improve society

**Suicide and the Body Politic in Imperial Russia** Susan K. Morrissey, 2007-01-04 In early twentieth century Russia suicide became a public act and a social phenomenon of exceptional scale a disquieting emblem of Russia's encounter with modernity This book draws on an extensive range of sources from judicial records to the popular press to examine the forms meanings and regulation of suicide from the seventeenth century to 1914 placing developments into a pan-European context It argues against narratives of secularization that read the history of suicide as a trajectory from sin to insanity crime to social problem and instead focuses upon the cultural politics of self-destruction Suicide the act the body the socio-medical problem became the site on which diverse authorities were established and contested not just the priest or the doctor but also the sovereign the public and the individual This panoramic history of modern Russia told through the prism of suicide rethinks the interaction between cultural forms individual agency and systems of governance

**California Slavic Studies** Nicholas V. Riasanovsky, 1977 **Women in Russia, 1700-2000** Barbara Alpern Engel, 2004 Table of contents *A History of Russia Volume 1* Walter G. Moss, 2003-07-01 This new edition retains the features of the first edition that made it a popular choice in universities and colleges throughout the US Canada and around the world Moss's accessible history

includes full treatment of everyday life the role of women rural life law religion literature and art In addition it provides many other features that have proven successful including a well organized and clearly written text references to varying historical perspectives numerous illustrations and maps fully updated bibliographies accompanying each chapter as well as a general bibliography a glossary and chronological and genealogical lists

**The Cambridge History of Russia: Volume 2, Imperial Russia, 1689-1917** Maureen Perrie, D. C. B. Lieven, Ronald Grigor Suny, 2006-08-17 A definitive new history of Russia from early Rus to the collapse of the Soviet Union

The Great Protector of Wits Laura Nicolì, 2022-06-20 The Great Protector of Wits provides a new assessment of baron d Holbach 1723 1789 and his circle A challenging figure of the European Enlightenment Paul Henri Thiry d Holbach was not only a radically materialistic philosopher a champion of anticlericalism the author of the *Système de la nature* known as the Bible of atheists an idologue a popularizer of the natural sciences and a prolific contributor to the *Encyclopédie* but he also played a crucial role as an organizer of intellectual networks and was a master of disseminating clandestine literature and a consummate strategist in authorial fictions In this collective volume for the first time all these different threads of d Holbach's philosophy in action are considered and analyzed in their interconnection Contributors to this volume Jacopo Agnesina Nicholas Cronk Mlanie phr me Enrico Galvagni Jonathan Israel Alan Charles Kors Mladen Kozul Brunello Lotti Emilio Mazza Gianluca Mori Iryna Mykhailova Gianni Paganini Paolo Quintili Alain Sandrier Ruggero Sciuto Maria Susana Seguin and Gerhardt Stenger

**Religion and Enlightenment in Catherinian Russia** Elise Kimerling Wirtschafter, 2013-03-15 This valuable study explores the Russian Enlightenment with reference to the religious Enlightenment of the mid to late eighteenth century Grounded in close reading of the sermons and devotional writings of Platon Levshin Court preacher and Metropolitan of Moscow the book examines the blending of European ideas into the teachings of Russian Orthodoxy Highlighting the interplay between Enlightenment thought and Orthodox enlightenment Elise Wirtschafter addresses key questions of concern to religious Enlighteners across Europe humanity's relationship to God and creation the distinction between learning and enlightenment the role of Christian love in authority relationships the meaning of free will in a universe governed by Divine Providence and the unity of church monarchy and civil society Countering scholarship that depicts an Orthodox religious culture under assault from European modernity and Petrine absolutism Wirtschafter emphasizes the ability of Russia's educated churchmen to assimilate and transform Enlightenment ideas The intellectual and spiritual vitality of eighteenth century Orthodoxy helps to explain how Russian policymakers and intellectuals met the challenge of European power while simultaneously coming to terms with the broad cultural appeal of the Enlightenment's universalistic human rights agenda Religion and Enlightenment in Catherinian Russia defines the Russian Enlightenment as a response to the allure of European modernity as an instrument of social control and as the moral voice of an emergent independent society Because Russia's enlightened intellectuals focused on the moral perfectibility of the individual human being rather than social and political change the originality of the Russian

Enlightenment has gone unrecognized This study corrects images of a superficial Enlightenment and crisis ridden religious culture arguing that in order to understand the humanistic sensibility and emphasis on individual dignity that permeate Russian intellectual history and the history of the educated classes more broadly it is necessary to bring Orthodox teachings into the discussion of Enlightenment thought The result is a book that explains the distinctive origins of modern Russian culture while also allowing scholars to situate the Russian Enlightenment in European and global history *The Human Tradition in Imperial Russia* Christine D. Worobec, 2009-01-16 Sweeping across more than two centuries this compelling book introduces readers to some of the major themes in Imperial Russia In a set of engaging essays the contributors present richly human stories of individual and group experiences as well as of key events in Russian history We see the effects of reforms the consequences of an economy and society built on serfdom as well as the development of a civil society the woman question urbanization secularization and modernity As this book vividly shows individuals groups and events raised out of obscurity remind us of the messiness of everyday life of people s dreams frustrations and transformations as well as of their sense of self and the community around them *'By the Banks of the Neva'* Anthony Cross, 1997 This book offers a unique and fascinating investigation into the lives and careers of the British in eighteenth century Russia and more specifically into the development of a vibrant British community in St Petersburg during the city s first century of existence as the new capital of an ever expanding Russian empire Based on an extremely wide use of primary sources particularly archival from Britain and Russia the book concentrates on the activities of the British within various fields such as commerce the navy the medical profession science and technology and the arts and ends with a broad survey of travellers and of travel accounts many of them completely unknown Also included are many attractive and unusual illustrations which help demonstrate the variety and character of Russia s British community **Longman Companion to Imperial Russia, 1689-1917** David Longley, 2014-07-30 This is the first book of its kind to draw together information on the major events in Russian history from 1695 to 1917 covering the eventful period from the accession of Peter the Great to the fall of Nicholas II Not only is a vast amount of material on key events and topics brought together but the book also contains fascinating background material to convey the reality of life in the period **The Image of Peter the Great in Russian History and Thought** Nicholas Valentine Riasanovsky, 1992 The image of Peter the Great Tsar of Russia from 1689 to 1725 has been a central theme of Russian history art and literature This study draws on Russian historical accounts folklore and the arts to demonstrate how the image of Peter has reflected the changing cultural values of Russian people **Russia: A History, New Edition** Gregory Freeze, 2002-03-28 Drawing on recently opened archival materials leading American and European scholars provide an authoritative interpretation of Russian history and culture ranging from the eighth century to the recent creation of the Commonwealth of Independent States **Russia: A History, new edition** , 2002-03-28 From the formation of the Russian state in the 14th century to the political power struggles of the 1990s and the uncertainties of the new millennium this new

history offers a fresh and systematic account of Russian history across six tumultuous centuries. With greater access to previously unobtainable material and with the gradual depoliticization of what was once an intellectual Cold War battleground, historians are now able to tell the story of Russia more dispassionately and with greater precision than was formerly possible. Drawing on the best contemporary scholarship and informed throughout by the latest archival research into previously classified sources, thirteen international experts here reassess and reinterpret the history of one of the world's great powers. What emerges is a powerful sense of national destiny, of repeated themes, unchanging conditions and cycles of circumstance. Throughout Russian history, all powerful autocrats like Ivan the Terrible or Stalin have maintained their authority through brutality, but their omnipotence was always under threat, circumscribed by geography, compromised by bureaucratic incompetence, pervasive corruption and resistance from below. A curious combination, a veneer of omnipotence, a void of operational power, has periodically dissolved into times of trouble, as in 1598, 1917 and 1991, when the impotence of the regime became transparent to all. Russian rulers have also had to contend with the same immense physical challenges: a hugely dispersed population, a perennial dearth of means and men to govern, a primitive infrastructure. Plagued by natural disasters, hamstrung by structural problems, the Russian economy, whether pre-revolutionary capitalist, Soviet socialist or post-Soviet semi-capitalist, has had enormous and disruptive difficulties adapting to the competitive world of international markets. Another immutable elemental fact has been Russia's multinational composition, which continues to generate discontent and disorder. Yet Russia is a great survivor, as the years from 1995 show, characterized by economic recovery, institution building and a new mood of self-assertion in world politics. For too long, Russian history has been dominated by myths and counter-myths concocted by those seeking either to legitimize the existing order or to destroy it. This book, containing many little-known illustrations, represents an important attempt to rethink Russian history and to provide a new understanding of Russia's complex but ever-fascinating historical development. A compelling story in its own right, it is also essential reading for anyone with a private or professional interest in Russia and its place in the world.

**Refining Russia** Catriona Kelly, 2001-08-09. Advice literature, etiquette manuals, guides to hygiene and house management, and treatises on upbringing, enjoyed massive popularity in Russia between the late eighteenth and the late twentieth centuries. It reflected changing attitudes to appropriate behaviour in private and public, to the acquisition of possessions, and not least to national identity. For many Russians, reading how-to books was seen as a way of learning how to be a Westerner. Written or translated by members of the cultural elite, trying to encourage what they saw as civilized behaviour, advice literature was also a conduit for changing views of mass readers and of their place in society. This important and engaging book is the first systematic exploration of this hitherto neglected genre of popular printed text. It examines the evolution of advice literature from the Enlightenment to the post-Soviet era, from translations of Fénelon and Madame de Lambert in the 1760s and of Samuel Smiles in the late nineteenth and early twentieth centuries, to tracts by Gogol and Tolstoy, Soviet pamphlets on how to be

cultured and post Soviet guides to window treatments It draws on a huge range of sources memoirs novelised conduct books such as Anna Karenina parody advice literature letters and reviews to examine the broader significance of how to books and their relationship with daily life byt as construct and as lived reality The result is a book that not only makes a major contribution to the study of popular culture but also throws an unexpected and revealing light on Russian history more broadly

The Enthralling World of Kindle Books: A Comprehensive Guide Unveiling the Benefits of Kindle Books: A World of Convenience and Flexibility E-book books, with their inherent mobility and simplicity of availability, have liberated readers from the limitations of physical books. Gone are the days of carrying cumbersome novels or carefully searching for specific titles in bookstores. ### On The Corruption Of Morals In Russia Introduction

In today's digital age, the availability of On The Corruption Of Morals In Russia books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of On The Corruption Of Morals In Russia books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of On The Corruption Of Morals In Russia books and manuals for download is the cost-saving aspect. Traditional books and manuals can

be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing On The Corruption Of Morals In Russia versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, On The Corruption Of Morals In Russia books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing On The Corruption Of Morals In Russia books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for On The Corruption Of Morals In Russia books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, On The Corruption Of Morals In Russia books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of On The Corruption Of Morals In Russia books and manuals for download and embark on your journey of knowledge?
